Hello and welcome to the 2013 Fox catalogue, 220-pages full of the latest and greatest products from our carp and specialist ranges. It is the aim of this catalogue to present your good selves with as much information about our vast array of products as possible so that you can make an informed decision as to whether those products are best suited to your requirements.

Also included are a host of independent tackle reviews and quotes from not only the angling media (via magazine reviews) but also from customers (via Facebook and Twitter) that have bought and paid for their Fox products. Furthermore we have included QR codes on a number of products, which once scanned with your smart phone will take you to a video of that particular product so you can see it 'live' in use and find out even more information about it.

Within this year's catalogue there are plenty of familiar faces of products that have been in our portfolio for many years. And the reason that they have remained for so long is because they are in our opinion as good as they can be at this current time. In addition, however, we also have a whole host of new products to showcase that are sure to appeal. These new products include the Horizon XTK casting rod, Supa Brolly range, Black Label Bite Indicators, a Kingsize Flatliner bedchair, the Rapide Load PVA Bag System, Rigid Rig Case, FX Combo Chair, Royale tackle boxes and a Deluxe Carpmaster unhooking mat to name just a few!

Although our range of products is vast every item shares something in common – they have been designed and extensively tested by our product development team in conjunction with our team of consultants and with feedback from our customers to help to make your fishing both easier and more productive!

We hope you like and enjoy what is coming up and hope to hear your feedback at the various fishing shows around Europe and of course via our Facebook, You Tube and Twitter pages.

FOX Shelters

Our team of product designers work tirelessly to ensure that we can offer a range of shelters that meet the requirements of anglers across the globe. So whether you are looking for a lightweight shelter for day sessions, something quick and versatile for overnights or a massive dome for doubling up or spending long sessions on the continent, you are sure to find something within our range that ticks all of your boxes.

In this year's catalogue we are delighted to feature a shelter concept that has been described as 'revolutionary' by many of the most respected authorities in angling.

The shelter in question is of course our Supa Brolly, which literally changed the carp umbrella market overnight when it was released in June last year. For all of those Supa Brolly fans out there you will be pleased to hear that new for 2013 are an Overwrap and Mozzy infill panel for the existing Supa Brolly plus a brand-new full Supa Brolly System too! Whilst on the bivvy front our 2012 line up of the Voyager, Reflex, Retreat, Royale and Eclipse 2.5Man Euro proved to be so popular that we have kept them all for this year.

Each and every one of our shelters have been rigorously tested over prolonged periods of time and in all manner of conditions allowing us to ensure that all of the key areas such as stability, waterproofing, breathability, user-friendliness, size and functionality are spot on.

"Supa Brolly, Retreat, Voyager, Royale, Reflex... – it is hard to believe that one company can make so many great fishing shelters – but this is not just any company, this is Fox!"

Debbie Toprod Williams: "I like it I like it alot."

Rob Boothby: "Looking good. May have to invest before next years trip to France"

VOYAGER® STANDARD & XL

The unique-looking Voyager has proven extremely popular over the past 12 months with anglers across the globe appreciating the quality of its design and functionality. Featuring a pram-hood design with a difference, the Voyager is incredibly spacious inside giving you plenty of room for your bedchair, food, tackle and all other essentials that you take on a session.

At the rear of the shelter we have used a larger back panel and combined it with a longer rear rib to vastly increase internal usable space. Extra space has also been created by moving the rear pegging points out and adding extra pegging points. The result of such design tweaks is that you can now position your bedchair right into the back of the shelter so you have more space in front of you.

There is a XL version also available for those anglers that require even more space!

CUM128	Voyager Standard	£399.99
CUM133	Voyager Standard Extending Wrap	£229.99
CUM129	Voyager XL	£459.99
CUM134	Voyager XL Extending Wrap	£259.99

FEATURES

- ▶ Rigid aluminium pole structure
- ▶ Textured, black powder coated poles are extremely hardwearing
- ▶ Front panel is fully removable using one heavy-duty 10mm zip
- ▶ The front door is extremely wide and features two-way herringbone zips
- ▶ Front panels can be rolled up and secured with toggles to reveal handy large mozy panels
- ▶ Front peak for added protection from the elements
- ▶ Three pegging points on front door
- ▶ The number of zips has been reduced and their strength increased
- ▶ Each rib is made up of three poles each with two breaks to reduce setup time and make its packed down shape longer and slimmer
- ▶ Strategically positioned vents
- ▶ Handy internal mesh pockets provide storage for essential items including your receiver
- ▶ Drain piping diverts water away from vents and the front of the bivvy
- ▶ Two rod retaining straps at front of bivvy
- ▶ Supplied with heavy-duty clip in groundsheet
- ▶ Heavy-duty pegs also supplied as standard
- ▶ Supplied in over-sized, heavy-duty carry bag

EXTENDING WRAP

Both Voyager models have extending wraps available separately, which come supplied with an additional groundsheet section. These simply Velcro to the main groundsheet dramatically increasing the footprint of the shelter.

FEATURES

- ▶ Dramatically increases size of shelter and usable space
- ▶ Increases warmth and reduces condensation
- ▶ Mesh vents at front and rear that marry up to those on shelter allowing you to create air flow even with wrap on
- ▶ Fully removable front door via single 10mm heavy-duty zip

RETREAT STANDARD AND XL CONFIGURATIONS

Solid Front Panel

Full Mozy Mesh Front

Removable Front

Dimensions of internal floor space 
Dimensions including wrap (available separately) 

RETREAT STANDARD & XL

Based on a traditional pram-hood design, the Retreat offers incredible interior space, thanks in part to a number of design tweaks at the rear of the bivvy. Firstly a larger back panel has been used and combined with a longer rear rib. The rear pegging points have been moved and increased in number so that you can now place your bedchair right to the back of the bivvy. Even with all of your tackle, food, clothes and bait in the bivvy you will still have enough room for the kitchen sink and to swing the odd cat!

Should you require something that is much bigger, we also make a Retreat XL, which features all of the same great design and technology as the standard-sized shelter.

CUM126	Retreat Standard	£419.99
CUM131	Retreat Standard Extending Wrap	£229.99
CUM127	Retreat XL	£499.99
CUM132	Retreat XL Extending Wrap	£249.99

FEATURES

- ▶ Rigid aluminium pole structure
- ▶ Textured, black powder coated poles are extremely hardwearing
- ▶ Front panel is fully removable via one heavy-duty 10mm zip
- ▶ The front door is extremely wide and features two-way herringbone zips
- ▶ Front panels can be rolled up and secured with toggles to reveal handy large mozzy panels
- ▶ Front peak for added protection from the elements
- ▶ Three pegging points on front door
- ▶ There are four ribs, each made up of four poles that have three breaks to reduce setup time and make it slimmer once packed away
- ▶ Strategically positioned vents
- ▶ Handy internal mesh pockets provide storage for essential items including your receiver
- ▶ Drain piping diverts water away from vents and the front of the bivvy
- ▶ Two rod retaining straps at front of bivvy
- ▶ Supplied with heavy-duty clip in groundsheet
- ▶ Heavy-duty pegs also supplied as standard
- ▶ Supplied in over-sized, heavy-duty carry bag

EXTENDING WRAP

As with all of our pram-hood style shelters the both sizes of Retreat have extending wraps available separately. These well thought-out wraps come supplied with an additional groundsheet section. These simply Velcro to the main groundsheet dramatically increasing the footprint of the shelter.

FEATURES

- ▶ Dramatically increases size of shelter and usable space
- ▶ Increases warmth and reduces condensation
- ▶ Mesh vents at front and rear that marry up to those on shelter allowing you to create air flow even with wrap on
- ▶ Fully removable front door via single 10mm heavy-duty zip

Steve Smith: "My Reflex bivvy, best thing since sliced bread..."

REFLEX®

This sexy-looking, lightweight Reflex bivvy is every tackle tarts dream! Featuring eye-catching flexible black aero-grade aluminium poles and a much more user-friendly high back, the Reflex not only looks the part but also performs immaculately too! A great asset of the Reflex is its versatility, as it can be used as a long-stay session shelter or for those quick overnight trips.

You will notice that unlike the other pram-hood style bivvies in our range, the Reflex does not feature a front peak (reducing bulk and weight). This is because we have eliminated the need for one by using a completely flat front panel.

CUM130	Reflex	£399.99
CUM135	Reflex Extending Wrap	£239.99

FEATURES

- ▶ Aero-grade black aluminium pole structure
- ▶ Larger back panel with longer rear rib to increase internal space
- ▶ Front panel is fully removable via one heavy-duty 10mm zip
- ▶ The front door is extremely wide and features two-way herringbone zips
- ▶ Front panels can be rolled up and secured with toggles to reveal handy large mozzy panels
- ▶ Three pegging points on front door
- ▶ The number of zips has been reduced and their strength increased
- ▶ There are three ribs, each made up of three poles that have two breaks to reduce setup time and make it slimmer once packed away
- ▶ Strategically positioned vents
- ▶ Handy internal mesh pockets provide storage for essential items including your receiver
- ▶ Drain piping diverts water away from vents and the front of the bivvy
- ▶ Two rod retaining straps at front of bivvy
- ▶ Supplied with heavy-duty clip in groundsheet
- ▶ Heavy-duty pegs also supplied as standard
- ▶ Supplied in over-sized, heavy-duty carry bag

EXTENDING WRAP

There is an extending wrap available separately for the Reflex, which can effectively turn it from a one-man design into a more conventional two-man shelter such is the additional space it offers.

FEATURES

- ▶ Supplied with additional rib to extend front foot print
- ▶ Additional groundsheet section which simply Velcro's to the main groundsheet
- ▶ Increases warmth and reduces condensation
- ▶ Mesh vents at front and rear that marry up to those on shelter allowing you to create air flow even with wrap on
- ▶ Fully removable front door via single 10mm heavy-duty zip

ECLIPSE® 2.5 MAN EURO

Considered by many leading anglers on the continent as the ultimate in long session shelter design, the Eclipse 2.5 man Euro is packed with features that soon make you realise why! One such example is a unique inner dome that has been engineered to give increased headroom at the back of the bivvy. In addition its large front peak extends out to offer fantastic protection from the elements. A further impressive feature of this particular model is it comes supplied with a zip in groundsheet, whilst the inner dome also has a removable groundsheet ensuring comfort of the highest level.

CUM119	Eclipse 2.5 Man Euro	£419.99
CUM123	Eclipse 2.5 Man Euro Winter Skin	£159.99

FEATURES

- ▶ Hardwearing, rigid black aluminium poles
- ▶ Heavy-duty Nylon fabric
- ▶ Full frame support
- ▶ Large mozzzy mesh air vents at rear for increased air flow
- ▶ Inner dome feature
- ▶ Incredibly spacious
- ▶ Supplied with heavy duty zip-in groundsheet
- ▶ Four ribs each with four breaks in them
- ▶ Multiple pegging points
- ▶ Removable PVC door
- ▶ Large mozzzy mesh panels on front
- ▶ Two way door system
- ▶ Rod support strap
- ▶ Heavy-duty pegs supplied
- ▶ Winter skin available separately

Inner Dome.

Full Mozy Mesh Front

Roll Up Open Front

XXL also available - Height: 183 cm

ROYALE® STANDARD & XXL

Since its release in early 2012 the Royale bivvy has proven to be one of our most popular ever released! Having received glowing reports from the angling press - Angling Times tackle editor Mark Sawyer commented that it was the best entry-level pram-hood shelter ever released onto the market! Based on the traditional pram hood design, the Royale is constructed from hard-wearing nylon fabric and is packed with the sort of features you would expect to find on a bivvy twice its price!

The Royale is available in Standard and the gigantic XXL, which is perfect for the long session or overseas angler.

CUM136	Royale Standard	£199.99
CUM138	Royale Standard Extending Wrap	£99.99
CUM137	Royale XXL	£349.99
CUM139	Royale XXL Extending Wrap	£169.99

FEATURES

- ▶ Constructed from a hardwearing nylon fabric with a 5000 hydrostatic head
- ▶ Rigid aluminium pole structure and the poles have a textured black powder coating
- ▶ Larger back panel and longer rear rib, which increases space inside the bivvy
- ▶ Peak on Standard version
- ▶ Two rod straps on front
- ▶ Mozzy panelled front door and mozzy panels on either side of the door
- ▶ Toggles allow front door to roll up to the full bivvy height, as if it has been zipped off
- ▶ Number of zips kept to a bare minimum and top quality heavy duty zips used
- ▶ Supplied with heavy duty clip-in groundsheet
- ▶ Clear door panel supplied
- ▶ Two front door pegging points allow you to change height
- ▶ Pegging points come with elasticated tension straps
- ▶ Heavy-duty pegs supplied

“Unrivalled quality and value for money”

EXTENDING WRAP

Both models of Royale also have their own Extending Wrap's that can be purchased separately. By adding the extending wrap you not only make them noticeably bigger you also increase the warmth inside and protection against condensation. The front doors on the wraps are designed to replicate those on the bivvies themselves.

EXTENDING WRAP FEATURES

Mozzy Mesh Front Matches Shelter

Two-way Front Door

PVC Front Door

Matching Rear Vents (XXL only)

WARRIOR® OVAL 60 SYSTEM

Lightweight, versatile and practical the Warrior Oval 60 System is manufactured from a high quality breathable and waterproof nylon and has a 60in (152cm) frame with four rear ribs on the deck to add stability. This is further enhanced by the provision of two 24in (61cm) and two 48in (122cm) storm poles.

CUM122 Warrior Oval 60 System

£199.99

FEATURES

- ▶ Erection time 3 minutes
- ▶ Waterproof and breathable nylon material
- ▶ Unique 2-way door system
- ▶ Removable PVC Door Window
- ▶ Clip-in groundsheet
- ▶ Full Mozy Front
- ▶ Easy to transport

WARRIOR® OVAL 60 BROLLY

For carp anglers or specialist anglers fishing short sessions in unfavourable weather conditions, the Warrior 60 Brolly gives plenty of protection at a very reasonable price. It comes with two 24in (61cm) storm poles and the four back ribs are designed to be on the ground where they can be pegged to give additional stability.

CUM120	Warrior Oval 60 Brolly	£99.99
CUM121	Groundsheet	£19.99

FEATURES

- ▶ Erection time 1 minute
- ▶ Ultra lightweight, stable and compact design
- ▶ A groundsheet is available separately
- ▶ Compatible with 60ins Oval Mozzy Mesh

60 INCH OVAL MOZZY MESH

This mesh fits most 60 inch brollies, including our Warrior 60ins Brolly, to offer complete insect-proof coverage of the front. It works simply by clipping onto the central hub at the top of the brolly with an elasticated cord system securing it to the front and sides and peg attachment to the ground.

CUM100	60 Inch Oval Mozzy Mesh	£40.99
--------	-------------------------	--------

SUPA BROLLY

The revolutionary Supa Brolly features our unique STS mechanism that eliminates an age old problem associated with traditional carp umbrellas! The STS is combined with a flatter, wider back section, plus extended side skirts, to offer the type of internal space normally associated with a bivvy.

CUM143 Supa Brolly

£189.99

SUPPLIED WITH:

- ▶ 2 x 24ins storm poles, which do not need to be removed when packed down (they simply clip inside the brolly)
- ▶ Looped locking collar, which is great for hanging items such as lamps and receivers
- ▶ 10 heavy-duty pegs
- ▶ Heavy-duty groundsheet
- ▶ Carry bag
- ▶ Neoprene protective sock

FEATURES

- ▶ Erection time 2 minutes
- ▶ Self-Tensioning System (STS) gives increased head room so you no longer bang your head on the spokes!
- ▶ Fully taped seams
- ▶ 8mm Fibre Glass Frame makes it very strong yet lightweight
- ▶ Extended side skirts provide extra protection from the elements
- ▶ 4 back ribs touch ground, which greatly aids stability
- ▶ No bell cap at back – an area that on other makes of traditional umbrella has been prone to leakage over the years
- ▶ Optional Fibreglass front support rib supplied, which can simply be slipped into place to give further stability and create an Apex peak at the front for better drainage when it rains
- ▶ Front drain pipe – diverts rain from dripping off the front of the brolly
- ▶ Short central pole allows for easy erection
- ▶ 4 storm caps (you can add longer storm poles on the front should you require even more stability)
- ▶ Adjustable pegging points to allow height variation
- ▶ Rod retaining strap

“Great piece of kit – takes brolly design to another dimension”

TotalCarp
THE UK'S BIGGEST ISSUED CARP FISHING MAGAZINE

“Light, spacious and easy to put up, this shelter sets high standards”

Anglingtimes

Optional fibreglass front pole for added stability and rain water dispersion, plus storm poles for stability

Front drain pipe – diverts rain from dripping off the front of the brolly

VEN-TEC

Gavin Humber: “Just come back from 48hr sesh and got to say my Supa Brolly was the buisness in some brutal weather solid and masses of space top design.”

SUPA BROLLY OVERWRAP

Due to popular demand we are pleased to reveal that there is an overwrap available for the Supa Brolly to transform it from an open fronted umbrella design to a full system that could quite possibly be considered a bivvy!

CUM145 Supa Brolly Overwrap £129.99

FEATURES

- ▶ Solid and Mozzzy Mesh door and side panels
- ▶ Rod retaining straps
- ▶ Two way heavy-duty zips on door
- ▶ Multiple pegging points that mirror those on Supa Brolly
- ▶ Supplied in carry bag
- ▶ Supplied with 14 heavy-duty bivvy pegs
- ▶ Weight 3.8kg

SUPA BROLLY MOZZY MESH

For those anglers that prefer to use a brolly as it was intended with no front on, but need protection from mosquitoes during the warmer months.

CUM147 Supa Brolly Mozzzy Mesh £39.99

FEATURES

- ▶ Reinforced multiple pegging points
- ▶ Attaches to brolly simply by being threaded onto the Fibreglass front support pole
- ▶ Supplied in carry bag

Front storm poles not included

@MattPAngling: "Spent the last few days under my Supa Brolly and must say it took everything the British weather had. I'm impressed."

Dan Sales: "Fox tackle is top notch and will lead the way for a long time look forward to owning one of these"

SUPA BROLLY SYSTEM

Due to the immense popularity of the original open fronted Supa Brolly concept we have been inundated with requests to produce a full system with removable front for those anglers that want their brolly to double up as a bivvy too. It therefore gives us great pleasure to introduce the new all singing, all dancing Supa Brolly System, which is not only packed with all of the same great features as the standard Supa Brolly, but also lots more too...

CUM146 Supa Brolly System

£299.99

FEATURES

- ▶ Front panel is fully removable using one heavy-duty 10mm zip
- ▶ Two way heavy-duty door zip
- ▶ Solid and Mozy Mesh door and side panels
- ▶ Multiple pegging points to enable you to adjust height to suit you
- ▶ Self-Tensioning System (STS) gives increased head room so you no longer bang your head on the spokes!
- ▶ Fully taped seams
- ▶ 8mm Fibre Glass Frame makes it very strong yet lightweight
- ▶ Extended side skirts provide extra protection from the elements
- ▶ 4 back ribs touch ground, which greatly aids stability
- ▶ No bell cap at back – an area that on other makes of traditional umbrella has been prone to leakage over the years
- ▶ Optional Fibreglass front support rib supplied, which can simply be slipped into place to give further stability and create an Apex peak at the front for better drainage when it rains
- ▶ Front drain pipe – diverts rain from dripping off the front of the brolly
- ▶ Short central pole allows for easy erection
- ▶ 4 storm caps
- ▶ Rod retaining strap
- ▶ Weight 11.85kg (including heavy duty groundsheet)

“The new Supa Brolly System will soon become the object of every carp anglers fantasy”

SUPPLIED WITH:

- ▶ Full zip-in (single 10mm heavy-duty zip) Mozy Mesh front with reinforced pegging points and elasticated storm pole toggles
- ▶ Clear PVC door panel
- ▶ 2 x 24ins and 2 x 48ins storm poles
- ▶ Looped locking collar, which is great for hanging items such as lamps and receivers
- ▶ Supplied with 16 heavy-duty bivvy pegs
- ▶ Heavy-duty groundsheet
- ▶ Heavy-duty, oversized carry bag with full length zip
- ▶ Neoprene protective sock

Supplied with zip-in Mozy Mesh front panel.

Jay Willis: "Absolute quality by far the best brolly on the market!!"

ROYALE® SESSION TABLE XL

HEADLIGHTS

We have three fantastic Halo headlights that have been designed by anglers for anglers and really do set the standard for night fishermen.

Two of the three new models (HTX-100 and HT-100), can be activated by an infrared motion sensor.

HALO® HTX-100

- ▶ 100 lumens
- ▶ Elasticated head band with over the head support strap
- ▶ Batteries held in battery pack at the back, allows for three AA batteries, gives increased power and longer battery life
- ▶ 90 degree index angle control
- ▶ White LED light with width control (spot to flood)
- ▶ Motion sensor (not only useful when tying rigs/cooking, but can be set up on banksticks by your rods for security)
- ▶ Red LED Light (not as attractive to insects)
- ▶ Takes 3 AA batteries, comes with free Duracell's
- ▶ Red LED on battery pack, useful for use when boating baits out at night, your friend can guide you from the bank

CEI130

Halo HTX-100

£34.99

HALO® HT-100

- ▶ 100 lumens
- ▶ Single elasticated head band
- ▶ Batteries are positioned at front in head section
- ▶ 90 degree index angle control
- ▶ White LED light with width control (spot to flood) and dimmer control
- ▶ Motion sensor (not only useful when tying rigs/cooking, but can be set up on a bankstick by your rods for security)
- ▶ Red LED Light (not as attractive to insects)
- ▶ Takes three AAA batteries, comes with free Duracell's

CEI129

Halo HT-100

£29.99

HALO® HT-26

- ▶ At 26 lumens it is bright enough for tying rigs/reading/cooking etc
- ▶ Very good battery life
- ▶ Takes two AAA batteries
- ▶ Small, compact and lightweight
- ▶ Single elasticated head strap
- ▶ White LED light with width and dimmer control
- ▶ Comes with additional red and green LED lights, which are not as attractive to insects
- ▶ 90 degree index angle control
- ▶ Supplied with free Duracell batteries

CEI128

Halo HT-26

£22.99

HALO® LANTERN LT-100

Offering up to 38 hours of illumination, the water resistant LT-100 delivers an impressive 100 lumens. The top cap is removable for forward light when needed, with a built-in hook giving the option to hang the Lantern.

FEATURES

- ▶ Height approx 14cm
- ▶ Weight 212.5g (inc. batteries)

CEI085 Halo LT-100 Lantern

£16.49

HALO® LANTERN LT-136

The LT-136 offers up to 35 hours* of illumination. The aluminium body is water resistant and a carabiner allows it to be hung up if required. A green LED indicator aids location in darkness and a simple switch gives access to high, low and flashing modes.

* 35 hours in low or flashing mode, 16 hours in high mode

FEATURES

- ▶ Height approx 13cm (closed)
- ▶ Weight 198g (inc. batteries)

CEI023 Halo LT-136 Lantern

£27.50

FOX 

Bedchairs & Chairs

Last year saw us give our range of bedchairs a complete overhaul as we replaced all old models with brand-new designs that catered for the modern angler. These new designs included the Royale and Royale XL plus of course the revolutionary FX Flatliner, which is now widely regarded by many as the ultimate bedchair not only in terms of comfort but also for functionality and build quality.

Due to the huge success of all three models we are pleased to reveal that they are to stay in the range for the foreseeable future, in fact such has been the popularity of the Flatliner we are delighted to be able to showcase within this section a brand-new FX Flatliner Kingsize bedchair, which shares many of the great features from the original Flatliner but with a few extra tweaks for those anglers that require a bigger bed.

In addition to the four bedchairs that we now make there are also a number of new chair designs that have been added to the two chairs that were launched in last year's catalogue. The Warrior range has now grown to three models with the addition of the brand-new Warrior XL and Compact arm chairs whilst we are also very excited to reveal the innovative new FX Combo Chair, which as the name would suggest can be used in a number of ways!

As you would expect with any products that carry the Fox logo on them every single bedchair and chair has been built to the highest of standards using only the finest materials and all have been thoroughly field-tested to ensure great reliability.

"When developing the range of bedchairs and chairs for Fox our goal was very simple - to produce the most comfortable and practical items to make your fishing more enjoyable..."

FX FLATLINER BEDCHAIR

The revolutionary FX Flatliner took the carp fishing world by storm when it was released at the end of 2011 and in that time the products reputation has grown from strength to strength with many of the best carp angler's around Europe using them.

With a number of patents pending the Flatliner is probably the most comfortable bedchair ever produced, a sentiment shared by Marc Coulson, editor of the UK's largest carp magazine, Total Carp who opts to use a Flatliner for his own fishing due to its "unrivalled comfort and functionality".

You will notice that there is no angle to the head end and no built-in pillow. At home you sleep on a flat bed and build your head up with pillows, so why not apply the same theory when sleeping on the bank? As the name suggests the Flatliner is designed to be just that – Flat!

CBC039 FX Flatliner Bedchair

£299.99

Even Flow Elastic. This gives more consistent tension around the outside of the mattress.

Double Hinge Bracket at the foot end. This creates a void when folded to store a standard 3 Season bag.

FLATLINER

Wayne Atwell: "Fox Flatliner Bedchair best idea ever!! No more bruises while dreaming for a prize screamer. lol"

"I wouldn't swap this for any other bedchair currently on the market"

Carp Fishing

FEATURES

- ▶ 'Flip-Cam System', which is a very special piece of innovation. All other bechairs, once unfolded, have the Cam's pointing upwards and as we all know they are a real inconvenience. Not only do they get in the way but they also reduce the width of the mattress that you can actually utilize. This, however, is now a thing of the past as the Cam on the Flatliner swivels 180 degrees so that it points downwards
- ▶ 'Twist-Lok' legs, which can be operated with one hand. Simply twist the mechanism on the leg and the foot will fall into position. Then let go of the mechanism and it will automatically lock the leg into position - it couldn't be easier!
- ▶ The Flatliner features a unique 'Double Hinge Bracket' on the foot-end that has been designed to create a void inside the bedchair when it is folded away. This therefore allows enough space for a standard-sized 3-season sleeping bag to be folded inside. Some other bedchairs achieve this by putting an angle in the actual frame at the head end, which severely hinders your sleeping position and comfort as you cannot lie flat!
- ▶ 'Even Flow' Elastic has several benefits. Most other bedchairs use at least four lengths of elastic, where as the Flatliner only uses two, which start and finish at the head and foot ends and also run through the Cam (unlike any other bedchair on the market). This means that there are no sections of the mattress that are not elasticated, and therefore gives a much more consistent tension and firmer feel to the mattress
- ▶ Mattress utilizes eyelets instead of the fabric loops. Eyelets allow the elastic to stretch when you sit on the bedchair and then retract when you get off of it. In addition the eyelets have been very carefully positioned around the perimeter of the mattress to ensure maximum support is achieved. They are positioned as close as they can be to the legs to ensure an even tension on the mattress
- ▶ The frame is constructed from an oval aluminium, which is not only incredibly strong but also makes the frame surprisingly light
- ▶ High density foam mattress that is fleece covered and also a staggering 50mm deep!
- ▶ Three Legged
- ▶ Six large mud feet

Twist-Lok Leg. Simply twist the mechanism on the leg with one hand for instant and infinite adjustment.

REVOLUTIONARY 'FLIP-CAM SYSTEM'

BEDCHAIRS & CHAIRS

FX FLATLINER KINGSIZE

FLATLINER

“A great night’s sleep for the larger angler”

High density foam mattress that is fleece covered and also a staggering 50mm deep!

Further leg spacing prevents them from overlapping when the bedchair is packed away.

Lumber support in head and middle section to make mattress firmer to prevent sagging.

Jay Mungo Cater: "Can't wait to get my hands on one of these."
Glen Bigboyblunden: "Best bed around and I'm a chunk of a bloke 😊"

FX FLATLINER KINGSIZE BEDCHAIR

Despite the immense popularity of the Flatliner bedchair there were still some anglers that requested a bigger 'beefed up' version and so reacting to the needs and wants of our customers we set about designing a deluxe version, with the result being this excellent Kingsize model. In addition to benefitting from all of the excellent features boasted by the original Flatliner (Flip Cam, Twist-Lok Legs, Even Flow Elastic, 50mm mattress, flat design etc) the new Kingsize also has a few of its own unique ones.

CBC041 FX Flatliner Kingsize Bedchair £359.99

FEATURES

- ▶ 10cm wider than the standard Flatliner for those 'wider' anglers
- ▶ 10cm higher for more versatility on uneven ground
- ▶ 10cm longer than original model for the taller anglers
- ▶ Lumbar support in head and middle section to make mattress firmer and prevent sagging (a common problem on many other wider bedchairs)
- ▶ Foot end and middle legs are spaced further apart on the frame than normal. This eliminates the need for a fourth set of legs at the foot end therefore reducing the weight of the bedchair
- ▶ In addition this further spacing prevents the longer than normal legs from overlapping when the bedchair is packed away thus making it much more barrow-friendly!
- ▶ Weight 15.4kg

Flip Cam System. This rotates 180° under the frame for more comfort and a larger mattress area.

FX BEDCHAIR BAG

Following numerous requests from fans of our FX luggage range we now produce a bedchair bag under the FX banner.

CLU262	FX Bedchair Bag Large	£54.99
CLU263	FX Bedchair Bag Kingsize	£64.99

FEATURES

- ▶ Made from Cordura material
- ▶ Stiffened EVA carry handles
- ▶ Padded shoulder strap
- ▶ Heavy-duty 10mm double zips
- ▶ Available in Large (for standard Flatliner) and in Kingsize (for Kingsize Flatliner)
- ▶ Sized to allow space for a lightweight sleeping bag and pillow

ROYALE® BEDCHAIR STANDARD & XL

Despite its lower price tag, the three leg Royale bedchair is still incredibly comfortable - if we are being brutally honest, in our opinion it puts many other 'top end' bedchairs to shame! We have tried to keep the frame as flat as possible, as we know from the development of the Flatliner that the flatter the bedchair the greater your comfort. In addition we have used a very well-padded fleece mattress and two elasticated lumbar support mid-sections in order to further enhance the comfort factor. The Royale bedchair is also available in a wider, XL version for anglers who require a little extra room!

CBC037	Royale Bedchair	£149.99
CBC038	Royale XL Bedchair	£179.99

FEATURES

- ▶ Steel frame with hard-wearing, textured black powder coated finish
- ▶ Fully adjustable legs
- ▶ Two elasticated lumbar support mid sections
- ▶ Top and bottom ends are elasticated and eyeleted
- ▶ Hardwearing polyester outer
- ▶ Thick fleece-covered mattress
- ▶ Very compact when folded away
- ▶ Weight rating 160kg
- ▶ Standard weight 11.3kg
- ▶ Folded dimensions 84 x 80 x 22cm
- ▶ XL weight 12.4kg
- ▶ Folded dimensions 98 x 80 x 22cm

“Incredibly comfortable”

ROYALE® BEDCHAIR BAG

Part of the highly innovative and durable yet inexpensive Royale luggage range, this bedchair bag features a padded carry strap and robust zips and is the perfect solution to bedchair transportation.

CLU238	Royale Bedchair Bag Large	£44.99
CLU237	Royale Bedchair Bag XL	£49.99

FEATURES

- ▶ Available in Large (for standard Royale bedchair) and XL (for Royale XL)
- ▶ Fits most bedchairs on the market
- ▶ Sized to allow space for a light sleeping bag and pillow

Thick fleece covered padded mattress for extra comfort with hard-wearing polyester underside.

Easy to adjust Fox designed cam. Folds down to a very compact size for easy transport.

Frame coated with hard-wearing textured powder coating and elasticated at head and foot.

Available in Standard width (84cm) and XL width (98cm) to suit personal preference.

ROYALE

ROYALE® LOW CHAIR

Perfect for short day sessions or when you have a guest in your swim, this Royale Low Chair is suited to anglers of all descriptions.

FEATURES

- ▶ Padded fleece which rolls over the top of the chair so your neck and head are comfortable
- ▶ Hard-wearing polyester mattress
- ▶ Steel frame with hardwearing, textured black powder coated finish
- ▶ Adjustable legs with swivel mud feet
- ▶ Locking pin on back leg
- ▶ Lightweight and easy to carry
- ▶ Weighs just 4.1kg
- ▶ Frame width 48cm

CBC034 Royale Low Chair

£39.99

“The FX Combo Chair has been receiving its fair share of admiring glances at the Fox press days recently, and looks set to be another winner”

Carpworld

FOX NEW

Use 1

The FX Combo can be used as a conventional low chair...

Use 2

...and also as a bedchair buddy-style chair too...

Use 3

...finally the Combo can fit onto the front of your bedchair to allow you to sit in the bivvy doorway.

COMBO CHAIR

FX COMBO CHAIR

This multi-functional new FX Combo Chair is set to become a classic amongst carp anglers. Thanks to its clever design the chair can be used across a bedchair (like a traditional bed chair buddy), on the side of a bedchair (so you can sit in the front of your bivvy) or as a more conventional standalone low-chair.

FEATURES

- ▶ 10cm wider than the standard Flatliner for those 'wider' anglers
- ▶ Adjustable back leg
- ▶ Fully adjustable 'Twist-Lok' front legs
- ▶ Same fleece lined, high density foam padding as used on award-winning FX Flatliner bedchairs
- ▶ Padded head rest for extra comfort
- ▶ Retaining straps keep chair closed when being carried
- ▶ Removable, padded shoulder strap supplied for easy transportation
- ▶ Weight 5.5kg

CBC042 FX Combo Chair

£79.99

Simon Lee: "Very clever, will definitely be looking at buying one."

WARRIOR® XL ARM CHAIR

We have now added a bigger Warrior for those anglers that believe bigger is better.

- ▶ Natural green colours
- ▶ Comfortable arm rests
- ▶ Padded cover
- ▶ Easily foldable
- ▶ Four fully adjustable legs
- ▶ Weight 5.7kg

CBC043 Warrior XL Arm Chair £64.99

WARRIOR® ARM CHAIR

One of our best selling chairs of all time, the Warrior Arm Chair has a padded cover and adjustable front legs making it perfect for both long and short sessions alike.

- ▶ Natural green colours
- ▶ Comfortable arm rests
- ▶ Padded cover
- ▶ Easily foldable
- ▶ Adjustable front legs
- ▶ Weight 5.4kg

CBC033 Warrior Arm Chair £49.99

WARRIOR® COMPACT ARM CHAIR

In addition to the new XL Warrior Arm Chair we have also released a much smaller, more compact version.

- ▶ Compact design
- ▶ Natural green colours
- ▶ Comfortable arm rests
- ▶ Padded cover
- ▶ Easily foldable
- ▶ Four fully adjustable legs
- ▶ Weight 4.8kg

CBC044 Warrior Compact Arm Chair £49.99

FOX Sleeping Bags

The key to having a comfortable night's sleep on the bank is not only to have the right bedchair but to also combine that bedchair with the right sleeping bag. There is little point investing in a comfortable bedchair such as the Flatliner or Royale only to pair it up with a poor quality sleeping bag that leaves you feeling cold and irritable.

Over the past few years our award-winning range of EVO sleeping bags has grown in popularity and is now widely regarded by those in the know as the 'ultimate' range of sleeping bags covering the requirements of anglers on all budgets. Whether you are looking for extreme warmth, waterproofing, versatility, or a lightweight system you are sure to find the perfect bag within the EVO family.

Due to the quality and functionality of the current EVO range we have taken the stance of 'if it's not broken, why fix it?' and therefore we have not changed the bags for the year ahead. We have, however, added two new Kingsize versions of existing models to the range for use with our new FX Flatliner Kingsize bedchair.

Why You Need Off-Set Panelling In Your Sleeping Bag

Traditional sleeping bags are constructed with the panels stitched parallel to one another creating a straight line from which heat can escape and cold enter. The Fox Evo range features off-set panelling that vastly reduces heat loss, keeps you warmer and allows the hollow fill fibres to expand to their full potential. The result is a range of bags that keep you warm in the harshest winter weather.

"I have never used sleeping bags as warm, comfortable or practical as the EVO range!"

JOCÉLYN DUPRE

THE FOX RANGE

- ▶ Evo® Ventec® All-Season
- ▶ Evo® Ventec® Lite
- ▶ Evo® TS
- ▶ Evo® S
- ▶ Evo®
- ▶ Evo® Bag Covers
- ▶ FX Deluxe Pillows

COMMON FEATURES

The top and bottom of the bags feature an elasticated hood system to ensure a secure fixing to your bedchair.

Draughts are virtually eliminated thanks to internal and external draught-proof baffles.

A central offset and elasticated strap ensures that your bag is secured solidly to your bedchair.

A quick-release buckle can be used on the side of the bag that you don't want to exit from.

A heavy-duty anti-snap baffle stops the zip catching on the sleeping bag material and allows a quick exit from the bag when you get a run!

All Fox bags feature a silicone treated hollow fill fibre that expands quicker and for longer to produce a sleeping bag that's genuinely warmer.

SLEEPING BAGS

EVO® VEN-TEC® ALL-SEASON · EVO® VEN-TEC® LITE

EVO® VEN-TEC® ALL-SEASON

Our top-of-the-range Ven-Tec is often proven to be the warmest sleeping bag on the market and has won this title in two independent magazine tests when compared like-for-like with sleeping bags from other manufacturers. With the All Season you effectively get two bags in one due to its removable inner bag, which can be used by itself in summer, and with the outer in winter.

Now available in Kingsize for use with the new Kingsize Flatliner Bedchair

CSB012	Evo Ven-Tec All Season		£149.99
CSB022	Evo Ven-Tec All Season Kingsize	NEW	£179.99

FEATURES

- ▶ Waterproof Ven-Tec outer material
- ▶ High grade silicone treated hollow fill fibres expand quicker and for longer
- ▶ Off-set panelling prevents heat loss through stitch lines
- ▶ Reinforced Oxford Nylon 420 denier base
- ▶ Reversible inner allows you to choose between polyester or fleece lining
- ▶ Elasticated hoods top and bottom with offset central fixing to bedchair
- ▶ Heavy duty anti-snap internal zip baffle
- ▶ Internal and external draught-proof baffles
- ▶ Double 10mm quick release zips

INNER BLANKET
The inner blanket may be completely removed in warmer weather.

ALTERNATIVE LINING
The inner bag has polyester and fleece linings allowing you to choose which you prefer.

“An awesome Sleeping bag that is very well designed and incredibly warm”

Crafty Carper
Get Crafty... get catching!

EVO
VEN-TEC™

EVO® VEN-TEC® LITE

Thanks to a host of modern manufacturing techniques this bag is one of the most advanced of its kind. Being comfortable, waterproof, lightweight, warm and breathable, this bag will keep you cool when it's hot and warm when it's cold.

Now available in Kingsize for use with the new Kingsize Flatliner Bedchair

CSB021	Evo Ven-Tec Lite		£89.99

EXTREME WATER TESTING The Ven-Tec® All Season, Ven-Tec® cover and Ven-Tec® Lite are completely breathable and waterproof. They are manufactured from the same Ven-Tec® material as used in our top of the range domes and shelters!

SLEEPING BAGS

EVO® TS · EVO® S · EVO® · PILLOWS · BAG COVERS

EVO® TS

Designed as a year-round bag, the Evo TS offers superb comfort and warmth with its removable and reversible central blanket, which will keep you warm even in extremely low temperatures. This is another very versatile sleeping bag that offers great value for money, which has made it one of the top selling bags on the market in recent years.

CSB015 Evo TS

£109.99

100 x 210cm

4.8Kg

52 x 40cm

FEATURES

- ▶ Measures 100cm wide by 210cm long
- ▶ High grade silicone treated hollow fill fibres expand quicker and for longer
- ▶ Off-set panelling construction prevents heat loss through stitch lines
- ▶ Reinforced Oxford Nylon 420 denier base
- ▶ Reversible blanket is fleece-lined on one side and polyester on the other
- ▶ Elasticated hoods top and bottom with offset central fixing to bedchair
- ▶ Heavy duty anti-snap internal zip baffle
- ▶ Internal and external draught-proof baffles
- ▶ Double 10mm quick release zips
- ▶ 52cm x 40cm Compression bag

EVO® S

The Evo S benefits from a fully micro fleece lining creating warmth and the lining panel is stitched to prevent it sticking to your body as you move around at night. This bag is perfect for the warmer months on its own although with the addition of an EVO sleeping bag cover (available separately) it will comfortably tackle colder months too.

CSB016 Evo S

£79.99

100 x 210cm

3.7Kg

50 x 35cm

FEATURES

- ▶ Off set panelling construction prevents heat loss through stitch lines
- ▶ Ultra soft polyester peach skin material for extra comfort
- ▶ Reinforced Oxford Nylon 420 denier base
- ▶ Elasticated hood top and bottom with central fixing to bedchair
- ▶ Heavy duty anti-snap internal zip baffle
- ▶ Internal and external draught-proof baffles
- ▶ Double 10mm quick release zips
- ▶ 50cm x 35cm Compression Sack

EVO®

Don't be fooled by the low price of our standard Evo bag as our use of unrivalled sleeping bag technology means that the Evo actually outperforms many other company's 'top of the range' bags.

The Evo is very spacious, incredibly comfortable to sleep in and packed with features.

CSB017 Evo £69.99

FEATURES

- ▶ Off-set panelling construction prevents heat loss through stitch lines
- ▶ High grade silicone-treated hollow fill fibres, which expand rapidly trapping air and keeping you warm
- ▶ Ultra soft polyester peach skin material for extra comfort
- ▶ Reinforced Oxford Nylon 420 denier base
- ▶ Elasticated hoods top and bottom with central fixing to bedchair
- ▶ Heavy duty anti-snap internal zip baffle
- ▶ Internal and external draught-proof baffles
- ▶ Double 10mm quick release zips
- ▶ 48cm x 32cm Stuff bag

FX DELUXE PILLOWS

Fantastic new pillows under the FX banner that further enhance your sleeping comfort.

- ▶ Fleece on one side to keep you warm in winter
- ▶ Cotton on the other side to keep you cool in summer
- ▶ Case is removable so can be washed
- ▶ Available in Deluxe Kingsize (perfect for kingsize bedchairs/sleeping bags) and Deluxe (for standard sized bedchairs/sleeping bags)

CLU261 FX Deluxe Kingsize Pillow £24.99
 CLU257 FX Deluxe Pillow £19.99

EVO® BAG COVERS

The two Evo covers are perfect to use either as a light cover in warm, summer weather or as an additional layer on top of your main bag to provide an additional layer of warmth for harsh winter weather.

Both covers feature dual adjustable fixing straps for attaching to your bedchair and an inner fleece. Two versions are available: one with a peachskin outer, the other with a Ven-Tec® outer.

- ▶ Great for warm weather or as an extra cover in winter
- ▶ Inner fleece lining
- ▶ Adjustable fixing straps

CSB013 Evo Ven-Tec Cover £54.99
 CSB014 Evo Peachskin Cover £35.99

Luggage

Over the past couple of years our two ranges of luggage (FX and Royale) have built a fearsome reputation amongst anglers across the globe as being two of the most functional, practical, well-thought out and reliable ranges ever to be produced. This reputation pleases our dedicated product development team greatly as many hours and much money have been invested into the research and development of both ranges to make sure that they both meet the demands of our loyal customers.

When the team sat down two years ago to re-design our whole range of luggage their brief was simple – to raise the bar to a whole new level. The idea was to produce a range of ‘top end’ luggage, the crème de la crème if you like, utilising all of the very best materials. The result was our FX range, which it is fair to say is now widely established as one of the greatest luggage ranges ever released. In addition, we appreciate that not everyone can afford or justify buying FX luggage, so we designed a second range of more affordable products under the Royale banner. Don’t be fooled into thinking that due to its lower price tag the build quality has suffered. We have still utilised top quality materials on the Royale range, in fact some leading tackle experts have said that the Royale range is actually better than many other manufacturers top end luggage – a fantastic compliment.

Both ranges were designed to be functional, not just on the bank but also logistically when you are packing them or loading them into a car or onto a barrow. From flat, snag-free backs and strategically placed EVA handles to make loading of holdalls easier, to improved and strengthened double 10mm zips and high impact plastic buckles, no stone was left unturned.

So take your time and enjoy looking through our two luggage ranges. If you are on the lookout for some new luggage then you are sure to find exactly what you need in the coming pages...

“I have never known luggage ranges to be as well thought out or as good quality as these. In two and a half years of using various items from both ranges I have never had one single product let me down - impressive to say the least...”

MARK NOORMAN

THE FOX RANGE

- ▶ FX Range
- ▶ Royale® Range
- ▶ Trackta Barrows

WHY CHOOSE FX?

Since its launch two years ago our groundbreaking range of FX luggage has firmly established itself as one of the finest ranges of luggage ever made. Designed to meet the needs and wants of the modern angler and to withstand everything you can throw at it, the FX range is now the luggage of choice for many of Europe's leading magazine editors and high profile anglers.

You may be wondering what it is that makes the FX range of luggage sit head and shoulders above other ranges? Firstly there is the sheer attention to detail which has seen our in-house design team examine and evaluate every single item in the range on an individual basis. The brief when designing the range was simple – to make the most practical luggage, to the highest standards, whilst removing as much fabric as possible to keep the size and weight of each item to the bare minimum. And talking of fabric we have used the finest 1050 denier Cordura for every item in the FX range. This material is not only incredibly light, it is also both waterproof and very hardwearing. This means that when you purchase an item of FX luggage you're making a long term investment that will stand the test of time.

Many other luggage manufacturers will claim that their products have been designed by anglers for anglers, but it is only when you look closely at the design and functionality of the FX range that you realise that in our case it is actually true!

THE FX RANGE

- ▶ Rod Sleeves
- ▶ Rod Quivers
- ▶ Rucksack
- ▶ Carryalls
- ▶ Cooler Bags
- ▶ Bedchair Bag

FX LUGGAGE FEATURES

Ergonomically shaped zip pullers are moulded to the shape of your thumb.

Double 10mm zips are chunky and strengthened to ensure complete reliability.

Stiffened EVA grab handles are comfortable and help to spread the load efficiently.

Special 3D sculpting creates breathable non-slip shoulder strap padding.

All buckles and clips are made from heavy duty glass filled nylon making them very strong and hard wearing.

The 1050 denier Cordura used throughout is lightweight, durable and waterproof.

“One of the most innovative items of luggage we have ever seen”

TotalCarp
THE UK'S BIGGEST SALING-CARP FISHING MAGAZINE

6 ROD SLEEVE 3 UP 3 DOWN 13FT

- ▶ Houses 6 made up rods
- ▶ Padded dividers keep rods separate and protected
- ▶ Interior Velcro retaining loops with rubber tabs hold rods securely
- ▶ Base of padded dividers feature retaining pockets for banksticks and buzzers
- ▶ Ergonomically sculpted to be narrow in the middle and mould around the body when carried – allowing you to also easily carry a chair or bucket
- ▶ Stiffened EVA grab handles either side for easy loading
- ▶ Reversible shoulder strap with breathable 3D moulding
- ▶ Two external zipped lead retaining pockets
- ▶ Back stiffened with PU board to strengthen the sleeve
- ▶ Sized to house big pit reels and rods with 50mm butt rings
- ▶ Landing net pocket on exterior

CLU251 6 Rod Sleeve 3 up 3 down 13ft

£169.99

The 6 Rod, 5 Rod and Tri Sleeve all feature two external zipped lead retaining pockets.

5 ROD SLEEVE 3 UP 2 DOWN 13FT

- ▶ Two padded dividers keep rods separate and protected
- ▶ Interior Velcro retaining loops with rubber tabs hold rods securely
- ▶ Base of padded dividers feature retaining pockets for banksticks and buzzers
- ▶ Ergonomically sculpted to be narrow in the middle and mould around the body when carried - allowing you to also easily carry a chair or bucket
- ▶ Stiffened EVA grab handles either side for easy loading
- ▶ Reversible shoulder strap with breathable 3D moulding
- ▶ Two external zipped lead retaining pockets
- ▶ Back stiffened with PU board to strengthen the sleeve and keep reels separate
- ▶ Sized to house big pit reels and rods with 50mm butt rings

CLU202 5 Rod Sleeve 3 up 2 down 12ft £119.99

"I very rarely stick my neck on the line and say that a product is the best on the market, but if there's a better triple rod sleeve out there then I haven't seen it yet"

CarpFishing MARC COULSON
Group Editor

TRI SLEEVE 12FT & 13FT

- ▶ 13ft now available for anglers that love the 12ft Tri Sleeve but own 13ft rods
- ▶ With all of the features of the revolutionary 5 Rod Sleeve, but designed to house three made up rods
- ▶ Two external lead pockets
- ▶ Padded internal dividers for complete rod protection
- ▶ Internal bankstick and buzzer pouches
- ▶ Sculpted to accommodate rods with 50mm butt rings and big pit reels

CLU201 Tri Sleeve 12ft £94.99

CLU253 Tri Sleeve 13ft **NEW** £119.99

Cover easily adapts for 12 or 13ft rods.

5 ROD QUIVER COVER

- ▶ Adapts to fit either 12 or 13ft rods in or out of rod jackets with a unique 'buttonhole' system which both secures the cover and supports the quiver
- ▶ Accommodates rods in or out of jackets and supplied with external jacket clips and Velcro fastenings; the clips tuck away if not in use so as not to scratch rod blanks
- ▶ EVA grab handles at both sides and front to facilitate easy loading
- ▶ Reversible shoulder strap with 3D breathable strap
- ▶ Compression strap to secure reels with a neoprene-lined rod retaining strap
- ▶ External bankstick pocket
- ▶ Padded for total protection
- ▶ Top of cover has a hard insert to protect your rods
- ▶ Central compartment accommodates a Warrior or Supa Brolly's or a Reflex bivvy

CLU203 5 Rod Quiver Cover

£139.99

5 ROD QUIVER HOLDALL

- ▶ Ingeniously places bankstick, storm pole and landing net pockets inside the holdall to give a flat external base for ease of loading
- ▶ Stiffened EVA handles at the sides and front for easy loading into car or onto barrow
- ▶ Outer houses five made-up rods with a zipped cover and Velcro secured flap to protect tips and a PVC lining to prevent hooks from snagging
- ▶ Padded inner compartment
- ▶ Reversible shoulder strap with 3D moulding
- ▶ Reel compression strap
- ▶ Velcro loop rod fastenings
- ▶ Central compartment accommodates a Warrior or Supa Brolly's or a Reflex bivvy

CLU200 5 Rod Quiver Holdall

£149.99

Full Holdall -
12ft 3 up 2 down
(13ft also available)

FX HOLDALL 3 UP 2 DOWN

- ▶ Completely flat sided panel for ease of loading
- ▶ PU board stiffening for extra protection
- ▶ Aluminium spine
- ▶ Breathable and non-slip 3D shoulder strap
- ▶ Side and front mounted stiffened EVA grab handles for easy lifting and loading
- ▶ Internal compartment stores a shelter with zipped and buckled pockets for banksticks and storm rods
- ▶ Main rod compartment houses five rods with sculpting to accommodate 50mm butt rings
- ▶ Velcro-sealed rod tip protection flaps at either end
- ▶ Upper reel housing may be unzipped and a blanking panel inserted to quickly transform the holdall from a 5 rod into a 3 rod

- ▶ Five external pockets:
 - Front pocket houses large double F Box
 - Lid pocket houses permits and smaller items
 - Single large side pocket holds a Large and Small Accessory Bag
 - Double side pockets are staggered. The upper holds a Small Accessory Bag, the lower a large one
- ▶ Fully adjustable harness with breathable, non-slip 3D moulding on the straps and back with adjustable waist and chest straps for ultimate carrying comfort
- ▶ Harness may be completely zipped away to give a totally flat base
- ▶ Drawcorded closure for top of main compartment
- ▶ Moulded EVA base
- ▶ Zip down flat back allows the rucksack to be accessed and used both upright as a 'standard' rucksack or flat on its back as a barrow-style bag
- ▶ All pockets feature 2-way zips with approximately 270 degree opening to allow the rucksack to be used horizontally in barrow bag style
- ▶ Strategically placed EVA grab handles

CLU206 55L Rucksack

£99.99

Harness may be completely zipped away to give a totally flat base.

Richard Evans: "The best luggage I have ever owned!"

CARRYALL LARGE

- ▶ Moulded base
- ▶ Four external pockets:
 - Front pocket will house a large double F Box
 - Top pocket is sized to hold an FX Stiff Rig Wallet
 - Zipped, tinted PVC lid pocket
 - Side pockets each have Velcro-fastened meshed front pouches and hold a medium double F Box
- ▶ Same excellent features as throughout the FX range such as double 10mm zips, stiffened EVA handles and Cordura fabric
- ▶ Designed to house all of your essential tackle items such as weighing scales, head torch, PVA dispensers, spare clothes, baiting tools etc

CLU221 Carryall - Large £84.99

CARRYALL MEDIUM

- ▶ Moulded base
- ▶ Front pocket will house a large single F Box
- ▶ Side pockets each have Velcro-fastened meshed front pouches
- ▶ Same excellent features as throughout the FX range such as double 10mm zips, stiffened EVA handles and Cordura fabric

CLU263 - W 92cm - H 90cm - D 30cm

BARROW BAGS

Each year more and more anglers are using barrows to transport their tackle to and from their swim when fishing. With so many now using barrows we felt it only right that we produced a series of bags that are designed especially for this mode of transport to ensure maximum storage and efficiency.

BARROW BAG LARGE

- ▶ Designed to fit all barrows and maximise storage and packing space both in your swim and on the way to and from it
- ▶ Massive main compartment capacity
- ▶ Four exterior pockets with Velcro secured mesh pouches:
 - Large front pocket holds a large double F Box
 - Smaller front pocket holds one large or two small FX Accessory Bag
 - Side pockets have Velcro secured mesh pouches and each hold a large single F Box
- ▶ Moulded base and lid
- ▶ PU boards in sides give a totally rigid body
- ▶ EVA grab handles on both sides for easy lifting and loading
- ▶ Removable shoulder strap
- ▶ Three zipped mesh pockets inside lid
- ▶ Same excellent features as throughout the FX range such as double 10mm zips and Cordura fabric

CLU198 Barrow Bag - Large

£139.99

BARROW BAG MEDIUM

- ▶ Boasts the same key features as the larger version but with a smaller storage capacity
- ▶ Front pocket holds a large double F Box
- ▶ Side pockets have Velcro secured mesh pouches; one will house a medium double F Box the other a medium single F Box
- ▶ Three zipped mesh pockets inside lid

CLU199 Barrow Bag - Medium

£119.99

TRACKTA BARROW WHEEL BAG

- ▶ Houses a Trackta Barrow wheel (not included) to keep your car clean and tidy
- ▶ Lined easy clean inner surface
- ▶ Double zipped top
- ▶ PU stiffened
- ▶ Top EVA stiffened grab handle

CLU227 Trackta Barrow Wheel Bag £29.99

TRACKTA UNDER BARROW BAG

- ▶ Detachable bag designed to loop over the frames of our Trackta Barrows and provide a massive capacity storage area under the main bed of the barrow
- ▶ Secured by heavy duty buckles
- ▶ Retaining straps prevent bag obstructing barrow wheel(s) when in use
- ▶ Massive storage capacity
- ▶ Top secured by double-zipped lid
- ▶ PU board in top and bottom to retain bag shape and rigidity

CLU226 Trackta Under Barrow Bag £44.99

Trackta Under Barrow Bag
DIMENSIONS
CLU226 - W 57cm - H 30cm - D 37cm

TRACKTA FRONT BARROW BASKET

- ▶ Designed to fit the front of your Trackta Barrow to maximise space and ensure you have a storage area immediately at hand for key items you may need quickly
- ▶ Moulded base
- ▶ Houses the most popular sizes of water bottles by means of Velcro secured dividers (water bottle not included)
- ▶ Sculpted sleeving fits quickly and snugly onto the front of Trackta Barrows
- ▶ PU boarded lid to retain shape

CLU225 Trackta Front Barrow Basket £39.99

Trackta Front Barrow Basket
DIMENSIONS
CLU225 - W 61cm - H 31cm - D 14cm

BUZZ BAR BAGS

- ▶ The perfect storage solution for transporting your banksticks, buzz bars, bite alarms and other essentials
- ▶ Feature Velcro loops for holding buzz bars in place
- ▶ Well padded for ultimate protection
- ▶ Double 10mm zips
- ▶ Standard and XL available

CLU246	Buzz Bar Bag Standard	£24.99
CLU247	Buzz Bar Bag XL	£34.99

RIGID LEAD AND BITS BAG

- ▶ Solid insert to prevent buckling
- ▶ Zipped, PVC window pocket in lid
- ▶ Stiffened EVA handle
- ▶ Keeps all of your leads and smaller tackle items perfectly compartmentalised

- ▶ Stiffened EVA handles

CLU208 Lined Bucket Large £29.99

DIMENSIONS

CLU208 - Ø 30cm - H 25cm

WHY CHOOSE ROYALE®?

Although Royale is our 'entry-level' luggage range, do not be fooled into thinking that this range is found lacking in terms of quality and functionality. In fact it is much better than a lot of other companies top level ranges!

Throughout the whole Royale range you will find our tough, tear and water resistant 1200 denier treated polyester material plus chunky, strengthened 10mm double zips and soft-touch pullers. As with the FX range all carry handles are made from stiffened EVA allowing them to fit neatly in your hand to help spread the load when carrying. Furthermore you will find that the padded sections on the shoulder straps have been carefully looked at and constructed from moulded EVA. This is fixed in position to prevent slipping whilst in use - a small point but a key one for enhancing your carrying comfort. As you would expect, they are also quick and easy to adjust to suit your own individual requirements.

Quality performance, at an affordable price, was at the top of our list when designing the Royale range and as a result all of the buckles and clips have been manufactured from heavy-duty, shatter-proof nylon, which helps to prevent them from becoming brittle in cold temperatures. Also, rather than 'bog-standard' black, they are now a very sexy carpy green colour. You'll also find strengthened scuff pads, where needed, to protect bases and, to add that little touch of individual style, the webbing is specially embossed with the Fox logo and all items are finished with the smart, black and white Royale logo.

Winner of best carp fishing luggage range!

THE ROYALE RANGE

- ▶ Rod Holders & Rod Quivers
- ▶ Rod Slings
- ▶ Cooler Food Bag System
- ▶ Dinner Sets & Mugs
- ▶ Rucksack
- ▶ Carryalls
- ▶ Accessory Bags & Wallets

ROYALE LUGGAGE FEATURES

Stiffened EVA carry handles are comfortable and help to spread the weight.

Toughened scuff pads are fitted to bases where required to prevent damage.

Specially strengthened and chunky double 10mm zips are standard throughout the range.

Fixed and moulded EVA padding prevents straps from sliding whilst in use.

All buckles and clips are made from shatter-proof nylon ensuring they stand the test of time.

Tear and water resistant 1200 denier treated polyester is used throughout the range to ensure durability.

3 Rod Sleeve 13ft Holdall. (12ft also available)

3 ROD HOLDALL

- ▶ Fully padded with large, central padded divider to fully protect your rods

TRACKTA BARROWS

Strap and bungee attachment loops are strategically positioned on the frames to help ensure you have a stable load.

Width adjustment on the Trackta XT Plus is quick and secure with cam locks on the side supports.

Our simple frame system makes removal and replacement of wheels quick and easy.

Handles are easily adjusted and secured and our engineering has minimised lateral movement.

TRACKTA XT PLUS BARROW

Constructed from robust, hi-tensile, thick-walled 1.5mm steel for strength combined with a compact, quick to assemble fold flat frame, the Trackta XT Plus offers the ultimate fishing tackle transport solution. With a bespoke range of luggage to fit it, and a host of practical features, the Trackta XT is quite simply the ultimate tackle transport system.

CTR005	Trackta XT Plus Barrow	£179.99
CTR006	Trackta XT Plus Barrow Wheel and Frame	£34.99

FEATURES

- ▶ Extra wide design to fit all of your kit
- ▶ Quick and simple cam lock width adjustment
- ▶ Quick release wheel system
- ▶ Double brackets for fitting of a second wheel (available separately)
- ▶ Bungee/compression strap attachment points on frame
- ▶ Extendable (5 position) and ergonomically shaped handles
- ▶ Low profile
- ▶ Swivelling mud feet with spiked bases for extra stability
- ▶ Robust, heavy-duty puncture proof tyre

TRACKTA PLUS BARROW

The Trackta Plus shares all of the features of the Trackta XT Plus, but does not have the side support bars making it lighter in weight and truly great value for money.

CTR004	Trackta Plus Barrow	£149.99
--------	---------------------	---------

A quick change system allows you to change from single to double wheel in seconds and our tyres are puncture proof - so you never get a flat!

FOX Rods

Within our carp rod programme we have spent countless hours on research and development to produce a range of rods to cover all bases and price brackets. So whether you are looking for outstanding value for money, an all-rounder or a rod that can deliver out and out top-end casting performance, you are sure to find something that suits over the coming pages.

Such has been the success of the Horizon XT, Horizon, Ranger XTS and Warrior S ranges over the past year we have kept all models for 2013, and simply added a few extra options such as a new 10ft 3.5lb in the Horizon range. We have, however, added a new top-end model called the Horizon XTK, which features the revolutionary Fuji K-Series guides. This rod has a custom-built look and feel and is designed to be a pure out and out casting machine for anglers that need those all-important extra few yards. Finally we have also kept our range of 'Stalker' rods that cover all bases for those anglers that like to take the mobile, single rod approach...

"Having confidence in your fishing rods is vital, especially if like me you are often blasting 4oz leads well in excess of 120yds. I can honestly say that I have total faith in these rods, they have never let me down..."

TOM MAKER

THE FOX RANGE

Steven Wickens: "The rods look the nuts."

HORIZON® XTK

Such has been the success of our Horizon XT rods over the past two years we felt that, with new materials and technology being available to us, the time was right to raise the bar further and take casting rods to a whole new level. The result is the stunning new Horizon XTK, which we think you will agree is a real work of art.

Based on the original XT blank, the XTK features Fuji K-Series guides including a 50mm butt, which is especially designed to reduce frap-ups and to channel your line faster through the rings to help your casts go further. Like the XT's there are only two models available, these being a 12ft 3-5oz (10% stiffer than standard XT) and a 13ft 3-5oz (5% stiffer than standard XT).

CRD186	Horizon XTK 12ft 3-5oz	£329.99
CRD187	Horizon XTK 13ft 3-5oz	£369.99

FEATURES

- ▶ 50mm Fuji K-Series Butt Ring
- ▶ Single leg Fuji K-Series guides on tip section
- ▶ Very fast tip recovery speed
- ▶ Black, 18mm Fuji DPS reel seat
- ▶ Ergonomically tapered butt grips
- ▶ Understated graphics give a 'custom build' look
- ▶ Low resin carbon with 1K wrap for distance casting
- ▶ Black whippings and laser-etched butt cap

The Horizon XTK features a 50mm Fuji K-Series butt ring, which channels your line on the cast to prevent 'frap ups' and greatly aids the distances you can achieve.

"If you are a specialist big caster after a specialist casting tool then these new XTKs are well worth giving further consideration"

Fox SLIK guides including 50mm butt ring

Line friendly line clip

16mm tip ring

Glenn Crosbie: "I have 12ft Horizon XT 3-5oz and I love em and good under the tip as well. I've done 150+ yards cast on these at the show last year that's why I got them and glad I did"

HORIZON® XT

The Horizon XT is perfect for those of you who cannot justify the extra expense of our top-end Horizon XTK rods but still want to be able to achieve great distances. The XT is an award-winning rod that has won comparison tests in magazines across Europe, a prime example of this was when it won the 'Best Distance Casting Rod' in Crafty Carper magazine when then editor Jerry Bridger achieved a mammoth cast of 197 yards!

CRD149	Horizon XT 12ft 3-5oz	£289.99
CRD150	Horizon XT 13ft 3-5oz	£299.99

FEATURES

- ▶ Fox Slik guides (50mm butt-16mm tip)
- ▶ 18mm Fuji DPS reel seat
- ▶ Fast tip recovery
- ▶ Surprisingly forgiving playing action
- ▶ Ergonomically tapered butt grips
- ▶ Understated graphics give a 'custom build' look
- ▶ Low resin carbon with 1K wrap for distance casting

“Very impressive, the best rod Fox have ever produced”

Crafty Carper
Get Crafty... get catching!

HORIZON® XT SPOD

The award-winning Horizon XT Spod rod offers incredible value for money and has built quite a reputation due to the fact it can put spods further than rods that sell for twice its price! The Horizon XT is available in both 12ft and 13ft with the latter version best described as 'an animal'.

CRD151	Horizon XT Spod 12ft	£179.99
CRD158	Horizon XT Spod 13ft	£189.99

HORIZON® XT MARKER

Our Horizon XT Marker Rod has a 4lb test curve that ensures your marker float can now go as far as your rigs and free offerings. An added bonus of this stiffer than average marker rod is that its tip sensitivity is also increased dramatically meaning that you feel a lot more of what is happening under the water.

CRD152	Horizon XT Marker 12ft	£179.99
--------	------------------------	---------

Carl Hughes: "I just bought the Horizon XT rods on a brilliant deal and used em this weekend best rod I eva put my mits on fantastic rod."

@KrisBell44: "Took delivery of my new rods today. 3.5tc Horizons with 50mm butt ring by @FoxInt they look the nuts can not wait to use them at weekend #mint"

HORIZON®

Horizon rods combine stunning looks with outstanding functionality, which has helped to make them one of the most popular carp rods of the past two years. The low resin carbon blank uses a combination of a 3K overwrap on the butt section to give stiffness and power, with a 2K overwrap on the top section to increase tip speed. They have a remarkably thin blank and really are an absolute joy to play even the hardest fighting of carp on.

We have introduced one new model to the Horizon range for 2013, which is the 10ft 3.5lb for anglers who use bait boats or rowing boats to get their bait out.

CRD165	Horizon 10ft 3lb	£184.99
CRD188	Horizon 10ft 3.5lb	NEW £169.99
CRD143	Horizon 12ft 2.75lb	£179.99
CRD144	Horizon 12ft 2.75lb Full Cork	£194.99
CRD145	Horizon 12ft 3lb	£184.99
CRD164	Horizon 12ft 3lb Full Cork	£199.99
CRD146	Horizon 12ft 3.5lb	£189.99
CRD147	Horizon 12ft 6ins 3.5lb	£194.99
CRD148	Horizon 13ft 3.5lb	£199.99

FEATURES

- ▶ Low resin carbon with 3k wrap on butt and 2k wrap on tip
- ▶ 50mm butt on all 3.5lb test curve models
- ▶ Ergonomically tapered butt grip
- ▶ Understated graphics

Full cork available in 2.75lb and 3lb.

Line friendly line clip.

Unique Fox SLIK guides.

Fuji 18mm DPS reel seat.

RANGER® XTS

The Ranger XTS has proved remarkably popular since its launch last year. Priced to fit in between the Warrior S and Horizon's, the Ranger XTS really does offer outstanding value for money. The XTS's are real all-rounders and are equally as comfortable casting long distances with PVA bags as they are being used at short range and for margin work.

FEATURES

- ▶ High modulus, low resin carbon blank with 3k wrap on butt
- ▶ Parabolic through action
- ▶ Fox SLIK guides
- ▶ 50mm butt ring on all 3.5lb versions
- ▶ Gunsmoke cappings
- ▶ Full Cork available in 2.75lb and 3lb

@jonathan_sharpe: "I banked my UK PB with a lovely 16lb 5oz mirror. Fox Warrior S carp rod is awesome"

WARRIOR® S

The multi award winning Warrior S range needs very little introduction as it has, for many years now, been one of the most popular 'budget' carp rods on the market. The Warrior S is the slimmest and lightest Warrior to date and also offers far better all-round performance than ever before.

If you are on a tight budget, but wish to have the very best rods for your money, you cannot go wrong with the legendary Warrior S range...

CRD177	Warrior S 10ft 2.75lb	NEW	£64.99
CRD137	Warrior S 12ft 2.75lb		£69.99
CRD138	Warrior S 12ft 2.75lb Full Cork		£89.99
CRD139	Warrior S 12ft 3lb		£69.99
CRD163	Warrior S 12ft 3lb Full Cork		£89.99
CRD140	Warrior S 12ft 3.5lb		£79.99

WARRIOR® S MARKER

This stylish marker rod benefits from many same features as the other rods in the Warrior S range and offers unrivalled value for money. It has a stiff 3lb test curve that allows you to cast marker floats a very long way and also helps you feel every little knock and bump on the lakebed when feature finding.

CRD142	Warrior S 12ft 3lb Marker	£69.99
--------	---------------------------	--------

FEATURES

- ▶ DPS-style reel seat and Fox Slik guides
- ▶ Whipped markings at 6ins (15cm) and 12ins (30cm) for easy depth location
- ▶ Stiff 3lb test curve allowing for long casts and also transmitting the topography of the lakebed

FEATURES

- ▶ Fox Slik guides (40mm butt to 14mm tip)
- ▶ DPS-style 18mm reel seat with reinforced steel collar
- ▶ Matt black, understated finish
- ▶ Euro Warrior S comes in full gloss finish
- ▶ Full Cork available in 2.75lb and 3lb test curves
- ▶ Line-friendly CAD-engineered line clip
- ▶ Laser engraved gunsmoke butt cap

"The Warrior S carp rod is a multi-award winner!"

WARRIOR® S SPOD

The Warrior S Spod is a very impressive piece of kit that has a 5.5lb test curve and is more than capable of casting a loaded spod well in excess of 140yds.

CRD141	Warrior S 12ft 5.5lb Spod	£69.99
--------	---------------------------	--------

FEATURES

- ▶ DPS-style reel seat
- ▶ Fox Slik Guides
- ▶ Outstanding value for money
- ▶ 5.5lb test curve
- ▶ Complements other rods in Warrior S range

STALKER® APPLICATION RODS

The Stalker range of application rods are classically good looking. They feature slim, lightweight and responsive blanks and have been finished beautifully with full cork handles and understated graphics. Whatever your stalking needs you are sure to find a rod that will meet them.

CRD153	Stalker Float 12ft 1.5lb (2pc)	£129.99
CRD154	Stalker 9ft 2.75lb (2pc)	£124.99
CRD155	Stalker 6ft 2.75lb (1pc)	£109.99
CRD156	Stalker 12ft 2.25lb (2pc)	£129.99

FEATURES

- ▶ High quality low resin carbon blanks
- ▶ 2 and 3K carbon wraps
- ▶ Full cork handles
- ▶ Fox SLIK Guides
- ▶ Gunsmoke cappings
- ▶ Fuji 18mm DPS reel seat

“Being a versatile angler means I always carry my stalking tackle with me on a session and the Fox range of Stalker rods are the best I have ever used”

MARK PITCHERS 

STALKER® 1.5LB FLOAT

Designed to offer a lightweight setup for float fishing for carp, this rod perfectly balances out lighter lines and smaller hooks. This lets you adopt a subtle approach and still be confident that the rod will absorb all of the lunges, protecting both your line and hookhold. Also a perfect surface fishing this rod, it is just as at home on a commercial fishery in the UK as it is on a Dutch canal float fishing for monsters.

Guides are sized and spaced as for a traditional float rod.

STALKER® 9' 2.75LB

This two piece stalking rod is small and tough enough to cope with big fish in snags, yet has enough poke to put leads further if required. The perfect rod for small intimate ponds, lakes and canals, or even boat work on European venues where our consultants are fishing them afloat in sets of three for very serious fish.

Guide sizes: 30mm butt to 10mm tip

STALKER® 6' 2.75LB

Just the rod for getting up close and personal in snags and pads, this single piece 6ft rod feels perfectly at home in the tightest of swims. A 2K wrap gives decided power to the full through action, so the rod is soft but not so soft that you can't bully fish away from danger.

Guide sizes: 25mm butt to 10mm tip

STALKER® 12' 2.25LB

This 12' stalking rod is simply a joy to play fish on with a lovely through action and enough grunt to steer fish away from snags or through weed. Used by many of our consultants as a floater rod, it is perfect for flicking out controllers. However it is equally at home setting traps in the margins or fishing medium range if required. It is a superbly versatile stalking rod for a range of applications where space isn't restricted.

Guide sizes: 30mm butt to 10mm tip

FOX Reels

Over the past few years our reels have been growing quite a reputation for unrivalled value for money. This is very pleasing to hear as our CAD engineers and product development team have worked tirelessly to produce reels that not only look the part but also perform to a high standard too.

The thought process and innovation which has gone into our complete range of reels has been lead by carp anglers, meaning that when you purchase a Fox reel you can be safe in the knowledge that you are buying a reel purposely designed for carp fishing and not one designed for sea fishing that has been given a makeover to keep carp anglers happy!

Within our range you will find a reel to suit all of your needs from our great Stratos FS7000e for stalking, to our Stratos FS1000e for small water carping and specialist angling. Our 'Big pit' style carp reels, in the form of the 12000S, 12000FS and the top end 12000XT magnesium reel, offer outstanding casting performance.

All Fox reels come supplied with a free spare spool as standard and have been manufactured to the highest quality so if you are on the lookout for a new reel, which offers outstanding performance at unrivalled value for money, then you are sure to like what will follow...

"Having recently joined the Fox team in Germany I am totally blown away by the quality of their products, and the reels? Well they are very impressive!"

- ▶ Stratos FS 7000E

REEL FEATURES

Computer designed to give ultimate balance, producing ultra smooth performance with no wobble and prolonging the life of the internal mechanism.

The special shaped line roller runs on a high performance bearing that dramatically reduces line twist and prolongs the life expectancy and breaking strain of your line.

Our stainless steel ball bearings are ultra high quality to deliver a smoother, friction free performance.

A spring-loaded clip with 'cushion seating' stops line damage and allows you to hit hotspots with great accuracy time after time.

Ergonomically sculpted soft-touch handle grips are comfortable and secure, even in very cold or wet conditions.

A high performance one way stainless steel roller bearing is incorporated to reduce any free play of the handle when the reel is set in anti reverse mode.

Ultra Slim black handle folds down quickly for easy transport.

Slow Spool Oscillation produces outstanding line lay.

Slim, robust magnesium body reduces weight and increases strength.

Knurled handle screw is easy to handle in the wet.

12000 XT

This sexy-looking black 12000 XT features a lightweight magnesium body, rotor and side plate, which not only makes it incredibly light (just 670g) but also very strong and hard-wearing. Since its release 15 months ago the XT has built quite a following amongst those carp anglers who want a reel with top end performance, which is actually nice to look at and use too!

One of the stand-out features of the XT is its incredibly slow spool oscillation, which gives unbelievable line lay.

FEATURES

- ▶ Quick Front Clutch with grit guard
- ▶ Pro Cast Lip on spool
- ▶ Twist Free Roller
- ▶ Mesh-Tec gearing system
- ▶ Anti-Backlash system
- ▶ Rotor line guards
- ▶ Sprung line clip
- ▶ CNS system
- ▶ Ultra-slim black handle
- ▶ Gear ratio: 4.5:1
- ▶ 15 stainless ball bearings + 1 roller bearing
- ▶ Spare continental spool supplied

“A few cosmetic highlights outshine any of their competitors”

12000 FS

For those of you that like your reels to have a free spool facility we have the eye-catching 12000 FS, which was the reel of choice for Fox consultant Ian 'Chilly' Chillcott when he won the 2011 World Carp Champs in America taking 122 hard-fighting carp from the mighty St. Lawrence river in the process! Best described as a true workhorse of a reel, the FS features a hard-wearing graphite body plus the Free Spool facility from which it gets its name. Located at the rear of the reel the Free Spool is an incredibly handy feature as it disables the main clutch to allow line to be taken smoothly when a carp picks up your hookbait and bolts off.

CRL053 12000 FS

"A very sultry little number that can handle all fishing situations with an efficiency we've come to expect from Fox gear"

Crafty Carper
Get Crafty... get catching!

STRATOS FS 10000E

The FS 10000E balances perfectly with most carp or pike rods and is designed to deliver the goods whether you are casting heavy leads or chucking big method feeders or PVA bags in search of carp or big deadbaits or fish sections in pursuit of pike or cats.

The 5.5:1 gear ratio delivers serious cranking power and it's supplied with both single and double handles so you can choose whichever best suits your style of fishing. In addition you will find a whole host of advanced reel technology including the famous Slow-Oscillation System which delivers 10 coils of line on the spool per linear oscillation to give the immaculate line lay which enhances distance casting and line management.

You will also find a twist-free roller, our Anti-Backlash and Free Spool Systems and a sweet multi-disc front drag, which keeps you in perfect control of whatever you hook!

Line Roller has built-in ball bearing and is shaped for reduced line twist.

Fox Free Spool facility has sensitive adjustment for perfect set-ups.

FOX Bite Alarms

It was more than 20 years ago when Fox released the very first Fox Micron. Back then they completely set new standards and despite moving on some two decades the story has changed little with market leading bite alarms and Fox going hand in hand. It is our drive and determination to continue to produce products superior to the competition that means that when you purchase a Fox bite alarm you can be safe in the knowledge that you are investing in the very best there is!

Within the range we have tried to cover every angler's needs, both technologically and also financially. So whatever your requirements, you can be sure that there is a Fox Micron in our range that will be right up your street.

From our hugely popular entry-level Micron M+ series, right through to the state-of-the-art, multi-award winning NTXr alarms, we have put quality, reliability, performance, design, functionality and value for money at the top of our list of priorities. The results, as you will see for yourselves over the coming pages, are truly remarkable...

TRAC WATER TESTED

As you would expect ALL Fox Micron alarms are subjected to a stringent testing procedure and those which carry the 'Water Tested' sticker have been subjected to a rigorous water testing procedure before they leave the factory.

Certificate of Testing

Fox International Group Ltd
52-58 Fowler Road
Walsby, Nottingham

"I have been using Fox Microns for more years than I care to remember simply because they are the best there is, the best there was and the best there ever will be!"

MICRON® N SERIES

At the forefront of alarm technology, the top-of-the-range N Series are designed to offer an unparalleled level of reliability and functionality. The alarms have a huge array of features to help improve bite detection. The N Series takes bite indication to a whole new level and will help you to put more carp on the bank.

With a proven track record in both the UK and Europe the Micron N Series are the alarms of tomorrow - available today!

FEATURES

* Some features are only found on the NTXr model.

Multi-colour LED with Colour Sync

Auto Night Light

Silent Start-Up

Tru-Run™

Cone Speaker

Volume, Tone, Sensitivity

CONE SPEAKER

A waterproof cone speaker delivers the crispest sound possible through the entire tone range so you can turn the volume down yet still hear it at distance.

SILENT START-UP

As required by many top anglers our N Series features a silent start-up for stealth fishing situations.

AUTO NIGHT LIGHT

If required a built-in sensor will automatically activate a subtle night light when light levels fade.

BATTERY

N Series alarms are powered by two standard AA batteries and the NTX Receiver three. Electronics and software on all alarms are optimised to maximise battery life.

Multi-colour LED with Colour Sync

Simple push button selection of your preferred colour: red, blue, green, cyan, purple or white. Whichever colour you select automatically syncs to the NTX Receiver. N Series LEDs are also super bright for excellent daylight visibility.

Volume, Tone, Sensitivity

Three front dials allow you to vary volume, tone and sensitivity to cater for all situations and eight settings allow for minute adjustments. Coupled with our proven See-Saw Elimination feature, Intelligent Sensitivity helps reduce false indications.

EASY MICRON REGISTRATION

Simply turn off all Microns, switch on the NTX Receiver, push the sync button and then turn on the alarms in the desired order - that's it, sync complete!

TRU-RUN™

A CNC-machined roller provides silent and super slick bite detection.

WEATHER-PROOF

The body, battery compartment and each dial are individually sealed and those displaying the Water Tested sticker have been stringently tested before leaving the factory.

ULTRA LONG RANGE™

The NTXr offers a massive signal range meaning you can use it with confidence in any terrain.

DIGITAL CIRCUITRY

All Fox Microns run on the latest digital circuitry for optimum performance and reliability.

D-TEC™ SENSING SYSTEM (DTSS)

This top-secret Fox feature makes the alarms reliable and durable, out-performing all others on the market. The new N Series alarms don't include reed switches - usually the first part to break if an alarm is dropped or knocked.

ANTI-THEFT ALARM

We've built in a system which alerts you if your Microns are switched off.

MICRON® NTX-R

Compatible with the NTX Receiver, the award-winning Micron NTXr alarm is the cream of the crop when it comes to bite indication and offers totally unrivalled performance. It is packed full of innovative features including our unique D-Tec Sensing System (DTSS) which eliminates the need for the reed switches used in other alarms. With a host of groundbreaking features including precise volume, tone and sensitivity adjustment, massively enhanced battery life, multi-colour LEDs with our Colour-Sync system and a long distance receiver range, there simply is no better bite alarm on the market.

CEI095	Micron NTXr	£199.99
CEI098	Micron NTXr 3-Rod Presentation Set	£799.99
CEI099	Micron NTXr 4-Rod Presentation Set	£999.99

FEATURES

- ▶ Tru-Run roller wheel for super slick bite detection
- ▶ D-Tec Sensing System (DTSS) for durability
- ▶ See-Saw Elimination to reduce false indications
- ▶ Drop back differential
- ▶ Multi-colour LED
- ▶ High quality cone speaker
- ▶ Volume control with silent mode
- ▶ Tone control
- ▶ Intelligent Sensitivity Control
- ▶ Power out socket
- ▶ Range test facility
- ▶ NTX Receiver compatible
- ▶ Auto night light
- ▶ Powered by 2 x AA batteries
- ▶ Supplied with hardcase

NTXR PRESENTATION SETS

The NTXr Presentation sets are available in 3 and 4 rod options and provide everything you need for a complete 'top of the range' set-up, all housed in a protective case for safe transportation to and from a venue. The presentation sets offer a considerable saving when compared to purchasing the individual items separately.

MICRON® NTX RECEIVER

In independent tests, by leading magazines, the simple to use, reliable, and ergonomically designed receiver has recorded signal ranges in excess of 500 yards, which was far greater than all other alarms and receivers tested at the time!

- ▶ Auto-Sync top and front LEDs
- ▶ High quality cone speaker
- ▶ On-off volume dial switch with silent option
- ▶ Silent/Vibration feature
- ▶ Powered by 3 x AA batteries
- ▶ Extra-long battery life
- ▶ Auto colour registration

CEI096	Micron NTX Receiver	£199.99

CARBology
review extract

Juliano Materazzi: "Thank you Fox for this alarm, it is the best for me ever!"

“I am happy to recommend these buzzers to anyone”

TIM PAISLEY

Carpworld

MICRON® NX-R

Sharing many of the innovative features of the NTXr, the NX-R is a truly superb alarm which out-performs many higher priced models. Packed with features and compatible with the NX-R receiver this alarm gives the angler the combination of a top-end alarm and superb value for money.

CEI112	Micron NX-R	£149.99
CEI125	Micron NX-R 3-Rod Presentation Set	£599.99
CEI126	Micron NX-R 4-Rod Presentation Set	£749.99

FEATURES

- ▶ Blue LED only
- ▶ Adjustable volume, tone and sensitivity
- ▶ Silent mode
- ▶ High quality cone speaker
- ▶ Extended battery life
- ▶ Tru-Run roller wheel for super slick bite detection
- ▶ D-Tec Sensing System (DTSS) for durability
- ▶ See-Saw Elimination to reduce false indications
- ▶ Intelligent Sensitivity System
- ▶ Power out (2.5mm and 3.5mm jack)
- ▶ NX-R Receiver compatible
- ▶ Anti-theft feature (when used with receiver)
- ▶ Easy Micron registration (when used with receiver)
- ▶ Supplied with hardcase

MICRON® NX-R RECEIVER

Designed for use in conjunction with the Micron NX-R and TX-R remote system, the NX-R Receiver benefits from Fox's Easy Micron Registration technology whereby it automatically syncs with your alarms, remembering the settings for the next time you are fishing. Utilising three AA batteries Fox's receiver technology ensures extra long battery life. It features four LEDs on the front and a receiver range of approximately 200m+.

CEI113	Micron NX-R Receiver	£149.99

Carper
Get Crafty... get catching!

“Since I started using the NXr's I haven't looked back. The receiver range is awesome and the functions of the heads perfectly suit my angling style”

MARIAN SURÄ

MICRON® M+ SERIES FEATURES

With ground-breaking technology developed for the N Series of alarms at our disposal it made sense to sneak a bit into our M+ range of Microns. We have managed to pack out the M+ series with top end features but have kept them at unbelievable value for money prices, firmly placing them in any angler's price bracket.

Our sensors guarantee instant bite detection and rubber inlays in the 'ears' eliminate rod slippage.

Two accessory outputs: one a power out for use with illuminated indicators, the other a transmitter output for use with the TX-R Micro.

The M+ has a piezo speaker for clear audible bite registration. The MX+ has a cone speaker for a super crisp sound that travels further on the bank.

Classic Micron styling with an easy-to-use front toggle on/off switch and hi-visibility raised 5mm LEDs.

Keith Brooks: "Bought one of these for my 14 year old son who has just started fishing. He loves it! "

MICRON® M+

The classic looking Micron M+ has been designed with enhanced electronic technology to maximise battery life and incorporates both power and transmitter outputs making it fully compatible with our illuminated indicators and the TX-R Micro.

CEI119 Micron M+

£34.99

FEATURES

- ▶ 5mm red LED
- ▶ Indexed volume adjustment knob
- ▶ 1 x power out socket
- ▶ 1 x transmitter out socket
- ▶ Piezo speaker for clear sound
- ▶ Rubber ear inlays
- ▶ Compatible with TX-R
- ▶ Micro Transmitter
- ▶ D-Tec Sensing System (DTSS)
- ▶ Powered by 2 x AAA batteries
- ▶ Free hardcase supplied

MICRON® MX+

The slightly more advanced MX+ is packed with the type of features you would expect to find on an alarm of twice the price. Since its launch two years ago this alarm has built a formidable reputation for unrivalled value for money.

CEI120 Micron MX+

£44.99

FEATURES

- ▶ 5mm blue LED
- ▶ 2 stage sensitivity
- ▶ Cone speaker for enhanced sound quality
- ▶ Indexed tone adjustment knob
- ▶ Indexed volume adjustment knob
- ▶ 1 x power out socket (for use with illuminated Swingers)
- ▶ 1 x transmitter out socket (for use with TX-R transmitters)
- ▶ Rubber ear inlays
- ▶ Compatible with TX-R Micro Transmitter
- ▶ D-Tec Sensing System (DTSS)
- ▶ Powered by 2 x AAA batteries
- ▶ Long battery life
- ▶ Free hardcase supplied

MICRON® M+ MX+
Both come supplied with a protective Micron Hardcase that automatically switches the alarm off when attached.

“Both are superb alarms at a competitive price, ideal for anglers on a budget”

Crafty Carper
Get Crafty... get catching!

MICRON® TX-R MICRO

Thanks to the brilliant TX-R Micro almost any alarm can now be made to work with the Fox NX-R Receiver. This small transmitter can be attached to any bite alarm that has an extension box output (2.5mm or 3.5mm jacks) that doesn't already feature a built-in receiver transmitter. Then when the alarm is triggered the TX-R connects wirelessly to the NX-R receiver to signal the activity. It's simple to use too as it has no buttons and as soon as you plug it in it's in ready mode but is only triggered into life by the alarm - giving an incredibly long battery life.

Like all of Fox's N Series products, the TX-R has a long range radio with a signal strength of approximately 200m plus and a weatherproof design with the casing epoxy sealed for ultimate durability.

FEATURES

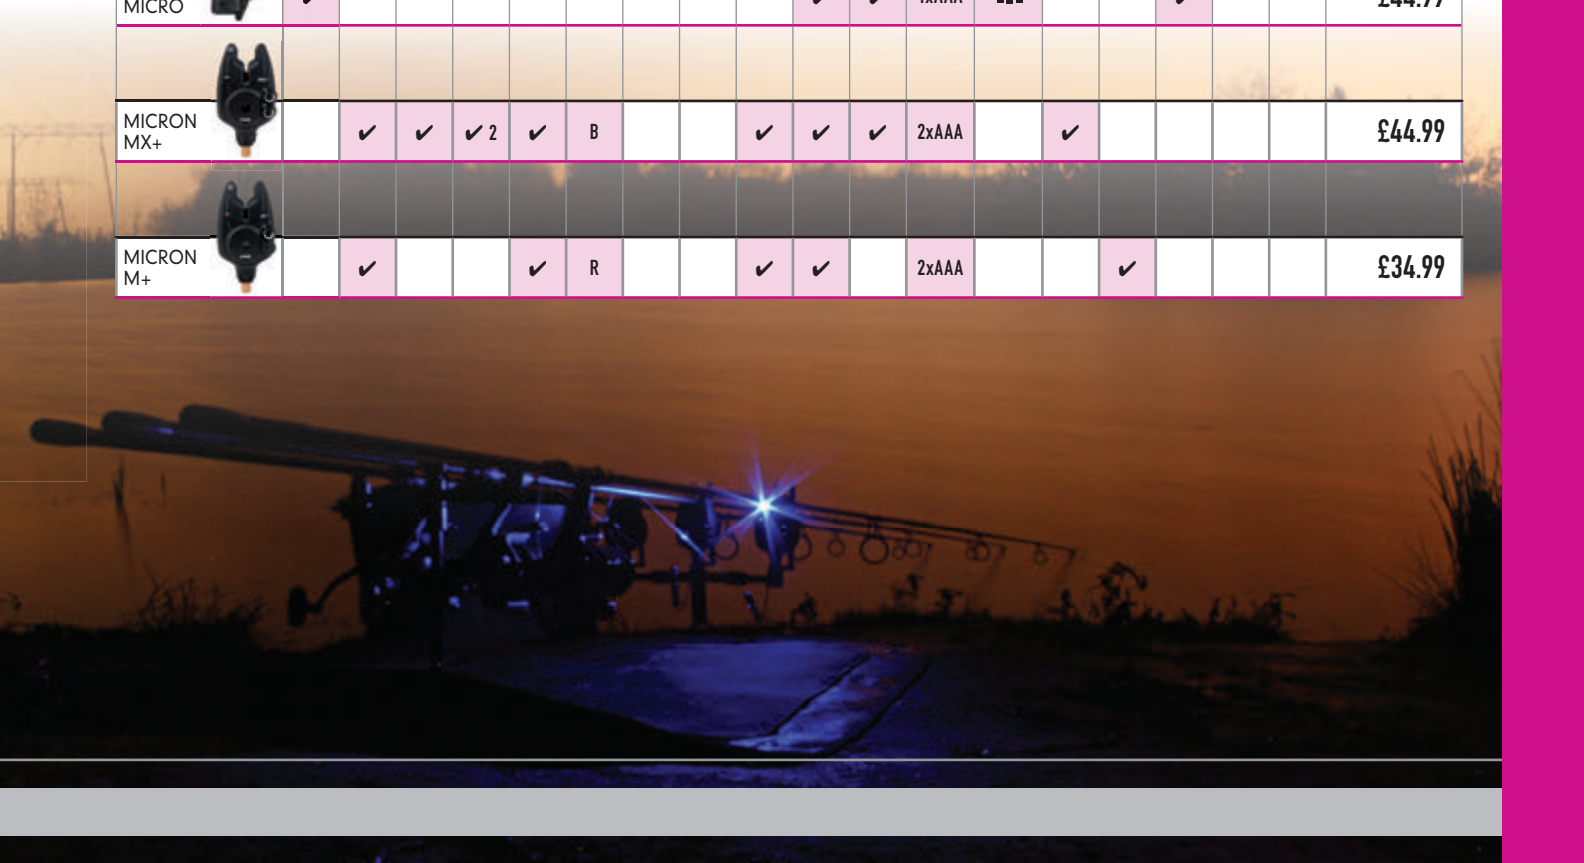

- ▶ 5mm blue LED
- ▶ Works with the NX-R Receiver (available separately)
- ▶ Works with any bite alarm with an extension box output (2.5mm or 3.5mm jacks)*
- ▶ Extra long battery life
- ▶ Powered by one AAA battery (not supplied)
- ▶ Long range radio
- ▶ Waterproof design
- ▶ Only active when triggered by alarm

*Not to be used with alarms that already have built-in transmitter.

FOX Pods

When it comes to the production of rod pods there is one company that anglers across the globe think of – Fox. And rightly so as over the years we have produced some of the very best ranges of rod pods ever that have been designed to cover the needs and wants of all carp and specialist anglers. Built to exceptionally high standards and featuring a number of innovations, our rod pods are, without any shadow of doubt, THE rod pods to own.

All of our pods are based around lightweight, strong aluminium frames and are fitted with unique cams, collars and threads, making every pod very practical to use. The range for 2013 is exactly the same as last year due to the fact that the Sky, Horizon, Ranger, Eclipse, Quattro, X Pod, Stalker Plus and A Pod Plus all remain firm favourites with the angling public.

Whether you are a continental angler fishing large lakes and rivers, or an angler fishing the more conventional smaller venues, over the coming pages you are sure to find a pod in our range that suits you down to the ground...

“Fox have long been established as the market leader in rod pods, and now with their Black Label range of bankware they have conquered that market too. Looks mixed with functionality – Fox can do no wrong”

MARIAN SURA

THE FOX RANGE

- ▶ Sky Pod®
- ▶ Ranger® Pod
- ▶ Eclipse® Pod
- ▶ Horizon® Pod
- ▶ Quattro Pod® II
- ▶ X Pod® Plus
- ▶ Stalker+ Pod®
- ▶ A-Pod+™
- ▶ Rod Support Accessories
- ▶ Black Label™ Range

SKY POD® 3 ROD & 4 ROD

The Sky Pod has been purposely engineered to give incredible stability when fishing on large continental lakes and big powerful rivers. Such is the quality of this product you can be safe in the knowledge that no matter how extreme the terrain you are fishing, no matter how fast a river is flowing, or how adverse the weather conditions are, your rods will be secure and going nowhere when they are sat on a Sky Pod!

The Sky Pod can be adjusted from below the horizontal plane to almost vertical and the rear buzz bar can be positioned along the length of the body, giving your rods maximum elevation. Available in 3 or 4 rod versions this pod provides stunning stability and versatility!

RP3573	Sky Pod 3-Rod and Carry Bag	£279.99
RP4006	Sky Pod 4-Rod and Carry Bag	£289.99

FEATURES

- ▶ Body length adjustable to suit all standard rod lengths
- ▶ Adjustable leg splay
- ▶ Rods may be positioned anywhere from below the horizontal to almost the vertical plane
- ▶ Rear buzz bar can be positioned along the length of the body
- ▶ Profiled aluminium body and buzz bars guarantee a wobble-free set up
- ▶ Complete with FREE carry case
- ▶ Available in 3 or 4-rod versions

Complete with FREE carry case

SKY POD DIMENSIONS

Length from 105cm to 205cm
 Height from 16.5cm to 94cm (short legs) / 114cm to 192cm (long legs)
 Width: 76cm to 140cm (between long legs)

SPARE SKY POD BUZZ BARS

Spare Buzz Bars for both 3 and 4 rod Sky Pods

RP3574	Sky Pod 3-Rod Buzz Bars	£20.49
RP3575	Sky Pod 4-Rod Buzz Bars	£25.50
RP3576	Sky Pod Butt Caps	£6.25
RP3577	Sky Pod Feet x 4	£16.49

The uniquely shaped body of the Sky Pod guarantees a solid set up with Cam Locks giving secure adjustment.

Ergonomically designed thumb screws allow precise pitch adjustment of the buzz bars.

RANGER® POD 3 ROD & 4 ROD

Extensively tested on the continent, the Ranger pod can be set up in a variety of positions to cope with the most extreme terrain. Its chunky dual frame design, durable fittings and long extendable legs and body make it the pod of choice for many of Europe's top carp anglers. Supplied with a carry case and three pairs of legs, every base is covered from having your tips under the waters, to having them pointing high up towards the sky, when fishing at extreme range or over underwater obstacles.

CRP016	Ranger Pod 3-Rod Kit	£249.99
CRP017	Ranger Pod 4-Rod Kit	£299.99

Spring-loaded multi-position leg fixings cope with all terrains.

Fox Cam Loks allow easy adjustment of length from 82 to 160cm.

Buzz bar supports lock secure with Cam Loks for a rock solid set up.

Integral spirit levels guarantee level assembly on any terrain.

FEATURES

- ▶ Multi leg and length adjustments allow extreme positioning for the toughest terrains
- ▶ Symmetrical leg movements
- ▶ Oval, twin bar main body for increased stability and strength
- ▶ Telescopic main body
- ▶ Buzz bar and leg blocks can be removed and repositioned on the main frame for total versatility
- ▶ Soft touch, over-sized, ergonomic thumb catches on Cam Lok fittings
- ▶ Spirit levels guarantee level assembly
- ▶ Available in 3 and 4-rod versions
- ▶ Supplied with three pairs of legs, a carry bag and buzz bars

RANGER DIMENSIONS

Length from 82cm to 160cm (excluding legs)
 Height from 35cm to 55cm (short legs)
 130cm to 235cm (long legs)
 Width from 100cm to 150cm (between long legs)

EXTRA WIDE BUZZ BARS

3 ROD & 4 ROD

Extra wide buzz bars are available separately (also fits the Eclipse Pod).

CRP020	Extra Wide 3-Rod Buzz Bars (Front 55cm, Back 50cm)	£25.50
CRP021	Extra Wide 4-Rod Buzz Bars (Front 70cm, Back 65cm)	£30.99

ECLIPSE® POD 3 ROD & 4 ROD

If you are on the lookout for one of the most versatile and easily-adjusted pods ever produced then our Eclipse is perfect. The multi-functional Eclipse is as equally suited to large continental reservoirs as it is smaller more conventional carp lakes found in the UK.

Based around a central tripod system it can be adjusted up or down in seconds by its central quick release lever and, like all of the pods in the Fox range, it's ultra stable to ensure you have a rock-solid set up, every time.

CRP018	Eclipse Pod 3-Rod Kit	£139.99
CRP019	Eclipse Pod 4-Rod Kit	£149.99
CLU236	Eclipse Pod Case	£34.99

FEATURES

- ▶ Fully adjustable tripod system
- ▶ Central quick release fixing allows easy and solid rod positioning
- ▶ Cam Lok fitting for quick and secure fixings
- ▶ Soft touch, oversized and ergonomic Cam Lok catches
- ▶ Supplied with buzz bars
- ▶ Available in 3 and 4-rod versions
- ▶ Telescopic, adjustable main bar
- ▶ Repositionable buzz bar holders can be located along main frame
- ▶ Central spirit level to guarantee level assembly

User-friendly lever allows positioning up or down in seconds.

ECLIPSE DIMENSIONS

Length from 92cm to 160cm
 Height from 40cm to 65cm (above the legs)
 Width from 60cm to 95cm (across the legs)

HORIZON®

The Horizon pod is incredibly versatile and offers outstanding value for money making it a great purchase for newcomers into carp fishing both in the UK and overseas.

It has a fully adjustable main body, as well as adjustable legs, meaning that you can get your rods perfectly level no matter how uneven and awkward the bank you are fishing on.

The special, CAD-designed shape of the aluminium tube body and buzz bars on the Horizon help to give a stable set-up and also make the pod surprisingly light to carry.

RP5762	Horizon Pod 3-Rod	£119.99
RP6082	Horizon Pod 4-Rod	£129.99
CLU233	Horizon Pod Case	£26.99

FEATURES

- ▶ Body length easily adjusted to suit rod length
- ▶ Adjustable leg splay
- ▶ Front legs can be positioned along the body to alter pitch
- ▶ Wide range of angles from horizontal to almost vertical
- ▶ Rear buzz bar can be positioned along various lengths of the body
- ▶ Profiled aluminium body and buzz bars
- ▶ Can be extended from 90 to 147cm
- ▶ 3-Rod version weighs 5.65kg, 4-Rod 5.85kg

Fox Cam Locks allow for easy adjustment of pod legs on the Stalker and Horizon pods.

Dual banksticks ensure the buzz bars cannot rotate under pressure when fishing with tight clutches.

Dan Pearce: "Brought it when they first came out (years + years ago lol) and is still going strong. Just love how versatile it is 😊"

QUATTRO POD® II 3 ROD

The second in its generation, the Quattro II has proved a great successor to the original Quattro Pod, which revolutionised the rod pod market many years ago. The Quattro II is packed with innovative features that continue to make it one of the best and most popular goal-post style rod pod ever produced.

CRP015

Quattro Pod II 3-Rod Kit

£199.99

FEATURES

- ▶ Staggered buzz bar fittings allow indicators to move freely without hitting banksticks
- ▶ Oval framework eliminates twisting
- ▶ Fully adjustable central body with Cam Lok fixings
- ▶ Soft touch, over-sized, ergonomic Cam Lok catches
- ▶ Symmetrical leg movements for easy assembly
- ▶ Spirit levels to guarantee level assembly
- ▶ Supplied with deluxe bag and buzz bars

Supplied with deluxe bag and buzz bars

QUATTRO POD II DIMENSIONS

Length from 102cm to 175cm
 Height from 25cm to 38.5cm
 Width at front 40cm
 Width at back 37cm

Over-sized, ergonomically designed Cam Lok catches allow easy bankstick adjustment.

Easily adjusted central body locks solid on an oval frame to give a twist-free set up.

X POD® PLUS

The X Pod Plus provides a cost effective pod that is sturdy, reliable and practical. The four legs are connected by a central boss, fan out in a scissor-action and are quickly and easily secured with Fox Cam Lok fittings. Lightweight, compact and easy to set up, this pod is also ideal for the roving angler.

RP3495 X Pod Plus

£104.99

FEATURES

- ▶ Scissor-action opening
- ▶ Low centre of gravity gives a stable set up
- ▶ Fox Cam Lok fittings
- ▶ Complete with front and rear height adjustable banksticks measuring 30 and 25cm respectively
- ▶ Includes a pair of 3-rod Rod Lok buzz bars
- ▶ Adjustable length
- ▶ Ultra lightweight and compact design

“As you would expect the quality of this Fox rod pod is second-to-none”

JOHN KNEEBONE 

Goal Post bankstick attachment ensures perfect rod positioning.

Length of X-Pod can be adjusted via cam-lock mechanism.

A central boss houses the legs, which open in scissor action for rapid deployment.

Front and rear goal posts feature adjustable height.

PODS & ROD SUPPORT

STALKER+ POD® · A-POD+™

STALKER+ POD®

Since its release last year the Stalker Plus pod has proven to be one of the most popular pods we have ever launched. The lightweight black aluminium tube body makes the Stalker Plus perfect for mobile as well as static anglers. The main central body is fully adjustable allowing you to set it to the length that best suits your rods, whilst the four extendable legs also make the pod very sturdy, even on uneven ground. In addition the legs can also be set at three different angles. Forward; for keeping your rods low to the ground. Central; for a standard pod configuration. Back; for adding storm poles when fishing with the tips high up in the air.

CRP022 Stalker+ Pod £99.99

Complete with FREE carry case

FEATURES

- ▶ Lightweight aluminium frame
- ▶ Extendable body and legs
- ▶ Supplied with both 2 and 3-rod buzz bars
- ▶ Three leg positions - forward, central and back
- ▶ Supplied with free carry case

A-POD+™

The fantastic A-Pod Plus is based on the same design as the Stalker Plus, but doesn't feature extending legs and isn't supplied with a set of two rod buzz bars. That said, for its price we firmly believe that there is no better rod pod on the market and thoroughly recommend the A-Pod Plus to any newcomers to carp fishing who want to benefit from using top quality, functional products without making a huge investment.

CRP023 A-Pod + £59.99

FEATURES

- ▶ Extendable body
- ▶ Lightweight aluminium frame
- ▶ Three leg positions
- ▶ Supplied with 3-rod buzz bars
- ▶ Supplied with free carry case

“Quite possibly represents the best value for money rod placement system on the market”

AnglingTimes

“The set-up is lightweight yet impressively solid, robust and most importantly built to last”

IMPROVE YOUR
**coarse
FISHING**

Easy to adjust cams on the uprights make exact positioning of the buzz bars quick, easy and secure.

The main body of both pods can be extended to suit different length rods and set-ups.

Three different leg positions can be selected - Forward, central and back to suit your preference.

PODS & ROD SUPPORT

- ▶ Fitted with 3/8" BSF brass inserts
- ▶ Supplied in pairs

BB9056 3-Rod Rod-Lok Buzz Bars £24.99

FOX BUTT GRIPS

Despite their small size, they are in contact with more of the rod butt's surface area than most other makes, allowing for a firmer grip. The Small is ideal for any standard rod blank whilst the Large suits full Duplon and cork handles.

CBR001 Small (abbreviated handles)

CBR002 Large (Cork and full Duplon handles)

SURE GRIP BUTT GRIP

This spring-loaded butt grip is designed especially for situations when you have to fish 'locked up' and prevents your rod from being pulled from the rest. Simply place the butt of your rod between the two rubber rotating heads and it will lock into position. The heads will grip the rod perfectly yet cause no damage to the blank.

CBR004 Sure Grip Butt Grip

ROD LOK

A unique back rest, which grips your rod securely but releases it easily when you pick it up.

BB7086 Rod Lok

BUTT REST

Similar to our rear 'U' Rod Rest Head but an injection moulded version.

BB2692 Butt Rest

REAR 'U' ROD REST HEAD

Compact rear rod rest head that securely grips your rod butt. The tight grip is ideal for snag fishing but it releases easily when you pick the rod up.

BB7392 Rear 'U' Rod Rest Head

DUO GRIP REST

Injection moulded plastic rest with rubber inlays which allows rods to be locked solid for snag fishing. Incorporates two betalight slots.

CBR001 Small (abbreviated handles)

FRONTRUNNER REST

The Frontrunner is a specialist head with a deep groove to allow free line passage, which also features a rubber inlay that prevents your rod from slipping. It also features a betalight slot.

BB4049 Frontrunner Rod Rest Head

BB6211 Mini Frontrunner Rod Rest Head

Storm Pole

Euro Bankstick

Cam Action Bankstick

STORM POLE BANKSTICKS

Powder coated aluminium storm poles which are ideal for use with Fox Domes and Shelters. A range of four sizes is available with all models extendible to approximately 175% of their original length.

► Available with Cam Lok® or Powerpoint®

LENGTH	CAMLOK	POWERPOINT
48in (120cm)	BS5784	BS5788
36in (90cm)	BS5785	BS5789
24in (60cm)	BS5786	BS5790
16in (40cm)	BS5787	BS5791

EURO BANKSTICKS

Identical in diameter to the Fox Storm Poles these chunky banksticks feature a tommy bar that protrudes at right angles to provide extra leverage for tightening Microns and rod rests. All models are extendible and feature Fox's Cam Lok mechanism.

► Available with Cam Lok® or Powerpoint®

LENGTH	CAMLOK	POWERPOINT
36in (90cm)	BS5792	BS5796
24in (60cm)	BS5793	BS5797
18in (45cm)	BS5794	BS5798
12in (30cm)	BS5795	BS5799

CAM ACTION BANKSTICKS

Slimmer in diameter than the Euro Banksticks these ultra long extending banksticks feature a standard 3/8" BSF thread. In-built T-bars provide extra leverage.

► Available in three lengths and with Cam Lok® or Powerpoint®

LENGTH	CAMLOK	POWERPOINT
30in (76cm)	BS5800	BS5803
20in (50cm)	BS5801	BS5804
12in (30cm)	BS5802	BS5805

Banksticks are available as either Cam Lok® or Powerpoint® to penetrate the hardest ground.

Removable tommy bars provide extra leverage for screwing banksticks into the ground.

BLACK LABEL™ EDITION

Following its 18 month development period the Black Label bankware range was launched to huge public acclaim and one-year on the range just keeps on growing in popularity. This chunky, black anodised aluminium not only looks stunning, it has also been designed to be incredibly practical as well. So if you are in the market for a range of bankware that looks the part as well being a top performer then we think you will like what you are about to see...

BLACK LABEL™ 3 ROD ADJUSTABLE BUZZ BARS

Supplied as a pair these Adjustable Buzz Bars have a central screw thread for attaching to a bankstick, but also have blanking caps on each end. This means that you can use the Black Label Conversion Kit to transform them from standard buzz bars into an adjustable goal post setup. In addition the central screw thread can then be removed to make them look like 'proper' goal posts. An XL version is also available.

CBB004	Black Label 3-Rod Adjustable (Pair)	£39.99
CBB009	Black Label 3-Rod Adjustable XL (Pair) NEW	£49.99

FEATURES

- ▶ Supplied with hardwearing leather washers on to give good purchase when tightening bite alarms to the buzz bar
- ▶ Inner tube has a flat side to prevent rotating inside
- ▶ Collar and thread adjustment used instead of thumb screw
- ▶ Packaging made from 100% recycled cardboard
- ▶ Standard: back can adjust from 6ins to 9ins, whilst front adjusts from 7ins to 10ins
- ▶ XL: back can adjust from 9ins to 14.5ins, whilst front adjusts from 10ins to 17ins

BLACK LABEL™ FIXED BUZZ BARS

There are three different Fixed Buzz Bars in this range - 2-Rod, 3-Rod and 3-Rod XL (extra wide). As with the Adjustable Buzz Bars they also work with the Conversion Kit to transform into goal posts that will work on their own or in conjunction with the Black Label Rod Pod.

CBB001	Black Label 2-Rod Fixed (Pair)	£24.99
CBB002	Black Label 3-Rod Fixed (Pair)	£29.99
CBB003	Black Label 3-Rod XL Fixed (Pair)	£34.99

FEATURES

- ▶ Supplied with hardwearing leather washers on to give good purchase when tightening bite alarms to the buzz bar
- ▶ 2-Rod (4.5ins back/5ins front) and 3-Rod (9ins back/10ins front) allow you to fish with your rods very close together
- ▶ 3-Rod XL (10ins back/11ins front) suited to anglers that like their rods and reels spaced out
- ▶ Packaging made from 100% recycled cardboard

Rob Lowe: "Just got the 2-Rod Buzz Bars. Stunning!!!"

John Glascoe: "Already got the lot. 2-Rod and 3-Rod. Got to say it. It's pretty damned good."

BLACK LABEL™ BANKSTICKS

There are six different sizes of adjustable banksticks in this range, allowing you to arrange your setup to the position that suits your exact needs. These too feature a handy collar and thread adjustment instead of using a thumb screw allowing for rock-solid extension.

CBS001	5ins/13cm Black Label Bankstick	£9.99
CBS002	9ins/23cm Black Label Bankstick	£11.99
CBS003	12ins/30cm Black Label Bankstick	£13.99
CBS004	18ins/45cm Black Label Bankstick	£15.99
CBS005	24ins/60cm Black Label Bankstick	£16.99
CBS006	36ins/90cm Black Label Bankstick	£18.99

FEATURES

- ▶ Inner tube has a flat side to prevent it from twisting inside the main bankstick
- ▶ Works in conjunction with the Black Label Rod Pod and all Black Label Buzz Bars
- ▶ Designed to fit Black Label Stage Stand and Stabiliser perfectly
- ▶ Hardwearing anodised black coating
- ▶ Lightweight yet incredibly strong
- ▶ Packaging made from 100% recycled cardboard

POWERPOINT® BANKSTICKS

Following the huge success of the standard Black Label banksticks we have added a Powerpoint option to the range for use on ultra-tough ground. Due to the the Powerpoint spike on the end these sticks are not compatible with the Black Label Stage Stand, Rod Pod or Stabiliser.

CBS014	9ins/23cm Black Label Powerpoint Bankstick	£13.99
CBS015	12ins/30cm Black Label Powerpoint Bankstick	£15.99
CBS016	18ins/45cm Black Label Powerpoint Bankstick	£17.99
CBS017	24ins/60cm Black Label Powerpoint Bankstick	£18.99
CBS018	36ins/90cm Black Label Powerpoint Bankstick	£20.99

“Light, strong and practical, with the added advantage of looking stunning...”

FEATURES

- ▶ Locking collar for adjusting height thus eliminating thumb screws
- ▶ Strong and sharp Powerpoint spike on end
- ▶ Supplied with T-bar for extra leverage when twisting into hard ground
- ▶ Inner tube has a flat side to prevent it from twisting inside the main bankstick
- ▶ Works in conjunction with the Black Label Buzz Bars
- ▶ Hardwearing anodised black coating
- ▶ Lightweight yet incredibly strong
- ▶ Packaging made from 100% recycled cardboard

BLACK LABEL™ ROD POD

Created from solid aluminium with a geared leg mechanism, the principle of the pod is very similar to that of the Quattro II pod, however this version is much lighter and more compact.

In addition the pod is designed to work with the Black Label Banksticks (which in turn work with the Black Label Buzz Bar range and Conversion Kit) meaning that once you own four banksticks and two buzz bars you simply need to purchase the frame of the pod and a conversion kit to create a complete rod pod system. This not only saves you money, but also space too!

CRP025 Black Label Rod Pod

£149.99

FEATURES

- ▶ Ideal for fishing on rock-hard ground such as platforms and concrete
- ▶ Measures 68cm long when set up and 78cm when packed away
- ▶ Supplied with protective neoprene case
- ▶ Not compatible with Black Label Power Point banksticks
- ▶ Packaging made from 100% recycled cardboard

CONVERSION KIT

Designed to transform ALL Black Label buzz bars into goal posts.

CBB007 Black Label Conversion Kit

£5.99

FEATURES

- ▶ Allows Black Label buzz bars and banksticks to work with matching Rod Pod
- ▶ Comprises 4 x threads, 2 x blanking caps and 1 x Allen key
- ▶ Packaging made from 100% recycled cardboard

USING THE CONVERSION KIT

All buzz bars come with blanking caps on both ends.

Simply take a coin and unscrew both blanking caps.

Now screw in the double-sided thread at both ends.

Your buzz bars are now converted into goal posts!

“The attention to detail, build quality and sleek, stylish looks when you get up close are impeccable”

CarpFishing

SNAG EARS

Aside from looking the part, these Snag Ears also have a very practical use in that they prevent your rod from coming off your bite alarm when fishing 'locked up'.

CBB005	Black Label Snag Ears		£12.99
CBB008	Black Label XL Snag Ears	NEW	£14.99

FEATURES

- ▶ Ears can be unscrewed to protect them in transit or when they are not needed
- ▶ Rubber over moulds on the top half are designed to offer protection to your rod
- ▶ Designed to work with most bite alarms, especially our N and M series of Microns!
- ▶ XL available for fishing with rod tips high
- ▶ Packaging made from 100% recycled cardboard

XL version also available

STABILISER

Designed to stop your banksticks from spinning in soft ground, allowing you to fish a sturdy, more rock solid setup.

- ▶ Works with all standard banksticks in Black Label range (not Power Point)
- ▶ Chunky thumb screw secure stabiliser to bankstick and also looks the part
- ▶ Ideal for soft ground
- ▶ Packaging made from 100% recycled cardboard

CBS011 Black Label Stabiliser £11.99

LEATHER WASHERS

These handy washers give good purchase when tightening bite alarms to your banksticks or buzz bars. In addition they also work when attaching buzz bars to banksticks.

- ▶ Harder wearing than rubber and also less likely to perish or stretch
- ▶ Four washers per pack
- ▶ Packaging made from 100% recycled cardboard

CBB006 Black Label Leather Washers £2.99

SPACERS

Handy tool that allows you to give your alarms increased clearance above a Black Label Buzz Bar.

- ▶ Supplied with three in a pack
- ▶ Made from chunky, black anodised aluminium
- ▶ Fits all Black Label Buzz Bars
- ▶ Packaging made from 100% recycled cardboard

CBB010 Black Label Spacers £5.99

STAGE STAND

Designed to allow you to fish with banksticks on wooden platforms, should you not want to use a rod pod.

CBS012 Black Label Stage Stand £14.99

FEATURES

- ▶ Chunky thumb screw for securing your bankstick firmly in position
- ▶ Screw supplied to secure stand to wood
- ▶ Works with Stage Stand Insert and standard Black Label Banksticks (not Power Point)
- ▶ Packaging made from 100% recycled cardboard

STAGE STAND INSERT

This handy 3ins insert allows you to fish your rod tips as close to the water's surface as possible.

CBS013 Black Label Stage Stand Insert £4.99

FEATURES

- ▶ Works perfectly with Black Label Stage Stand
- ▶ Lightweight black anodised aluminium
- ▶ Packaging made from 100% recycled cardboard

Bite

Indicators

Bite indication is without doubt a crucial part of angling and in recognition of this fact we have been manufacturing advanced bite indicators for over 25 years. In fact it's more than 25 years ago that we launched the original Fox Swinger – a product that changed the way carp anglers thought about bite indication forever.

Last year we launched three new-look designs to replace our old MK2, Euro and Illuminated models. Those new additions have proven incredibly popular over the past 12 months with anglers appreciating their modern look and practical design and we are sure moving into 2013 their popularity will go from strength to strength.

Also remaining in the bite indicator range for this year are our innovative Spring-Lok indicators, Illuminated Core-Lites and classic Specialist Hangers whilst the standard Core-Lite and Butt Swingers have now been discontinued.

However you will be pleased to hear that we have a brand-new range of indicators under our Black Label banner that we firmly believe are the most functional indicator range ever to be launched...

"Fox's range of bite indicators covers every single fishing situation that I will ever find myself in. I especially like the new Black Label additions, very well made and great value"

HANS VAN DEN BRINK

THE FOX RANGE

- ▶ Black Label™
- ▶ Euro Swingers® Mk2
- ▶ Mk3 Swinger®
- ▶ Micro Swinger®
- ▶ Spring-Lok™
- ▶ Specialist Hanger

BLACK LABEL™ BITE INDICATORS

This eye catching new range of bite indicators have been designed not only to complement our market-leading Black Label bankware range but to also help anglers improve their bite indication sensitivity. The beauty of the range is that you can buy a set bobbin for a relatively low price and then customise it to suit the differing angling situations that you will be faced with as no one bite indicator will be the most effective in all situations.

BLACK
LABEL EDITION

BOBBIN

The standard Bobbin comes supplied with a black Hockey Stick, 9ins Dacron Cord, Slim Head and a Ball Clip. This is a great all-round bobbin that is especially suited to slack line fishing but will work adequately for longer range, tight line fishing when coupled with extra weight. You could say it is the perfect indicator for a newcomer to carp fishing.

CB1033	Black Label Bobbin White	£7.99
CB1034	Black Label Bobbin Blue	£7.99
CB1035	Black Label Bobbin Red	£7.99
CB1036	Black Label Bobbin Purple	£7.99
CB1037	Black Label Bobbin Green	£7.99
CB1038	Black Label Bobbin Gunsmoke	£7.99

SLIK® BOBBIN

This interesting new design features the much-talked about Slik Clip, which is a dual purpose clip with a massive advantage over similar styles of bobbin. The Slik Clip is designed to allow you to place your main line into the base of the clip, thus 'fixing' the clip onto your main line. This far increases the bobbin's sensitivity and is especially effective when fishing with slack lines as it is impossible for your line to move even the slightest mm without the bobbin moving. Once you get a positive 'pull' on your line it will come free of the line clip and then become free running through the middle section of the Slik Clip, which means should a bite turn into a drop back you will still have your bobbin attached to your line. The only time this bobbin will detach from your main line will be when you lift the rod off of the alarm. A further benefit of the Slik Clip is that the tension is fully adjustable meaning you can change main line diameters without the clip losing its grip. Alternatively this clip can also be used the more traditional free-running way. In addition to the smart Slik Clip this bobbin also comes supplied with a 3ins Black Ball Chain, a Slim Head and a Hockey Stick.

CB1052	Black Label Slik Bobbin White	£9.99
CB1053	Black Label Slik Bobbin Blue	£9.99
CB1054	Black Label Slik Bobbin Red	£9.99
CB1055	Black Label Slik Bobbin Purple	£9.99
CB1056	Black Label Slik Bobbin Green	£9.99
CB1057	Black Label Slik Bobbin Gunsmoke	£9.99

Justin Ford: "I want a set of these hangers!!"
Phil Holmes: "They look pure class as always from Fox."

CIS CUSTOM INDICATOR SYSTEM

There are a number of products available under our Black Label CIS banner all of which have been designed to allow you to create the ultimate bite indicator that suits the angling situation you are faced with on any given session. You can simply buy a standard Bobbin or Slik Bobbin and then customise them or alternatively if you prefer you can build your own indicator from scratch from the CIS board.

SLIK® BOBBIN CLIPS

The Slik Clip is also available separately should you wish to build your own indicator from the CIS range or if you already own a standard Black Label bobbin and want to convert it to a Slik version. They are available in Red, White, Black, Green, Purple and Blue and all feature black adjustable collars that enable you to increase or decrease the tension of the clip to suit your own preference.

CB1058	Black Label Slik Clip White	£2.99
CB1059	Black Label Slik Clip Blue	£2.99
CB1060	Black Label Slik Clip Red	£2.99
CB1061	Black Label Slik Clip Purple	£2.99
CB1062	Black Label Slik Clip Green	£2.99
CB1063	Black Label Slik Clip Black	£2.99

HOCKEY STICK

This is again the same hockey stick as used on our old Corelite bite indicators and is constructed from hardwearing injection moulded black plastic. The Hockey Stick will work with the Springer Arm, Swinger Arm, Dacron Cord, Ball Chain and Link Chain.

CB1072 Black Label Hockey Stick £2.99

BALL CLIP

This is the same clip that we used on our old Corelite indicators that proved so popular for many years. The collar on this more traditional style of clip can be adjusted allowing you to set the tension you prefer.

CB1077 Black Label Ball Clip £2.99

BITE INDICATORS

BLACK LABEL™ BITE INDICATORS

FAT HEAD CONVERTER

This handy product can be used to make the standard slim head on your indicator bigger and heavier. You can simply unscrew the clip from your indicator, slide the Fat Head over the slim one, and then screw the clip back on!

CB1039	Black Label Fat Head Converter White	£3.49
CB1040	Black Label Fat Head Converter Blue	£3.49
CB1041	Black Label Fat Head Converter Red	£3.49
CB1042	Black Label Fat Head Converter Purple	£3.49
CB1043	Black Label Fat Head Converter Green	£3.49
CB1044	Black Label Fat Head Converter Gunsmoke	£3.49

HOW IT WORKS

MICRO HEAD

These sexy little Micro Heads are a tackle tart's dream! They are perfect for those anglers that want to create a very light bobbin for slack line fishing and that appreciate the minimal look.

CB1046	Black Label Micro Head White	£2.99
CB1047	Black Label Micro Head Blue	£2.99
CB1048	Black Label Micro Head Red	£2.99
CB1049	Black Label Micro Head Purple	£2.99
CB1050	Black Label Micro Head Green	£2.99
CB1051	Black Label Micro Head Gunsmoke	£2.99

SLIM WEIGHT

Supplied two in a packet these 5g weights are designed for you to increase the weight of your slim heads that come supplied with the Bobbin and Slik Bobbin. Featuring a hardwearing black anodised finish they complement the Black Label bankware range beautifully.

CB1064	Black Label Slim Weight 5g x 2	£2.99
--------	--------------------------------	-------

FAT WEIGHT

Again supplied in packets of two these Fat Weights weigh 15g each and are designed for you to add to your Fat Head Converter heads should you want to make a very heavy indicator head. Featuring a hardwearing black anodised finish these too complement the Black Label bankware range beautifully.

CB1045	Black Label Fat Weight 15g x 2	£3.99
--------	--------------------------------	-------

SPRINGER® ARM

This 0.5oz fibreglass Springer Arm is a quiver-style indicator that gives unrivalled indication when fishing with tight lines.

If you want to fish with Zig Rigs, tight lines at range or tight up against snags then this arm is a must have.

CBI065 Black Label Springer Arm £3.99

MINI SWINGER® ARM

Based on the traditional Swinger, which was invented by Fox over 25 years ago, this aluminium Mini Swinger Arm has a real modern look and feel. Featuring pivots at both ends it is an incredibly sensitive style of indicator that is a true all-rounder. However, it really comes into its own when you are trying to fish with semi-slack lines in strong winds as its solid arm helps to prevent false indication meaning that when your alarm bleeps it's because of fish activity!

CBI066 Black Label Mini Swinger Arm £5.99

DACRON CORD

These lightweight Dacron cords are 9ins in length and can be cut down should you require a shorter cord. Due to the lightness of the Dacron cord it is very suited to slack line fishing with a light bobbin head.

CBI071 Black Label 9ins Dacron Cord £3.99

BALL CHAIN

Available in 3ins and 9ins these all-black Ball Chains complement the Black Label bankware range very nicely and can be used with both a Slik Clip and standard Ball Clip.

CBI069 Black Label 3ins Ball Chain £3.99

CBI070 Black Label 9ins Ball Chain £4.99

LINK CHAIN

Also available in 3ins and 9ins these black link chains are available if you prefer this style of chain to the ball version.

CBI067 Black Label 3ins Link Chain £3.99

CBI068 Black Label 9ins Link Chain £4.99

SWINGER® EURO MK2

The Euro Swinger MK2 is a revamped version of the original Euro Swinger which has proven to be so popular with carp anglers across the world. It now features a Fixed Line Gate system that holds your line up until the moment you lift the rod from the alarm.

An 80g weight and spring-loaded tensioning system enables it to cope with ultra long range fishing as well as short to medium range work and it loads up to the equivalent of almost 6oz (170g) for ultra long range work yet is capable of being set at zero loading for slack lining.

There is a handy Betalight slot on the head and the head is also made from a light reactive acrylic should you wish your indicators to have a subtle glow at night.

CSI008	Euro MK2 Swinger - Red	£25.99
CSI009	Euro MK2 Swinger - Amber	£25.99
CSI010	Euro MK2 Swinger - Green	£25.99
CSI011	Euro MK2 Swinger - Blue	£25.99
CSI012	Euro MK2 Presentation Set 3 Rod	£81.99
CSI013	Euro MK2 Presentation Set 4 Rod	£104.99
CSI014	Euro MK2 Presentation Set 3 Rod (all blue)	£81.99

FEATURES

- ▶ Streamlined Micron attachment tabs
- ▶ Rubber shock absorbers on bottom of head
- ▶ Widened front end for increased visibility
- ▶ Spring loaded adjustable tensioning system
- ▶ Fixed line gate system suitable for braid and monofilament
- ▶ 80g sliding collar weight
- ▶ Light reactive acrylic indicator head
- ▶ Betalight Slot

Spring loaded adjustable tension system.

EURO MK2 SWINGER PRESENTATION SET

The Euro and Euro Illuminated Swingers are all available in presentation sets (3 and 4 rod options) to offer you a complete bite indicator set-up and are supplied in a neat, fully padded carry case.

SWINGER® ILLUMINATED EURO MK2

The Illuminated version of the Euro MK2 Swinger features the same design as the standard Euro MK2 Swinger, but with the ability to be plugged into the power out socket of a bite alarm. The Euro MK2 Swinger then illuminates when the alarm is activated giving very visual bite indication – especially at night. Also, when this indicator is used in conjunction with bite alarms that are fitted with a drop back differentiation facility, the head will flash.

CSI015	Illuminated Euro MK2 Swinger – Red	£36.99
CSI016	Illuminated Euro MK2 Swinger – Amber	£36.99
CSI017	Illuminated Euro MK2 Swinger – Green	£36.99
CSI018	Illuminated Euro MK2 Swinger – Blue	£36.99
CSI019	Illuminated Euro MKII Presentation Set 3 Rod	£109.99
CSI020	Illuminated Euro MKII Presentation Set 4 Rod	£149.99
CSI021	Illuminated Euro MKII Pres. Set 3 Rod (all blue)	£109.99

FEATURES

- ▶ Illuminates when connected to alarms with power out facility
- ▶ Head display mimics Micron LED to signal drop backs
- ▶ Streamlined Micron attachment tabs
- ▶ Rubber shock absorbers on bottom of head
- ▶ Widened front end for increased visibility
- ▶ Spring loaded adjustable tensioning system
- ▶ Fixed line gate system
- ▶ 80g sliding collar weight
- ▶ Light reactive acrylic indicator head
- ▶ Betalight Slot

SWINGER® MK3

The MK3 Swinger has been restyled to give it a more modern look. Designed to be more suited to short-medium range fishing, the MK3 features a 50g sliding weight that allows you to adjust the tension should your tactics change. The MK3 features the Line Gate system, but this has been re-designed so that it is now in a fixed position.

CSI002	MK3 Swinger - Red	£21.99
CSI003	MK3 Swinger - Amber	£21.99
CSI004	MK3 Swinger - Green	£21.99
CSI005	MK3 Swinger - Blue	£21.99
CSI006	MK3 Swinger Presentation Set 3 Rod	£69.99
CSI007	MK3 Swinger Presentation Set 3 Rod (all blue)	£69.99

FEATURES

- ▶ Streamlined Micron attachment tabs
- ▶ Rubber shock absorbers on bottom of head
- ▶ Widened front end for increased visibility
- ▶ Light reactive acrylic indicator head
- ▶ Betalight Slot

“This bad boy is unaffected by either wind or drag, and will register the smallest of indications”

**Crafty
Carper**
Get Crafty... get catching!

Fixed line gate system.

MK3 SWINGER PRESENTATION SET

The MK3 Swingers are available in a presentation sets to offer you a complete bite indicator set-up and are supplied in a neat, fully padded carry case. Available in either a three colour or all blue option.

SWINGER® MICRO

One of the neatest swing arm indicators on the market, the Micro Swinger has been specifically designed for lovers of compact indicators and features a re-styled head and low friction gate.

SI2544	Micro Swinger - Blue	£12.50
SI2545	Micro Swinger - Red	£12.50
SI2546	Micro Swinger - Yellow	£12.50
SI2547	Micro Swinger - Green	£12.50
SI2569	Micro Swinger Presentation Set 3 Rod	£40.99
SI5313	MicroSwinger Presentation Set 3 Rod (all blue)	£40.99

FEATURES

- ▶ Adjustable line clip system
- ▶ Compact stainless steel arm for greater sensitivity at short and medium range
- ▶ 42g sliding collar weight
- ▶ Light reactive acrylic indicator head
- ▶ Betalight slot

MICRO SWINGER PRESENTATION SET

The Micro Swingers are available in a presentation sets to offer you a complete bite indicator set-up and are supplied in a neat, fully padded carry case. Available in either a three colour or all blue option.

Actual size

HANGER SPRING-LOK™

The system works because the chain is attached to an internal spring mechanism so that the only way the Spring-Lok can release the line is when the chain is pulled down. A big advantage of the Spring-Lok system is that unlike more traditional hangers no friction is placed on the line to hold it in place so it can be used safely with very low diameter lines.

CBI016	Spring-Lok Hanger - Small	£25.99
CBI017	Spring-Lok Hanger - Medium	£28.50
CBI018	Spring-Lok Hanger - Large	£30.99

FEATURES

- ▶ All Spring-Lok Hangers have a Beta Light slot for use when night fishing. Your Beta Light simply locks into place, meaning there is no need for glue!
- ▶ The Spring-Lok package comes with four light reflective, acrylic colour inserts. These can be changed by simply unscrewing the bottom weight, and replacing the insert
- ▶ Interchangeable weights supplied with hangers - weights of 5, 7 and 14g supplied with the Medium and 9, 14 and 20g with the Large
- ▶ Utilises a simple twist and lock system for attaching to the hockey stick

SPRING-LOK™

HANGER SPECIALIST

The Specialist Hanger has been in our range for a number of years now and is still incredibly popular with anglers fishing for a multitude of species. It is very lightweight and is designed for targeting species such as roach, tench and bream where you may only receive twitchy bites and therefore require highly sensitive indicators.

BI3251	Specialist Hanger – Red	£7.99
BI3252	Specialist Hanger – Yellow	£7.99
BI3253	Specialist Hanger – Green	£7.99
BI3254	Specialist Hanger – Blue	£7.99

FEATURES

- ▶ The Specialist Hangers are also perfect for carp anglers who want a quality indicator at a good value for money price
- ▶ Due to its lightweight nature, this particular hanger is perfect for fishing baits at close range and in the margins
- ▶ The heads have been manufactured from a bright day-glo material and are available in a choice of four colours – red, green, yellow and blue

ILLUMINATED CORE-LITE

The Illuminated Core-Lite system works by plugging the lead into the power out socket of your bite alarm. When you get a run the alarm triggers the Illuminated Core-Lite's integral white LED and this illuminates the actual hanger itself. If you're using these hangers with the Fox Micron NTXr nightlight facility this gives the hangers a discreet glow throughout the night too.

CB1026	Illuminated Core-Lite Hanger – Clear	£22.99
CB1027	Illuminated Core-Lite Hanger – Blue	£22.99
CB1028	Illuminated Core-Lite Hanger – Red	£22.99
CB1029	Illuminated Core-Lite Hanger – Amber	£22.99
CB1030	Illuminated Core-Lite Hanger – Green	£22.99

FEATURES

- ▶ Lightweight core bobbin, perfect for slack lining
- ▶ Unique outer bobbin for quick and easy transformation into heavier bobbin
- ▶ All-in-one adjustable line gripper and ball clip for optional line attachment
- ▶ Super bright hidden LED provides perfect illumination
- ▶ Adjustable length low diameter wire
- ▶ Supplied with 2 x 14g weights
- ▶ Central betalight fixing

FOX Line & Leaders

Quality main line for your reels is without question one of the most important tackle items, perhaps second only to your hook! With this in mind we have utilised all of the latest technological developments in line manufacturing to bring you the best performing products available.

The amount of strain and abuse your line will be subjected to will be much higher than most other tackle items so whether you are an advocate of monofilament, fluorocarbon or braid, you can rest assured that we have tested our whole range to the limit to ensure that it won't let you down.

To show our commitment to offering you the best line on the market we were one of the first signatories of the European Fishing Tackle Trade Association (EFTTA) Line Charter, which commits us to making sure all of our lines are labelled and tested accurately and conform to the very highest industry standards.

Within our range of main lines we have tried to cover all bases from high-tech, light, super-supple casting mono to a heavy, fast sinking, invisible fluorocarbon and from tough as old boots, workhorse all round mono's to low diameter, highly abrasion resistant braids, there is sure to be something in our range that ticks all of your boxes! We also have a new line for 2013 called Exocet, which is a tapered monofilament designed for distance casting on venues that ban the use of leaders.

Over the course of this section you will find out everything you ever needed to know about our extensive range and within the next few pages you are sure to find the perfect match to the angling situation you are faced with.

"The fishing that I do varies greatly so having access to a whole host of top quality and reliable main lines is very important. So far every Fox main line that I have used has never let me down!"

ED SKILLZ

THE FOX RANGE

- ▶ Exocet™ Tapered Mono
- ▶ Aquos®
- ▶ Warrior® XT
- ▶ Soft Steel®
- ▶ Illusion® XS
- ▶ Braided Main Lines
- ▶ Braided Leader
- ▶ Mono Leaders
- ▶ Fluorocarbon Leader

EXOCET™ TAPERED MONO

12LB - 35LB, 15LB - 35LB

Our new Exocet is a double tapered main line that has been especially designed for use on venues that have a ban on leaders. Starting at a very strong 35lb (0.50mm) for 5m the line tapers down over the next 7m to either 12lb (0.30mm) or 15lb (0.33mm) there is then 300m of 12 or 15lb line before it then tapers back up to the 35lb (again 7m of taper and 5m of 35lb).

FEATURES

- ▶ Perfect for distance casting
- ▶ Double taper means the line can be reversed giving you greater value for money
- ▶ Very supple yet highly abrasion resistant
- ▶ Low-vis green blends in very well on lakebed
- ▶ Great knot strength and low memory
- ▶ Supplied on 300m spools

Code	Breaking Strain	Diameter	Meters On Spool *	
CML121	12-35lb (5.4-15.9kg)	0.30-0.50mm	300m	£9.99
CML122	15-35lb (6.8-15.9kg)	0.33-0.50mm	300m	£9.99

AQUOS® 10LB, 12LB, 15LB & 20LB

If you're looking for a monofilament that will put those vital extra yards on your cast then you don't have to look anywhere else than Ian 'Chilly' Chillcott's favourite casting line.

FEATURES

- ▶ Perfect for distance casting
- ▶ Very supple and low diameter
- ▶ Highly abrasion resistant and very strong
- ▶ Crystal clear low visibility
- ▶ Low stretch and memory
- ▶ Has been cast in excess of 200yds!

Code	Breaking Strain	Diameter	Meters On Spool *	
CML094	10lb (4.5kg)	0.261mm	1860m	£19.99
CML095	12lb (5.4kg)	0.286mm	1550m	£19.99
CML096	15lb (6.8kg)	0.309mm	1320m	£19.99
CML097	20lb (9.0kg)	0.350mm	1030m	£19.99

Mike Simpson: "I'm fishing a lake that bans any leader so have to use a tapered line. Having recently swapped to the Exocet I can safely say it casts far better than any others out there."

Green	Brown	Breaking Strain	Diameter	Meters On Spool *	
CML074	CML080	10lb (4.5kg)	0.30mm	1320m	£8.25

CML076	CML082	15lb (6.8kg)	0.35mm	1030m	£8.25
CML077	CML083	20lb (9.0kg)	0.38mm	870m	£8.25

SOFT STEEL® ADAPTIVE CAMOUFLAGE™ 10LB, 12LB, 15LB & 20LB

Following extensive underwater research we found that by using colour breaks in a monofilament main line it can become much harder to pick out on a lakebed and as a result we developed the top-selling Adaptive Camouflage Soft Steel.

FEATURES

- ▶ Created using a multi-contrast, disruptive camouflage pattern
- ▶ Highly abrasion resistant making it perfect for weedy and snaggy venues
- ▶ Exceptional knot strength
- ▶ Outstanding casting performance thanks to incredible supple make-up
- ▶ 20% thinner than original Soft Steel but much stronger!
- ▶ Low-stretch and memory

WARRIOR® XT 10LB, 12LB, 15LB & 20LB

Warrior XT is that good it is used regularly by many of our top consultants including Rob Hughes (coupled with Illusion XS leader), Steve Spurgeon, Andy Maker, John Kneebone and Mark Pitchers.

FEATURES

- ▶ The perfect all-rounder
- ▶ Very strong yet surprisingly easy to work with
- ▶ Ultra High Knot Strength and abrasion resistance
- ▶ Low visibility in water
- ▶ Controlled Stretch Factor
- ▶ Available in Green or Brown

Code	Breaking Strain	Diameter	Meters On Spool *

ILLUSION® XS 10LB, 12LB, 15LB

Leading angler and underwater photographer Rob Hughes rates this fluorocarbon main line as the best he has ever seen (or not seen as is the case!).

FEATURES

- ▶ Perfect for gin clear water
- ▶ Very supple for smooth casting (100yds+ is easily achievable)
- ▶ Ultra high resistance to surface abrasion
- ▶ Almost invisible underwater
- ▶ Low diameter
- ▶ Great longevity
- ▶ Extra fast sinking
- ▶ Retains high knot strength during prolonged use
- ▶ Impervious to UV degradation

LINE & LEADERS

HORIZON® · GRAVITRON® PRO · EXOCET™ BRAIDS

GRAVITRON® PRO SINKING BRAID

- ▶ Low diameter sinking braid that is perfect for wary carp
- ▶ Very supple for distance casting
- ▶ Virtually no stretch and high abrasion resistance makes it perfect for snaggy conditions
- ▶ Supplied on 300 and 600m spools

Code	Breaking Strain	Diameter	Meters On Spool *	
CBL001	15lb (6.8kg)	0.30mm	300m	£20.99

CBL006	25lb (11.4kg)	0.40mm	600m	£40.99

EXOCET™ SPOD & MARKER BRAID

- ▶ Purpose-designed low diameter braid for spod and marker float work
- ▶ Ultra buoyant to allow the line to be picked up off the top of the water with ease when spodding at long range
- ▶ Great knot strength
- ▶ Low stretch gives maximum sensitivity when feature finding
- ▶ Extremely smooth and can be cast a very, very long way!

Code	Breaking Strain	Diameter	Meters On Spool *	
CBL007	23lb (10.4kg)	0.18mm	300m	£25.99

HORIZON® BRAID SPOD & MARKER

- ▶ Ultra low stretch to give maximum sensitivity for precise feature finding
- ▶ Low diameter allows for large casts with a spod or marker float
- ▶ 20lb breaking strain

Code	Breaking Strain	Diameter	Meters On Spool *	
CML058	20lb (9.0kg)	0.20mm	300m	£25.99

"Fox produce the best braided lines I have ever used.."

JEAN-BAPTISTE MOREL 

HORIZON® BRAID MAIN LINE

- ▶ Made from 100% Spectra fibres, this braid will add extra yards onto your cast
- ▶ Dull olive green colour blends in nicely on a variety of lakebeds
- ▶ Ultra low diameter
- ▶ Virtually no stretch giving unrivalled bite indication
- ▶ Superb knot strength and abrasion resistance
- ▶ Supplied on 300m spools
- ▶ Available in 20lb, 25lb and 30lb breaking strains

Code	Breaking Strain	Diameter	Meters On Spool *	
CML055	20lb (9.0kg)	0.20mm	300m	£25.99
CML056	25lb (11.3kg)	0.24mm	300m	£25.99
CML057	30lb (13.6kg)	0.26mm	300m	£25.99

ARMADILLO®

- ▶ Incredibly tough and abrasion resistant making it ideal when fishing in the most hostile of environments such as snag-infested rivers and lakes
- ▶ Great sinking properties and very supple
- ▶ Also performs excellently as a shockleader when spodding or casting large leads a long way
- ▶ Also makes a great hooklink when fishing for catfish

Code	B.S	Length*	Colour
CAC204	30lb (13.6kg)	20m	Green
CAC205	45lb (20.4kg)	20m	Green
CAC206	30lb (13.6kg)	20m	Brown
CAC207	45lb (20.4kg)	20m	Brown

ILLUSION® FLUOROCARBON LEADER

- ▶ Practically invisible when submerged in water
- ▶ Sinks like a brick and is incredibly supple meaning it hugs the contours of the lakebed giving the ultimate in concealed presentation
- ▶ Unbeatable combination of toughness, abrasion resistance and reduced stretch making it the perfect leader material when fishing in weedy and snaggy conditions
- ▶ Supplied on 20m spools
- ▶ Available in 20lb (9kg), 25lb (11.3kg) and 30lb (13.6kg)

TAPERED MONO LEADERS

- ▶ Designed to aid distance casting by taking the 'shock' of a big cast with a heavy lead
- ▶ As the name suggests the line is tapered which means that it becomes thicker and stronger as you wind it onto the spool
- ▶ Reduces the size of the knot from your main line to the leader
- ▶ Available in Clear and Camo
- ▶ Available in 12lb-35lb (5.4kg-15.9kg) and 15lb-45lb (6.8kg-20.4kg)

SNAG LEADERS

- ▶ Highly abrasion resistant
- ▶ Low stretch properties
- ▶ Perfect leader material when fishing snaggy and weedy venues
- ▶ Available in Clear and Camo
- ▶ Available in 25lb (11.3kg), 35lb (15.9kg) and 45lb (20.4kg)

FOX Carp Care

Carp care is at the very top of the list of priorities amongst the team here at Fox. It is our philosophy that all carp should be returned back to their watery homes none the worse for their capture, so that they can continue to grow and make other anglers happy for many, many years. We have therefore spent countless hours on researching and sourcing the very finest materials and products to make sure that our range of carp care products is second to none.

Over the years we have fine tuned our range of products to ensure that you can safely land, unhook, weigh, retain and return your catch with the minimum of stress to them. New for this year is our highly praised Deluxe Carpmaster unhooking mat, which has taken unhooking mat padding and protection to a whole new level! In addition to this new release you will also find a great selection of landing nets, unhooking mats, weigh slings, retaining slings, sacks and weighing scales.

“Carp care should be at the top of all anglers list of priorities – thankfully as a Fox angler I am blessed to have access to the very best carp care items available”

ANDREAS KARRER

THE FOX RANGE

- ▶ Landing Nets
- ▶ Digital Scales
- ▶ Net Accessories
- ▶ Unhooking Mats
- ▶ Weigh Slings
- ▶ Retainers/ Sacks

HORIZON® XT

Designed to complement our top-end Horizon XT casting rods, this innovative design is considered by many to be the crème de la crème of landing nets. Due to its unique spigoted handle design, the Horizon XT net can be used at three different length options to accommodate the different angling situations you may be faced with.

CLN016	Horizon XT 42" (106cm) Landing Net & Handle	£159.99
CLN017	Horizon XT 46" (116cm) Landing Net & Handle	£179.99

FEATURES

- ▶ Supplied with 6ft for standard, everyday use
- ▶ 3ft handle also supplied for landing fish from a boat
- ▶ The 3ft handle can be added to 6ft one to create a 9ft handle for landing fish on Zig Rigs or from high swims
- ▶ Features a 1k carbon weave
- ▶ Shrink wrapped butt section
- ▶ Small, machined aluminium spreader block with moulded 6ins spigot
- ▶ Aluminium spigots at bottom of carbon arms
- ▶ Arms have a 90degree angle on end to help protect the mesh
- ▶ The mesh is incredibly soft, a carpy green colour and 1m deep
- ▶ Supplied with net bag
- ▶ Available in either 42 or 46ins

6ft pole & 3ft Pole Supplied

SPARE HORIZON XT HORIZON MESH

This incredibly soft, green mesh is very light yet incredibly hardwearing. It will fit both the Horizon XT and standard Horizon landing nets.

CLN022	Horizon/XT Net Mesh 42" (106cm)	£19.99
CLN023	Horizon/XT Net Mesh 46" (116cm)	£22.99

The landing net is designed to compliment the Horizon XT rods.

The mesh is incredibly soft and a carpy green colour.

The small, machined aluminium spreader block looks very neat...

...and is moulded to a 6ins spigot for use with different sized poles.

HORIZON®

The Horizon net is also designed to complement its carp rod namesake. Featuring a stylish 3k carbon weave handle and carbon arms, the Horizon is very similar in appearance to the XT, but without the interchangeable handle option.

CLN014	Horizon 42ins (106cm) Landing Net & Handle	£134.99
CLN015	Horizon 46ins (116cm) Landing Net & Handle	£144.99

FEATURES

- ▶ Very light and easy to manoeuvre in the water
- ▶ Supplied with 6ft handle
- ▶ 3k carbon weave handle
- ▶ Shrink wrapped tapered butt section
- ▶ Small, machined aluminium spreader block
- ▶ Aluminium spigots at bottom of carbon arms
- ▶ Arms have a 90 degree angle on end to help protect the mesh
- ▶ The mesh is incredibly soft, a carpy green colour and is 1m deep
- ▶ Supplied with net bag
- ▶ Available in either 42 or 46ins

The small, machined aluminium spreader block looks very neat.

The landing net is designed to compliment the Horizon carp rods.

WARRIOR® S

Appreciating that not all anglers can justify spending the type of money that our two Horizon nets command we have also produced a landing net that we feel will appeal to the angler on a tighter budget who still wants top quality products at value for money prices. The result is truly remarkable with the Warrior S Landing Net being quite possibly the best landing net ever produced in its price bracket!

CLN018	Warrior S 42" (106cm) Landing Net & Handle	£59.99
CLN019	Warrior S 46" (116cm) Landing Net & Handle	£69.99

FEATURES

- ▶ Designed to match the Warrior S carp rods
- ▶ Great build quality
- ▶ Unique Fox moulded spreader block
- ▶ Unbelievably light
- ▶ Matt black carbon handle with white graphics
- ▶ Shallow 70cm mesh
- ▶ Arms have a 90 degree angle on end to help protect the mesh
- ▶ Offers unrivalled value for money
- ▶ Supplied with net bag
- ▶ Available in either 42 or 46ins

“The Combo is light, strong, slim and nicely balanced. You’ll be impressed”

Improve your
**coarse
FISHING**

The Warrior S features a unique moulded plastic spreader block.

PONTOON NET FLOAT

Quickly and easily fixed to any landing net pole to support it on the water surface and help prevent the mesh from tangling in snags.

CLN002 Landing Net Float Large £9.99

MOULDED LANDING NET BLOCK

A reinforced injection moulded spreader block with a betalight recess provided. Slots in the block arms allow you to check that arms are fully inserted.

LN5310 Moulded Landing Net Block £7.25

FX NET STINK SLEEVE

- ▶ Fully welded seams to retain water and unpleasant smell
- ▶ Designed to fit either 42 or 46ins landing nets
- ▶ Handy external pocket and Velcro strap for storing landing net pole, or even a stalking rod

CLU256 Net Stink Sleeve £9.99

NEW

STALKER® SCALES

The same great accuracy and compact size as the Fox Digital Scales but at an exceptional value for money price.

CEI062 Stalker Scales £79.99
CEI074 Stalker Scales Hardcase £9.25

FEATURES

- ▶ Compact and accurate
- ▶ Easy-to-read backlit digital LCD panel
- ▶ Read-out in pounds, Dutch pounds or kilos (max 55lb / 25kg)
- ▶ Fold-out weighing arms
- ▶ A protective hardcase is available separately

DELUXE WEIGH BAR

Deigned to take the strain out of weighing fish, featuring a karabiner style clip for quick and easy attachment to scales and textured rubber safe grip handles to provide a firm and comfortable grip.

CC5694 Deluxe Weigh Bar £13.99

DIGITAL SCALES

Highly accurate – as proven by the ever-increasing number of record fish officially verified on them - Fox Digital Scales remain the choice of most anglers who want to ensure weights are recorded quickly and accurately.

EI5302 Digital Scales

£99.99

FEATURES

- ▶ Clip-on hard case for protection during transit
- ▶ Easy-to-use push button system
- ▶ Fold-out soft touch easy grip handles
- ▶ Retractable weighing eye (for use with a weighing pole)
- ▶ Large LCD panel with backlight facility
- ▶ Read-out in pounds or kilos (max 60lb / 30kg)
- ▶ Easily zeroed to any weight of weigh sling
- ▶ Built-in clock

DELUXE CARPMASTER® UNHOOKING MAT

Designed to offer unrivalled padding and protection to your catch, our new Deluxe Carpmaster is a cradle-style unhooking mat that has a host of handy features.

CCC029 Deluxe Carpmaster Unhooking Mat

£89.99

FEATURES

- ▶ Reinforced, high sides with deep padding that prevent fish from sliding off of mat
- ▶ 80mm deep padding on base
- ▶ Easy clean mucus-friendly lining
- ▶ Reinforced webbing straps for more even weight distribution when carrying a fish to and from the water in the mat
- ▶ Stiffened EVA grab handles
- ▶ Zipped pocket on side for carp care kit, forceps and/or weighing scales
- ▶ Handy hanging loop for drying mat on bank or at home
- ▶ Dimensions: L: 125cm x W: 65cm x H: 28cm
- ▶ Folds away relatively compact considering depth of padding

Velcro retaining straps and a handy zipped pocket for storing carp care essentials...

Extra-thick padding with an easy clean mucus-friendly lining, to offer ultimate protection to your catch.

Handy hanging loop for easy drying on the bank and at home.

CARPMASTER® UNHOOKING MAT

This well-thought out design enables one side to be folded flat for kneeling whilst the other remains upright to retain fish safely. It has a host of features and is available in two sizes Standard and Euro. The larger of which has comfortably housed both common and mirror carp in excess of 80lb.

CCC021	Carpmaster Unhooking Mat Standard	£69.99
CCC022	Carpmaster Unhooking Mat Euro	£89.99

FEATURES

- ▶ Internal zip baffles to fully protect fish
- ▶ Easy clean mucus-friendly lining
- ▶ 25cm high walls give complete carp safety – even when fish kick and flap
- ▶ Velcro tabs secure all zips
- ▶ Carpmaster Mat measures: 110cm x 60cm x 25cm high
- ▶ Carpmaster Euro Mat measures: 140cm x 80cm x 25cm high
- ▶ EVA grab handles
- ▶ Folds down to compact size for transporting

Large enough to cradle all carp the Carpmaster also folds to a compact size for transport.

Mesh base material beneath the floor allows for quick water drainage.

STR FLOATATION WEIGH SLING

Zipped on three sides to sit flat on your unhooking mat ready for a fish the STR (Short Term Retention) Floatation Weigh Sling is built around full length floats which support a lightweight, fish-friendly, soft nylon and mesh retention section which is dark and designed to maximise water exchange to ensure fish rest quietly and safely.

CCC026 STR Floatation Weigh Sling

£44.99

FEATURES

- ▶ Measures 124cm long by 39cm wide with a drop of 75cm
- ▶ Top mesh panel allows you to view fish at all times
- ▶ Full length double zips secured by a dog clip to ensure security
- ▶ Sculpted to house and fully support fish centrally during weighing
- ▶ Zip baffles to fully protect fish
- ▶ Double grab handles each end for safe lifting and carrying
- ▶ Reinforced stitching on all pressure points
- ▶ 3m heavy duty sack cord supplied in an external pocket
- ▶ Supplied in nylon sleeve / stink bag
- ▶ Mesh venting allows rapid water drainage for quick, accurate weighing
- ▶ Double weigh handles with centre locating loops

Perfect for retaining your catch in the edge for a short period of time.

Mesh venting allows water to drain rapidly for accurate weighing.

Reinforced carry handles enable safe transportation to and from the water.

The STR Floatation Weigh Sling also allows you to return your catch safely.

CARPMASTER® SAFETY WEIGH SLING

Based on a more classic sling design, our eye-catching Carpmaster Weigh Sling spans 1.2m in length, yet can cleverly be folded in half for transportation. It has a fish-friendly mesh base for speedy water dispersion and internal zip baffles and externally there are Velcro zip seals for fish safety and security.

CCC020 Carpmaster Safety Weigh Sling

£30.99

FEATURES

- ▶ Measures 120cm long
- ▶ Folds in two for easy transportation
- ▶ Fish-friendly mesh base
- ▶ Zips at either end
- ▶ Internal zip baffles
- ▶ External Velcro zip seals
- ▶ Heavy duty rim enables fish to be easily lowered into the sling
- ▶ Supplied in nylon carry / stink bag

Heavy duty poles click into place to form a firm rim to aid lowering in and from big carp.

120cm long but folds in two for easy transportation to and from your swim.

Velcro tabs stop the sling from opening at either end when a fish is being weighed.

Zips at either end ensure the sling can open flat to aid fish transfer from your unhooking mat.

WARRIOR® SAFETY WEIGH SLING

As you would expect with anything that carries the Warrior name this product combines the highest quality design and manufacture with an unbeatable price.

CCC025 Warrior Safety Weigh Sling

£22.99

FEATURES

- ▶ Measures 110cm long x 56cm deep
- ▶ Reinforced weigh bars
- ▶ EVA carry handles
- ▶ Full length zips at both ends
- ▶ Lined with easy clean and fish-friendly PU coated nylon
- ▶ Ideal for safely weighing fish up to 40lb (20kg)
- ▶ Supplied in nylon carry / stink bag

STR HALF MOON WEIGH SLING

A traditional-style weigh sling but with additional features which allow it to be used for short term retention.

CCC028 STR Half Moon Weigh Sling

£16.99

FEATURES

- ▶ Measures 105cm long x 66cm deep
- ▶ Double reinforced handles with centre locating weigh rings
- ▶ Full length single zip with secure clip fastening
- ▶ Supplied with 3m heavy duty sack cord with clip
- ▶ Supplied in nylon carry / stink bag

SAFETY CARP SACK

The Safety Carp Sack has been designed to ensure maximum protection and security if you really have to sack a carp for any reason. Not only will you find fish-friendly mesh and a secure zip clip system but also a specially moulded high visibility H-Block marker so you always know exactly where your sack is.

CCC027 Safety Carp Sack

£22.99

FEATURES

- ▶ Measures 140cm x 100cm
- ▶ External zipped mesh pouch houses a high visibility Fox-moulded H-Block marker (with isotope recesses) on 10m of cord
- ▶ Unique sack cord system for enhanced bankstick security with 4m heavy duty cord
- ▶ Soft, dark mesh to reduce fish stress
- ▶ Full length single zip with secure clip fastening
- ▶ Rounded corners ensure carp cannot get their head trapped
- ▶ Reinforced carry handles
- ▶ Supplied in a nylon carry pouch

Unique sack cord system for enhanced bankstick security.

Rounded corners mean that fish cannot get their heads trapped.

Clip fastening means zips open only when you want them to.

External pouch houses a moulded H-block marker and cord.

Tackle & Rig Storage

'A place for everything and everything in its place' is a very apt saying when it comes to tackle storage and there is no doubt that an organised angler has much more chance of being a successful angler!

Before the development of the original Fox Box tackle storage was a very messy affair – usually involving a multitude of boxes gleaned from DIY and craft shops - but literally overnight the Fox Box transformed the way we organised ourselves on the bank and in the bivvy. Long gone are the days of searching for the right hook pattern or size of swivel, no more fighting with spools of PVA string or bait floss; everything is neat and at hand giving you more time to fish effectively.

Since those early days the system has evolved and Fox have re-designed and updated the classic modular format with genuine improvements including rubber seals, non-mix compartments, super-strong hinges, reliable side closures and practical ergonomic styling.

New for 2013 are the Royale loaded tackle boxes, which are available in two sizes and priced to suit anglers that are operating on a tighter budget.

We also appreciate that the modern angler needs the appropriate tools for storing the many different styles of rigs that they use on a day to day basis. We have therefore developed two very unique storage devices – the Rigid Rig Case and Steam and Store Chod/Withy Bin, both of which are prime examples of the thought we put into making your fishing easier...

"When I am fishing I like to be well organised, as I believe this will help me to fish more effectively. Fox's range of tackle boxes and rig storage devices ensures I am as organised as I possibly can be!"

JEROEN FLOKSTRA

THE FOX RANGE

F BOX STORAGE BOX

A spacious and versatile box that is ideal for storing items such as leads but we have also sized it perfectly to house four F Box Rig Boards (supplied separately).

CBX021 Storage Box £6.99

F BOX RIG BOARD

These compact Rig Boards fit any F Box System and feature slotted rubber channels which grip and protect hooklength materials and leaders. The elongated apertures allow for safe and secure anchoring of both long-shanked and small hooks. Fits any F Box System.

CBX019 Rig Board £6.99

F BOX RIG RACKS

Protecting your rigs and keeping them under correct tension is vital and F Box Rig Racks are practical, double-sided rig storage systems with adjustable sliders to hold rigs of varying lengths under light tension. Three racks are available.

- ▶ Single rack stores 12 rigs up to 28.5cm long
- ▶ Multi rack stores 24 rigs to 21.6cm long
- ▶ Multi/Single rack which has one multi side and one single side
- ▶ Supplied in a plastic storage tube

CBX023 Rig Rack Long £9.99

CBX024 Rig Rack Short £9.99

CBX025 Rig Rack Multi £9.99

F BOX LINE DISPENSER

This Spool Dispenser is designed to fit Large or Medium F Boxes and is ideal for re-spooling and neatly storing various materials such as PVA tape or bait floss.

CBX022 Line Dispenser £4.15

F BOX RIG BOARD SET

The Rig Board Set has been designed to store a wide selection of rigs or leaders in a single, compact unit. The box contains 4 System Rig Boards which stack together neatly to carry up to 80 rigs or ready-made leaders.

CBX020 Rig Board Set £25.50

F BOX RIG RACK SET OF 3

Stores over 50 pre-tied rigs and comprises three F Box Rig Racks: 1 x Single, 1 x Multi and 1 x Single/Multi. Supplied in a compact storage box that provides a secure, safe and watertight means of transporting them.

Paul Rainford: "The medium box looks very nice and very nicely priced... looks like I'm upgrading..."

ROYALE SYSTEM BOX

Our new Royale System tackle box is available in two sizes and has been designed for those anglers who want a top quality storage solution for their rig items at a great value for money price.

CBX067	Royale Tackle Box Medium	£24.99
CBX068	Royale Tackle Box Large	£39.99

FEATURES

- ▶ Perfect for storing your rig and accessory items
- ▶ Removable dividers allow you to change size of compartments
- ▶ Medium supplied with: 4 Compartment Box, 2 Compartment Box, 4 x Flip Top 4 Compartment Box, Rig Board and Spool Dispenser
- ▶ Large supplied with: 8 Compartment Box, 2 Compartment Box, 4 Compartment Box x 2, Flip Top 4 Compartment Box x 4, Rig Board, Spool Dispenser x 2
- ▶ Styled in a carpy green
- ▶ Designed to fit Royale and FX luggage

Royale Tackle Box Large

**BETTER VALUE
FOR 2013!**

“Fox tackle boxes are widely regarded as the best on the market and these latest pocket-friendly additions will only further strengthen that reputation!”

Royale Tackle Box Medium

F BOX® RIGID RIG CASE

The innovative new Rigid Rig Case has caused quite a stir since its release with thousands of anglers loving its unique design. From the outside this may look similar to other rig storage devices, however, once you open it you will find that it has the capacity to store nearly twice as many rigs compared to items of similar proportions!

CBX069 F Box Rigid Rig Case

£24.99

FEATURES

- ▶ Double-sided hinged middle section that is removable. This is designed to allow you to wind and store long rigs such as Zigs and floater fishing hooklinks around it
- ▶ Rounded ends on middle section maintain curvature in tubing on eye of hook
- ▶ Perfect for storing a wide variety of rigs
- ▶ High density EVA foam ensures pins hold in place securely
- ▶ Profiled hook bars stop rigs from sliding and bunching together
- ▶ Built-in storage compartment for rig pins (50 pins supplied)
- ▶ Moulded ruler on lid for accurate rig tying
- ▶ High impact ABS outer shell
- ▶ Waterproof rubber seal
- ▶ Dimensions: L 35cm x W 10cm x H 7cm

Handy built-in storage compartment for unused rig pins (50 pins supplied).

Massive storage capacity compared to other devices of similar proportions.

Profiled hook bars help to stop your rigs from sliding and bunching together.

Rounded ends on middle section maintain curvature in tubing and allow Zig Rigs to be wrapped around.

“More storage, more options and more value for money”

Will Vincent: "Gonna have one of these badboys"

Terry Blush: "I know I'll be getting one :) it looks good and solid."

STEAM AND STORE CHOD/WITHY BIN

There is no doubt that Chod and Wither Pool Rigs are amongst the most popular – and indeed effective – rigs of all time but steaming and then storing them so as to ensure that the critical ‘aggressive’ curve in the hooklength is both created and then maintained has always proved problematical... until now!

CAC377

Steam & Store Chod/Wither Bin

£10.99

FEATURES

- ▶ Self-contained within a compact and secure screw-topped and tinted green storage tub
- ▶ Features three different diameter sections that allow you to select the degree of curve that best suits you
- ▶ Simply place your Chod or Wither Pool Rig on your chosen section and then steam it over a boiling kettle to help set the perfect curve
- ▶ Rigs can be stored on device until they are needed
- ▶ Supplied with 20 specially designed pins that allow you to put stiff rig loops under tension without them losing their shape

Perfect for storing your Chod Rigs in three different size options!

Create the perfect aggressive curve in your rig every time!

FOX Accessories

Fox tackle isn't only about large items such as bivvies, rod pods and bedchairs. We also have one of the most comprehensive ranges of fishing accessories you are likely to ever find. And each and every one of those accessories has been purposely designed to make your fishing easier and more productive. Our in-house CAD engineers work very closely with both our product development team and consultants on the bank to design the very best and most innovative accessory creations around.

Over the course of time a vast number of our smaller 'riggy' items have become widely regarded as the best available in their category. Take our Arma Point range of hooks as an example. Over the years this range of hooks has built a formidable reputation for strength, sharpness and most importantly of all reliability. Many of Europe's leading carp anglers choose to use these hooks because they believe that they sit head and shoulders above all others. We also like to innovate heavily in the accessory market and within this catalogue you will find numerous unique products such as our highly-acclaimed Rapide Load PVA Bag System, Anti-Bore Bait Inserts, and Arma Mesh to name just three.

In addition to offering the best quality and most innovative accessories on the market, we also strive to offer the best value for money too and that's why when you buy our PVA mesh it comes supplied with 10m of PVA on a dispenser and 25m on a re-fill, whilst other companies will sell you only 7m on a dispenser and 20m re-fills for the same money.

"I have used lots of different Fox accessories over the years and will continue to do so, why? Because I firmly believe they are the best out there, and that gives me a big edge!"

ANDREAS SHERF

THE FOX RANGE

FIND'EM

FEED'EM

FOX'EM

FOX LEADS & FEEDERS

Our leads have been CAD-designed to create the optimum shapes that excel in terms of aerodynamics and also bolt-rig efficiency. Based on extensive underwater observations and working closely with Rob Hughes we have managed to achieve incredible camouflage coatings that aid rig concealment and help you catch more fish. In addition we also produced a range of Method Feeders that enable you to fish alternative presentations that are not as common as a standard lead arrangement.

FLAT PEAR

The dumpy, condensed shape of the flat pear is perfect for anchoring rigs on slopes and bar sides and they give a brilliant bolt effect.

- ▶ Swivel and in-line
- ▶ Brown and Green

TRI-BOMB

Tri-Bombs are great all round leads concentrate weight forwards to increase the bolt effect and give stability in flight.

- ▶ Swivel and in-line
- ▶ Brown and Green

KLING ON

Unique to Fox the flat profile and pronounced studs grip the bottom making the Kling On perfect for slopes or turbulent flows. Ideal for long range boating out of baits on big waters.

- ▶ Swivel and in-line
- ▶ Brown and Green

LEAD CAMOUFLAGE

Our leads feature a dull, flecked camouflage pattern that makes them very inconspicuous over a variety of different lakebeds.

Unlike most other leads Fox ones have the weight imprinted on the lead itself.

All of our swivel leads are fitted with large eye, rubber coated swivels.

Our special rubberised coating creates a subtle, non-reflective, durable finish that means that a Fox lead lasts you longer.

Fox in-line leads are fitted with internal sleeves which take a size 7 Fox Swivel. The large central bore allows leadcore or leader knots to pass freely.

David van den Berg: "The leads of Fox are the best. Good shape, perfect colours, nice price and of course the great coatings"

PASTE BOMB

Paste Bombs allow method mixes or pastes to be moulded around the lead whilst retaining the camouflage and hooking advantages of a lead over a method feeder.

- ▶ Swivel and in-line
- ▶ Brown and Green

HORIZON®

With a weight-forward hexagonal shape the Horizon casts superbly and resists rolling to ensure optimum rig performance at long range.

- ▶ Swivel and in-line
- ▶ Brown and Green

EXOCET™

The ultimate distance lead and the one to team up with our new Horizon XT rods. These weight forward, nose heavy bombs fly true without the instability of slender Zipp-style leads.

- ▶ Swivel
- ▶ Brown and Green

ELEVATOR™

A fluted, three-sided profile ensures that Elevator leads lift off the bottom instantly and aquaplane upwards to help avoid snags and weed. Ideal for flowing water use.

- ▶ Swivel
- ▶ Brown and Green

MAGGOT METHOD FEEDER

A unique method feeder with an internal chamber that may either be filled with maggots or the supplied foam insert, which can be dipped in liquid attractants and flavours. Use it as you would a normal method feeder and mould groundbait or softened pellets around the frame before casting.

Large	Medium	Small
3oz (85g)	2oz (57g)	1oz (28g)
2.5oz (71g)	1.5oz (43g)	0.7oz (20g)

METHOD FEEDER

The original in-line method feeder, this is totally safe to carp as it has a rubber grommet that grips a size 7 swivel. However, once under pressure the swivel comes free from the grommet turning the feeder into a running rig.

Compact	Standard
0.5oz (14g)	1.2oz (35g)
1oz (28g)	2.1oz (60g)

ARMA® POINT HOOKS

Since their launch a few years back the Arma Point range of hooks have acquired a reputation for being amongst the strongest, sharpest, most durable and most reliable hooks on the market and during this period they have accounted for the capture of some of the biggest carp in the world. Every week of the year we receive feedback from our team of consultants and sponsored anglers, plus happy customers and magazine staff across the globe telling us how impressed they are with the Arma Point's and it is not uncommon for anglers to go months and even years without a single hookpull! The strength and sharpness is thanks to the special tempering process that we use which also hardens them meaning they will last much longer. We have also given the hooks a non-reflective coating that assists their underwater camouflage properties and also prevents rusting.

SSSP

- ▶ Stands for Short Shank, Straight Point, and the point gives instant penetration
- ▶ Features a wide gape for better hookholds
- ▶ Versatile pattern for use with all boilie, particle, pellet and natural bait presentations
- ▶ Smaller sizes are ideal for Zig Rigs and floater fishing
- ▶ Available sizes: 1 to 10 (barbed) 4, 6, 8 and 10 (barbless)

SSBP

- ▶ Stands for Short Shank, Beaked Point
- ▶ The beaked point makes this hook ideal for fishing over gravel also great when using barbless hooks
- ▶ The short shank and wide gape create solid hook holds
- ▶ Stepped up wire gauge makes it perfect for demanding situations
- ▶ Available sizes: 1 to 10 (barbed) 4, 6, 8 and 10 (barbless)

SSC

- ▶ Stands for Short Shank Curved and is our most popular pattern
- ▶ Needle-sharp straight point for instant and deep penetration
- ▶ Very versatile pattern that carp really do struggle to eject
- ▶ Perfect for a whole host of rigs including the much-used KD Rig
- ▶ Available sizes: 1 to 10 (barbed) 4, 6 and 8 (barbless)

SR

- ▶ Stands for Stiff Rig, meaning this pattern is purposely design for use with very stiff hooklink materials
- ▶ Features a short shank, wide gape, and beaked point meaning once the hook is in it isn't coming out!
- ▶ Perfect for rig presentations such as the Chod Rig, Hinged Stiff Rig and Multi-Rig
- ▶ Available sizes: 4 to 8 (barbed) 4, 6 and 8 (barbless)

Phil Hardy: "By far the best on the market tried all the others out there and Arma Points win hands down..."
Gary Scothern: "Fox hooks, only way to go if you want to land your fish"

All eyes feature 100% closure to ensure perfect knot and rig reliability.

Our hi-tech tempering process ensures that all of our hooks are incredibly strong.

Strengthened points last longer, resist dulling and aid anti-eject properties.

Our perfectly proportioned Macro barbs are designed to give solid and secure hook holds.

Hook Type	Bottom Baits	Pop-ups	Chod Rig	Stiff Rigs	Particles	Zig Rigs	Floaters
XSC	✓	✓			✓

SSBP	✓	✓			✓	✓	✓
SSC	✓	✓			✓		
SR		✓	✓	✓			
LSC	✓	✓			✓		
LS	✓	✓			✓		

LSC

- ▶ Stands for Long Shank Curved
- ▶ Features a downturned eye and a long straight point, which is razor-sharp
- ▶ Very versatile and can be used for both bottom baits and pop-ups, however, one of the best presentations to use it with is the highly effective 360 Rig
- ▶ Available sizes: 4, 5, 6, 7 and 8 (barbed only)

XSC

- ▶ Has fast become one of our most popular models
- ▶ Designed following feedback from our European consultants who requested the 'ultimate' hook for extreme hit and hold carping
- ▶ Extra strong, short, curved shank that produces an extremely aggressive hooking angle
- ▶ Razor-sharp, straight point which penetrates superbly
- ▶ Used by both Ian 'Chilly' Chillcott and Lee Jackson to win the 2011 World Carp Championship on the mighty St. Lawrence River in America
- ▶ Available sizes: 2, 4, 6, 8 and 10 (barbed only)

LS

- ▶ Stands for Long Shank and is perfect for blowback style anti-eject rigs that utilise a rig ring on the shank
- ▶ Inturned eye and chemically sharp straight point
- ▶ Very strong and very reliable
- ▶ Available sizes: 1 to 10 (barbed) 4, 6, 8 and 10 (barbless)

KUROTM

COATED

S SERIES KURO HOOKS

The Kuro hooks were released a couple of years back to replace our old 'Series' range of hooks and since then they have grown and grown in popularity. We selected the best patterns from the old 'Series' range and updated them using the latest hook technology including a special 'Kuro' non-reflective black coating.

One of the worlds largest common carp at 88lb (40kg) banked on a size 4 Kuro S4 XS!

S1

If you like a classic longshank pattern then the Kuro S1 could well be perfect for you. It has an inturned eye and a straight point making it ideal for bottom baits, blowback rigs and for use with line aligners.

- ▶ Available sizes:
2, 4, 6, 8 and 10 (barbed)
4, 6, 8 and 10 (barbless)

S2

The S2 is a wide gape pattern that features a short shank with a beaked point and straight eye. The S2 is a great all-round pattern and is especially effective when used in conjunction with stiff hooklink materials such as mono and fluorocarbon.

- ▶ Available sizes:
2, 4, 6, 8 and 10 (barbed)
4, 6, 8 and 10 (barbless)

S3

The S3 features a slightly curved, short shank with a straight point and inturned eye to help maximise its hooking efficiency. The S3 is incredibly versatile, lending itself to a host of rig applications.

- ▶ Available sizes:
2, 4, 6, 8 and 10 (barbed)
4, 6, 8 and 10 (barbless)

S4

The S4 is a heavy wire version of the S3 and features the straight point and inturned eye. Due to its incredible strength the S4 is ideal for weedy and snaggy venues where hook and hold tactics are required. The straight point is a highly effective hooker and it is suitable for use with all baits and rigs. Both Shaun McSpadden and Scott Day banked 80lb+ carp from the mighty Rainbow Lake in France on this pattern in April 2012.

- ▶ Available sizes:
2, 4, 6, 8 and 10 (barbed)

Logan McCoy: "Your Fox Kuro hooks are crazy sharp, 4 fish on 1 hook and still sticky sharp without sharpening. Fox is the main product on my rigs...."

KURO COATED BRAID CARP RIGS

Introducing a fantastic range of ready-tied Carp Rigs that have been designed to take away the hassle of tying your own rigs. Whether you are elderly, disabled, a beginner or just someone that is short of time these rigs are sure to appeal...

FEATURES

- ▶ 10ins in length
- ▶ Barbed Kuro S4 hooks
- ▶ Available in hook sizes 2, 4, 6 and 8
- ▶ Choice of either Weedy Olive or Gravelly Brown Coretex
- ▶ Line Aligna Adaptor and Anti-Tangle Sleeves match hooklink colour
- ▶ Size 7 swivel
- ▶ Supplied with FREE extending Hair boilie stops
- ▶ Hook size matches line breaking strain - 15lb in size 8, 20lb in size 6 and 25lb for sizes 2 and 4

BARBLESS READY RIGS

Due to huge demand (especially in the UK) we have complemented the Kuro Carp Rigs with a range of barbless-only ready-tied rigs.

FEATURES

- ▶ Tied using our hugely-popular Arma Point SSBP(B) hooks
- ▶ 10ins in length
- ▶ Available in hook size 4, 6 and 8
- ▶ Choice of either Weedy Olive or Gravelly Brown 25lb (11.3kg) Coretex
- ▶ Line Aligna Adaptor and Anti-Tangle Sleeve match hooklink colour
- ▶ Size 7 swivel
- ▶ Silicon sleeve on shank to trap Hair in place
- ▶ Supplied with FREE extending Hair boilie stops

PVA BAG RIGS

These ready-tied PVA Bag Rigs have been designed for anglers that like to use short, braided rigs inside solid PVA bags and are the perfect complement to our Rapide Load PVA Bag System.

FEATURES

- ▶ Tied using Arma Point SSBP and SSBP(B) hooks
- ▶ Supple, sinking braid hooklink
- ▶ Small length of shrink tube over eye of hook
- ▶ Silicon sleeve on shank to trap Hair in place
- ▶ Hook size matches line breaking strain - barbless 15lb (6.8kg) in size 8 and size 6, barbed 15lb (6.8kg) in size 8 and size 6 and 25lb (11.3kg) for size 4
- ▶ Size 7 Flexi Ring Swivel
- ▶ Supplied with FREE extending Hair boilie stops
- ▶ Two rigs per packet

HOOKLENGTHS

All of our materials are meticulously sourced, tested to destruction both in the lab and then in real fishing situations by our consultants to ensure they are able to perform in all extremes. Designed to be simple to use, they are 100% reliable, very inconspicuous on the lakebed and offer outstanding value for money...

CORETEX

- ▶ Coated material with a soft inner braided core that is woven from an exceptionally strong fibre
- ▶ Semi-stiff outer coating offers great abrasion resistance and excellent anti-tangle properties
- ▶ Incredibly strong and utterly reliable
- ▶ Perfect for creating combi-rigs
- ▶ Available in Weedy Olive, Gravelly Brown, Silty Black or Sandy Yellow
- ▶ Breaking strains available: 15lb, 20lb, 25lb, 30lb and 35lb

SNARE®

- ▶ Slow sinking, semi-supple braid formed from a subtle brown and off-white weave
- ▶ Round profile on weave
- ▶ High knot strength and abrasion resistance
- ▶ Great for creating combi-rig with fluorocarbon

Code	B.S	Length *
CAC201	15lb (6.8kg)	25m
CAC202	20lb (9.1kg)	25m
CAC203	25lb (11.3kg)	25m

REFLEX®

- ▶ Ultra soft and supple braid with excellent sinking properties
- ▶ Woven from subtle green and yellow fibres that make it very inconspicuous on the lakebed
- ▶ Excellent abrasion resistance
- ▶ Very versatile material that is particularly suited for tying short rigs when solid PVA bag fishing

Code	B.S	Length *
CAC198	12lb (5.4kg)	25m
CAC199	15lb (6.8kg)	25m
CAC200	25lb (11.3kg)	25m

RIGIDITY™

- ▶ Incredibly stiff bristle filament material
- ▶ Low visibility in water
- ▶ Designed for use with popular presentations such as the Chod Rig and Hinged Stiff Rig
- ▶ Stiff nature makes it very hard for a carp to eject once it has been sucked in
- ▶ Works very well with our Arma Point SR hooks
- ▶ Available in two breaking strains 15lb and 25lb

Code	B.S	Length *
CAC080	15lb (6.8kg)	20m
CAC081	25lb (11.3kg)	20m

ILLUSION® SOFT XS

- ▶ Super soft and supple fluorocarbon hooklink
- ▶ Virtually invisible on the lakebed
- ▶ Sinks rapidly and hugs lakebed
- ▶ Highly abrasion resistant with great knot strength
- ▶ Perfect for gin clear venues and for targeting pressured, riggy fish

Code	B.S	Length *
CML109	10lb (4.5kg)	50m
CML110	12lb (5.4kg)	50m
CML111	15lb (6.8kg)	50m

ZIG & FLOATER HOOKLINK

- ▶ Designed specifically for floater fishing and Zig Rig fishing
- ▶ Made from a copolymer mono, which gives it an incredibly low diameter so it is very unobtrusive in the water
- ▶ Incredibly strong with great abrasion resistance
- ▶ Quite possibly the number one choice for most of Europe's best surface and Zig Rig anglers
- ▶ Available in 12lb and 15lb

Code	B.S	Length *	Diameter
CML113	12.34lb (5.61kg)	100m	0.261mm
CML120	15lb (6.80kg)	100m	0.28mm

READY-MADE LEADCORE LEADERS

We produce a wide variety of Ready-Made Leadcore Leaders tied on 45lb (20.4kg) Adaptive Camouflage Leadcore to give your presentation a real edge. Whatever style you choose to fish from a Helicopter Rig through to a Lead Clip and Running Rig we've got it covered to save you time and trouble.

1	CAC328	Leadcore Leaders with Safety Sleeves
2	CAC314	Helicopter Leadcore Leader
3	CAC310	Leadcore Leaders with Lead Clip on Ring Swivel
4	CAC338	Kwik Change Leadcore Leaders and Lead Clips
5	CAC309	Ready Spliced Leadcore Leader
6	CAC336	Kwik Change Leadcore Leader

LOADED TUNGSTEN RIG TUBE

- ▶ Four times heavier than leadcore
- ▶ Very supple so hugs the lakbed very well
- ▶ Perfect for venues where leadcore is banned
- ▶ Very easy to thread onto your main line

CAC335 Loaded Tungsten Rig Tube

ANTI-TANGLE TUBING

- ▶ Perfect for venues where leadcore is banned
- ▶ Added protection from abrasion and tangles
- ▶ Incredibly fish-friendly
- ▶ Available in semi-translucent Camo Green and Camo Brown colours

CAC270 Anti-Tangle Tubing - Camo Green

CAC271 Anti-Tangle Tubing - Camo Brown

READY-MADE RIGS ON TUBING

We produce ready-made rigs on tubing using either Safety Lead Clips or Kwik Change Safety Lead Clips. All are totally fish-friendly and are available on either green or brown tubing with rig accessories in matching colour.

CAC337	Kwik Change Safety Lead Clip Rigs on Tubing - Green
CAC346	Kwik Change Safety Lead Clip Rigs on Tubing - Brown
CAC311	Camo Tubing and Safety Lead Clips - Green
CAC345	Camo Tubing and Safety Lead Clips - Brown

SAFETY LEAD CLIP

- ▶ Designed for use with a size 7 swivel
- ▶ 'Self-aligning' swivel design, which means the eye of the swivel always sits in line with the hole in the lead clip
- ▶ Fixes to swivel with T-peg
- ▶ No serrations on the lug ensures that the tail rubber slips off easily
- ▶ Perfect for weedy and snaggy venues where ejecting the lead on a take is vital
- ▶ Pack contains lead clip, tail rubber, size 10 swivel and T-peg
- ▶ Pack size: 10

CAC266 Safety Lead Clip - Green
CAC267 Safety Lead Clip - Brown

RUNNING SAFETY CLIP

- ▶ Designed to allow you to create the perfect running rig presentation
- ▶ T-bar peg to lock the swivel in place inside main clip
- ▶ The clip is sculpted to allow the lead to hang straight for increased casting distance
- ▶ Tail rubber is designed to be used with both leadcore style leaders and tubing
- ▶ Kit includes a Run Ring and Speed Link so you can attach your lead of choice
- ▶ Pack size: 6

CAC411 Running Safety Clip - Green
CAC412 Running Safety Clip - Brown

CAC379 Slik Safety Lead Clip (Size 10 swivel) Brown
CAC380 Slik Safety Lead Clip (Size 10 swivel) Green

SLIK® SAFETY LEAD CLIP

- ▶ Smaller lead clip designed to work with size 10 swivels making them perfect for delicate presentations
- ▶ 'Self-aligning' swivel design, which means the eye of the swivel always sits in line with the hole in the lead clip
- ▶ Fixes to swivel with T-peg
- ▶ No serrations on the lug ensures that the tail rubber slips off easily
- ▶ Perfect for weedy and snaggy venues where ejecting the lead on a take is vital
- ▶ Pack contains lead clip, tail rubber, size 10 swivel and T-peg
- ▶ Pack size: 10

HOW TO SET UP THE SLIK SAFETY LEAD CLIP

1 Our new Slik Lead Clips are designed to work with size 10 swivels.

2 Start by splicing a size 10 swivel onto the end of your leadcore leader.

3 Next, thread one of the Slik Lead Clips onto the leadcore leader, as shown.

4 Position the lead clip over the swivel so the hole lines up with the swivel eye.

5 Take one of the supplied T-pegs and place it into the hole.

6 Push the T-peg in until you hear it click into position. This holds the clip in place.

7 The next step is to then thread one of the tail rubbers onto the leader.

8 Attach your chosen lead and then place the tail rubber into the position.

LINE ALIGNA ADAPTOR

The Line Aligna Adaptor makes creating a line aligner presentation totally foolproof.

CAC397 Line Aligna Adaptor (To fit hook sizes 10 to 7)

CAC398 Line Aligna Adaptor (To fit hook sizes 6 to 2)

FEATURES

- ▶ Simply slide adaptor down your hooklink and over the eye of your hook
- ▶ Creates an aggressive hooking angle that carp find very hard to eject
- ▶ Two sizes available that fit all hook sizes from 10 to 2
- ▶ Each pack includes five green and five brown adaptors

**NO STEAMING
REQUIRED!**

HOW TO USE THE LINE ALIGNA ADAPTOR

1 Above are the components that you will need to create a Line Aligna rig.

2 Start by taking your XS Braid Blades and carefully cut 12ins of Coretex.

3 Next, strip away 4ins of the outer coating on the Coretex to expose the supple braid.

4 Tie a simple overhand loop in the end of the exposed braid, as shown here.

5 Thread your chosen hookbait onto the loop and secure it in place with a boilie stop.

6 Now thread the coated end of the hooklink through the back of the eye of the hook, like so.

7 Set your Hair to the length shown and then secure the hook in place with a knotless knot.

8 Now take one of the Line Aligna Adaptors and thread it onto the hooklink, thick end first.

9 Slide the Line Aligna Adaptor into place over the eye of the hook to complete the rig.

Alex Morris: "Rig efficiency and hook holds have improved vastly!"

WITHY/ CURVE SHANK ADAPTOR

This adaptor is curved to create the perfect angle for a Withy Pool Rig. With the aid of a splicing needle the sleeve simply slides down your hooklength and into position over the eye of the hook.

CAC399 Withy / Curve Shank Adaptor (To fit hook sizes 10 to 7)

CAC400 Withy / Curve Shank Adaptor (To fit hook sizes 6 to 2)

FEATURES

- ▶ Micro serrations on the end of the sleeve for tungsten putty to mould around to counter balance your pop-up hookbait
- ▶ No longer need to shrink tubing down over a kettle to create this all-time classic rig!
- ▶ Available in two sizes

**NO STEAMING
REQUIRED!**

HOW TO USE THE WITHY POOL ADAPTOR

1 Above are all of the components you will require to make this Withy Pool rig.

2 Start by cutting 12ins of Coretex material and then strip away 5ins of outer coating.

3 You will then need to tie a simple overhand loop knot in the end of the exposed braid.

4 Thread on your chosen pop-up hookbait and secure it in place with a boilie stop, like so.

5 Next, tie a small oval-shaped rig ring 5mm above the hookbait with a couple of overhand knots.

6 Slide the rig ring onto the shank then pass the hooklink through the back of the eye of the hook.

7 You will then need to secure the hook in place with a standard knotless knot, as shown above.

8 Now thread one of the new Withy Adaptors onto a fine gate-latch baiting needle, like so.

9 Carefully slide the Withy Adaptor all the way down the hooklink and into this position over the eye.

10 Take a small amount of Power Grip putty and place the serrations of Adaptor on top.

11 Mould the putty around the serrations until you have an even blob around the base.

12 Your Withy Pool Rig is now complete – no need for shrink tubing or steaming here!

MICRO RIG SWIVELS

Micro Rig Swivels perfect for the creation of Chod and Hinged Stiff Rigs and for other delicate presentations where rig subtlety is required.

► Pack size: 10

CAC385 Micro Rig Swivels

SWIVELS

Fox swivels have a dull, anti-glare finish and a complete range is available in a variety of sizes including Flexi Ring and traditional swivels.

► Pack size: 10

CAC325 Standard Swivels Size 7 (x25)

CAC326 Standard Swivels Size 10 (x25)

CAC327 Standard Swivels Size 11 (x25)

CAC289 Flexi Ring Swivels Size 7 (x10)

CAC290 Flexi Ring Swivels Size 10 (x10)

CAC291 Flexi Ring Swivels Size 11 (x10)

POWERGRIP® PUTTY

Our new Powergrip tungsten putty has fast built a reputation as being one of the most dense yet easy to work with putty's on the market.

CAC413 Powergrip Tungsten Putty

MICRO HOOK RING SWIVELS

The Micro Hook Ring Swivels are especially designed to give your hook bait greater flexibility and 360° movement. Perfect for placing on the shank of the hook or D rig presentation.

► Pack size: 10

CAC386 Micro Hook Ring Swivels

RIG RINGS

A selection of non reflective, low friction rings for rig construction including blowback and D-rigs.

CAC300 Round 2mm

CAC301 Round 2.5mm

CAC302 Round 3mm

CAC303 Oval 4.5mm

CAC304 Pear Small

CAC305 Pear Medium

CAC306 Pear Large

ANTI-BORE BAIT INSERTS

This handy little accessory is designed to be pushed into the base of your boilie or soft hookbait to prevent erosion by the hair when repeatedly casting. Micro serrations on the tube of the insert ensure a rock solid fit and make cutting to size easy.

► Pack size: 10

CAC401 Anti-Bore Bait Inserts

HIGH RISERS

- ▶ Biodegradable, fish-safe and totally water soluble foam nuggets
- ▶ Designed to give you perfect tangle-free presentation
- ▶ The foam keeps your rig suspended from the lakebed for a few seconds before it dissolves leaving your hooklength to sit perfectly over any debris
- ▶ New Jumbo Refill Pack now also available

CAC358 High Risers Pop-Up Foam

CPV042 High Risers Jumbo Refill Pack **NEW**

TAPERED BORE BEADS 4MM

4mm tapered bore rubber beads with many rig applications but designed specifically to grip leadcore and anchor hooklengths without sliding on the cast yet to slide off safely when required to ensure complete carp safety.

CAC395 Tapered Bore Bead - Green

CAC396 Tapered Bore Bead - Brown

RUBBER FLEXI BEADS 6MM

Versatile rubber beads available in our camo green and brown finishes designed to protect knots or to be used as buffers.

CAC264 Rubber Flexi Beads - Green

CAC265 Rubber Flexi Beads - Brown

KNOT PROTECTOR BEADS

Soft rubber beads available in either camo green or brown which fit snugly over a size 7 swivel to protect knots from damage.

CAC272 Knot Protector Beads - Green

CAC273 Knot Protector Beads - Brown

ANTI-TANGLE SLEEVES

Designed to fit over swivel eyes to create an anti-tangle set up, the Anti-Tangle Sleeves produce a smooth finish to hooklength connection.

CAC276 Anti-Tangle Sleeves - Green

CAC277 Anti-Tangle Sleeves - Brown

SILICONE SLEEVES 3MM

Super strong and super grip 25mm lengths of silicone sleeving with numerous rig applications: perfect for neat sheathing of Speed Links, lead loops and swivels etc for a perfect streamlined, anti-tangle finish.

CAC383 Silicone Sleeves 3mm Brown

CAC384 Silicone Sleeves 3mm Green

KWIK CHANGE HELI SWIVELS AND SLEEVES

Available in sizes 7 and 10 with a silicone sleeve and a Flexi Ring Swivel with a Kwik Change facility for quick and simple hooklength changes.

▶ Pack size: 10

CAC323 Size 7

CAC324 Size 10

KWIK CHANGE FLEXI SWIVELS AND SLEEVES

Available in sizes 7 and 10 with a sleeve and a Kwik Change link attached to a Flexi Ring to ensure hinged hooklengths sit perfectly.

▶ Pack size: 10

CAC340 Size 7

CAC341 Size 10

KWIK CHANGE SWIVELS AND SLEEVES

Available in two sizes, 7 and 10, with a sleeve and anti-reflection Fox swivel.

▶ Pack size: 10

CAC292 Size 7

CAC293 Size 10

HELI KIT

The Heli Kit contains all of the components you need to create a safe helicopter rig. Available in either our camo green or brown finishes.

CAC274 Heli Kit - Green

CAC275 Heli Kit - Brown

SHRINK TUBE

50mm lengths of green or clear shrink tube available in a range of diameters for you to construct your own rigs.

► Pack size: 10

CAC294 Green (3mm shrinks to 1mm)

CAC295 Green (2.4mm shrinks to 0.8mm)

CAC296 Green (1.2mm shrinks to 0.4mm)

CAC297 Clear (3mm shrinks to 1mm)

CAC298 Clear (2.4mm shrinks to 0.8mm)

CAC299 Clear (1.2mm shrinks to 0.4mm)

SLIDING RINGS AND RIG STOPS

Low profile hook shank stops with pear rings to create perfect anti-eject rigs.

CAC317 1.5mm Small

CAC318 1.75mm Medium

CAC319 2mm Large

RUN RINGS AND BEADS

A simple system designed to creating a friction free, totally carp safe running lead set-up which gives great bite indication.

CAC287 Run Ring System - Green

CAC288 Run Ring System - Brown

MAGGOT CLIPS

The unique arrowhead shape of these Fox clips stop maggots from bunching up to give perfect presentation. They also have chemically sharpened points with a non-rust finish for easy loading without 'popping' the maggots.

► Pack size: 10

CAC278 Maggot Clips Size 6

CAC279 Maggot Clips Size 8

CAC280 Maggot Clips Size 10

CAC281 Maggot Clips Size 12

NEEDLES

A variety of needles are available to cater for all of your baiting needs.

CAC064 Long Stringer Needle

CAC065 Lip Close Baiting Needle

CAC066 Fine Bait Baiting Needle

Fine Baiting Needle

Long Stringer Needle

Lip Close Baiting Needle

SPARE SPLICING NEEDLES

Two spare gate latch splicing needles for creating loops in leadcore and use in fine rig presentations.

AC3177 Leadcore Splicing Needles

Splicing Needles

SPECIAL EDITION NEEDLE SET

Triple needle set to cover all of your baiting needs including stringers and hair rigs.

CAC057 Needle Set

TENSION BAR

An invaluable multi-use tool ideal for tightening loops and straightening boom sections on stiff rigs.

CAC007 Tension Bar

XS BRAID BLADES

- ▶ Saw-toothed blades designed to cut easily through all manner of materials including braid, nylon, stiff mono, fluorocarbon, leadcore and coated braid
- ▶ Razor-sharp
- ▶ Handy locking clip to keep them closed when not in use
- ▶ Fit neatly into your F-Box tackle box

CAC410 XS Braid Blades

PELLET PEGS

Profiled brown pegs designed to secure pellets on hair rigs. Available in three sizes to suit all pellet hookbaits.

CAC177	Pellet Pegs 11mm
CAC178	Pellet Pegs 13mm
CAC179	Pellet Pegs 21mm

KWIK CHANGE POP-UP WEIGHTS

A pop-up counter weight and anchoring system that is easy to attach and which won't damage your hooklength. Available as individual weights or in a six division dispenser.

CAC083	Kwik Change Pop-Up Weights - BB
CAC084	Kwik Change Pop-Up Weights - AAA
CAC085	Kwik Change Pop-Up Weights - SA
CAC086	Kwik Change Pop-Up Weights - SWAN
CAC159	Kwik Change Pop-Up Weights - 6 division dispenser

BOILIE PROPS

Available in six colours to match your hook bait, Boilie Props have a unique curved profile that allows them to sit flush against the curve of your boilie.

► Colours: Clear, Red, Yellow, Orange, Brown, Pink

BOILIE STOPS

Profiled stops designed to secure boilies on hair rigs. A variety of colours are available to match different coloured hookbaits.

► Colours: Red, Yellow, Orange, Brown

DOWN RIGGER BACKLEADS

A unique backlead system that allows you to attach a backlead to your main line single-handedly. Available in 2 sizes.

► Pack size: 3

CAC312	Down Rigger Back Leads - 0.75oz (21g)
CAC313	Down Rigger Back Leads - 1.5oz (43g)

SLIDERS

Tapered inline backleads which fit on your main line, behind the rig tubing or leadcore / leader, and slide backwards on the cast to pin your main line down and away from wary fish. Available in green and brown.

► Pack size: 6

CAC344	Sliders
--------	---------

EXOCET & DART MARKER FLOATS

The larger Exocet and smaller Dart marker floats are constructed from high impact materials to make them robust and reliable. They are both available as just the float or as part of a kit which, as well as the float, also includes three flights, a SLIK ring, anti-tangle boom and buoyancy aid for weedy swims – all that you need to find features with total precision.

FEATURES

- ▶ Robust construction
- ▶ Air cavity flights maximise lift and visibility
- ▶ Interchangeable red, yellow and black flights for high visibility in all light conditions
- ▶ Available as a full marker float kit

CAC368	Dart Marker Float – Small
CAC369	Dart Marker Float Kit – 2oz (57g)
CAC370	Dart Marker Float Kit – 3oz (85g)
CAC353	Exocet Marker Float – Large
CAC354	Exocet Marker Float Kit – 3oz (85g)
CAC355	Exocet Marker Float Kit – 4oz (113g)

Dart Marker Float

MICRO MARKER FLOATS

The Micro Markers are perfect for feature finding at close to medium range with leads to 3oz (85g), with three colours in each pack.

CAC381 Micro Marker
(Supplied with 3 different coloured floats)

CAC382 Micro Marker Float Kit – 2oz /57g
(Supplied with 3 different coloured floats)

CARP CATAPULTS

The innovative range of Carp Catapults covers all of your baiting needs. Whether you wish to bait up with boilies, groundbait, pellets or particles you are sure to find a model to suit. The Carp Catapults are available in four pouch options: Distance Boilie, Method, Multi and Particle/Pellet.

CPT006	Carp Catapult Medium Multi Pouch
CPT007	Carp Catapult Long Range Boilie Pouch
CPT008	Carp Catapult Med/Long Range Method
CPT009	Carp Catapult Short/Med Range Particle

FEATURES

- ▶ Method Catapult features an injection moulded pouch
- ▶ Top quality latex elastic used

POUCH OPTIONS

Boilie

Multi

Method

Particle

POWER GUARD® CATAPULTS

The Power Guard® range incorporates a unique, patented Knuckle Defender that is designed to protect you from the elastic slapping your knuckles. They feature a one-piece injection moulded pouch that eliminates any potential weak spots caused by stitching or welding. Available in five size options: Distance Boilie, Mini Distance, Multi Bait, Mini Multi Bait and Mega Method.

CPT001	Power Guard Distance Boilie
CPT002	Power Guard Multi - Bait
CPT003	Power Guard Mini Distance
CPT004	Power Guard Mini Multi - Bait
CPT010	Power Guard Method

FEATURES

- ▶ Optimum length and specification of latex used
- ▶ Sculpted grip features a soft touch rubber overmould to offer ultimate comfort
- ▶ Designed for left and right-hand users
- ▶ Riveted firing loop

RANGEMASTER® THROWING STICKS

The Rangemaster Throwing Stick has been CAD designed to give you maximum distance when baiting with boilies. The Rangemaster is constructed from a flexible, highly robust plastic and is fitted with a non-slip rubber handle, which provides a solid grip even with wet hands.

CAC208 Throwing Stick - 18mm Bore

CAC209 Throwing Stick - 24mm Bore

CAC228 Throwing Stick - 30mm Bore

FEATURES

- ▶ Ideal for spread baiting with boilies up to a range of 120yd
- ▶ Lightweight for comfortable use over prolonged periods
- ▶ Three sizes available: 30mm, 24mm and 18mm

H-MARKER

These new H-Block Markers have been designed to allow anglers to mark potential 'hot spots' when feature finding from a boat, perhaps with the aid of an echo sounder.

- ▶ Bright orange for maximum visibility
- ▶ Ultra Buoyant
- ▶ Betalight Slots
- ▶ Supplied with heavy lead weight to anchor to the lake/river bed
- ▶ Supplied with 20m (65ft) cord

CAC424 H-Marker

MINI H-BLOCK MARKER

Handy mini version of our H-Marker for anglers that wish to angle with a little more stealth or use a bait boat.

- ▶ Bright orange for maximum visibility
- ▶ Ultra Buoyant
- ▶ Betalight Slots
- ▶ Supplied with Swivel & Speed Link for easy lead attachment
- ▶ Supplied with 10m (32ft) cord
- ▶ Two per packet

CAC426 Mini H-Block Marker

EXOCET™ DUAL SPOD

Perhaps one of the unsung heroes in our range of accessories, the Exocet Dual Spod's have been proven by many of the country's finest anglers to be the best spod's currently on the market. During comparison tests the Exocet has flown not only further, but also straighter, than any other spod's we tested – food for thought indeed.

CAC371 Exocet Dual Spod – Small

CAC356 Exocet Dual Spod – Large

FEATURES

- ▶ Weight forward design aids precision casting at range and ensures you can hit the spot time and time again, even in windy conditions
- ▶ Ideal for all baits and particle mixes
- ▶ Removable parallel bore insert ejects boilies every time
- ▶ Three ultra buoyant nose cones supplied: red, yellow and black
- ▶ Semi stiff harness for fast retrieve across water surface
- ▶ Anti-twist harness system
- ▶ Available in two sizes

EXOCET™ BOILIE SPOD

The Exocet Boilie Spod has a long, tapered body but the inside bore is parallel, enabling baits to exit easily without jamming to give perfect baiting accuracy. The rocket holds 10 x 14mm or 8 x 18mm boilies and flies incredibly straight and to extreme distances.

CAC376 Exocet Boilie Spod

FEATURES

- ▶ Weight forward body aerodynamically designed for maximum casting efficiency and accuracy
- ▶ Anti-twist stiff harness system for easy retrieve
- ▶ Ultra buoyant, interchangeable nose cones in red, yellow and black for high visibility in all light conditions
- ▶ Unique parallel internal bore ensures perfect bait ejection every time
- ▶ Vented top section prevents overfilling with water for accurate balancing in flight

During transit remove the harness and store inside the body.

Anti-twist semi stiff harness for better performance.

NEW

FOX
www.foxint.com

SQUARE BUCKETS

- ▶ Available in 12litre and 16litre
- ▶ Perfect for spod mixes, maggots and groundbaits
- ▶ Square design makes them much more barrow-friendly than a more conventional round bucket
- ▶ Easier to stack

CBT003 Square Bucket – 12ltr

CBT004 Square Bucket – 16ltr

PVA MESH

Fox PVA is the very highest quality and is supplied on a 10m Funnel and Plunger System at a price for which many other tackle companies only offer 7m!

FEATURES

- ▶ Available on a Wide (35mm), Narrow (25mm) or Super Narrow (14mm) tube
- ▶ Both Fine and Heavy mesh available to suit varying conditions or bait size
- ▶ Tough, anti-ladder construction that resists damage and handling
- ▶ Variety of cost effective refill options with 10m and 25m refill spoos available for all sizes and a new 6m refill now available in Narrow Fine and Wide Fine

PVA - fine or heavy?

Fine Mesh dissolves quickly - even in cold water - and allows small feed items such as maggots, micro pellets or groundbaits to be used without risk of them falling out. Heavy Mesh has a slower dissolve time and is perfect for warmer or deeper water and is suitable for larger pellets, particles and boilies.

Fine Mesh

Heavy Mesh

10
METRES

Supplied in 10m lengths on tubes as standard

6M REFILL

Due to popular demand our Fine Narrow and Fine Wide PVA Mesh is now available in a 6m refill, offering further outstanding value for money!

HOW TO CREATE A PVA MESH BAG

1 Start by adding your chosen PVA-friendly bait to the dispenser.

2 Now tightly twist the PVA directly above your bait.

3 Secure the bag shut by tying an overhand knot in the twisted section.

4 Next, tie a second overhand knot just above the first one, as shown.

5 Take a sharp pair of scissors and carefully cut the PVA between the two knots.

6 You have now created a simple, yet highly effective PVA mesh bag of free offerings.

RAPIDE™ LOAD PVA BAG SYSTEM

The incredible new Rapide Load PVA Bag System range has changed the way that anglers fish with solid PVA bags forever! Designed by our product guru, Scott Day, this system is not only used to fill your solid PVA bag but it is then also used to tie it too!

CPV029	Rapide Load System (55mm x 120mm)
CPV030	Rapide Load System (60mm x 130mm)
CPV031	Rapide Load System (85mm x 140mm)
CPV032	Rapide Load System (75mm x 175mm)
CPV033	Rapide Load System (85mm x 220mm)
CPV034	25 x Rapide Load PVA Bags (55mm x 120mm)
CPV035	25 x Rapide Load PVA Bags (60mm x 130mm)
CPV036	25 x Rapide Load PVA Bags (85mm x 140mm)
CPV037	20 x Rapide Load PVA Bags (75mm x 175mm)
CPV038	20 x Rapide Load PVA Bags (85mm x 220mm)

FEATURES

- ▶ Eliminates need for PVA tape to tie a solid PVA bag
- ▶ Use the unique tool to fill the PVA bag and then tie it too!
- ▶ Possible to tie a complete bag in less than 20 seconds!
- ▶ Two sizes of loading tool available – Large and Small
- ▶ Large tool works with three different sizes of PVA bag - these being 85mm x 140mm (perforated), 75mm x 175mm (solid) and 85mm x 220mm (solid)
- ▶ Small tool works with two sizes of bag - 55mm x 120mm and 60mm x 130mm both of which are perforated
- ▶ Supplied with loading tool, locking collar, 25 PVA bags (20 for 75mm x 175mm and 85mm x 220mm)
- ▶ Supplied in handy waterproof tube
- ▶ Refills available separately and are colour-coded to the two sizes of system (pink for small, blue for large)

Colour coded refills available in all sizes

HOW IT WORKS

Greg Davies: "Never the best at solid bags but with this device I feel like a pro lol... Simple and easy to use... a must have for any carp fisher!"

"I class it, genuinely, as one of those products that could help you become a more successful carp angler by making a relatively fiddly task, an absolute doddle"

MARC COULSON - Editor

TotalCarp
THE UK'S BIGGEST BASSIN CARP FISHING MAGAZINE

"It couldn't be simpler to make perfect PVA bags and anyone who has struggled before will struggle no more"

MIKE KAVANAGH - Resident Rig Expert

Carpworld

ARMA® MESH

Quite simply one of the biggest advancements in hookbait systems ever, Arma Mesh is available on 7m tubes with both Narrow (14mm) and Wide (22mm) diameter variants and both Fine and Heavy weaves are available.

FEATURES

- ▶ Tough hexagonal weave, similar in appearance to PVA, but it is made from nylon and DOES NOT DISSOLVE IN WATER!
- ▶ Perfect for creating alternative hookbaits
- ▶ Supplied on a loading tube with a plunger
- ▶ Perfect for really soft baits such as bread, meat, cheese, prawns and pastes
- ▶ Also good for baits that are not Hair rig friendly such as hemp, canned tuna, mini pellets, boilie crumb and liquidised bread
- ▶ Also perfect for protecting hookbaits from nuisance species (Heavy version perfect for venues where crayfish are a real menace)

Tuna

Sweet Corn

Pellet

Bread

HOW TO CREATE AN ARMA MESH HOOKBAIT

1 Start by adding your chosen bait to the Arma Mesh dispenser.

2 Take the plunger and push your bait out of the bottom of the dispenser.

3 Tie the bag off with an overhand knot and then tie a second knot just above it.

4 Cut between the two knots and you have now created an Arma Mesh hookbait!

EXOCET™ CONTROLLER FLOATS

These unique-looking controller floats feature stabiliser fins and a weighted nose to enable you to cast them long distances with great accuracy. The floats come supplied with Controller Clips that enable you to change the size of your float without re-tying your setup.

CAC215 Exocet Controller Float - 5g

CAC216 Exocet Controller Float - 10g

CAC217 Exocet Controller Float - 15g

CAC218 Exocet Controller Float - 20g

FEATURES

- ▶ Highly visible top
- ▶ Enters water quietly and doesn't dive under surface on cast
- ▶ Available in four sizes - 5g, 10g, 15g, 20g

BOLT BUBBLE FLOATS

The Bolt Bubble was the first bubble style float specifically developed for targeting surface feeding carp. The streamlined, pear drop design pushes the weight forward to make long distance casting easy, while providing a pronounced bolt effect to hook feeding fish. They are designed to sit low in the water and due to their transparency and ultra low profile are extremely unobtrusive.

CAC160 Bolt Bubble Float - Small

CAC161 Bolt Bubble Float - Medium

CAC162 Bolt Bubble Float - Large

CAC163 Bolt Bubble Float - X Large

FEATURES

- ▶ Casting weight adjusted by filling float with water
- ▶ Designed to be used in-line
- ▶ Supplied with two anti-tangle sleeves
- ▶ Available in four sizes - Small, Medium, Large and X-Large

“The use of Zig Rigs and in particular the adjustable version plays a massive role in my angling and I catch more as a result!”

STEVE SPURGEON

Ashley Cox: “Nothing beats it, especially fishing the deep lakes in my area. Always a banker.”

HALO® ZIG FLOAT KIT

The well-thought out Halo is designed for use with leads of 3oz (85g) and above and comes supplied with interchangeable high visibility red and black nose cones, which make it much easier to see the Zig Float when fishing at range.

CAC375 Halo Zig Float Kit

FEATURES

- ▶ Perfect for deep lakes where conventional Zig Rigs are impractical
- ▶ Ultra buoyant high impact plastic
- ▶ Supplied with interchangeable nose caps in red and black
- ▶ Kit includes float and boom tube with SLIK ring, buoyancy bead and lead link attachment

HOW TO SET UP A ZIG FLOAT

- 1** Start by threading your main line through the large ring on the lead boom from the Halo Zig Float Kit.

- 2** Next, thread your Halo Zig Float onto the main line – thin end first as illustrated.

- 3** You will then need to attach the swivel that is supplied in the kit to the end of the line with a Grinner Knot.

- 4** Now slide the Halo Zig Float up the line until it is semi-fixed over the swivel, as shown.

- 5** You will then need to take a 3oz Exocet lead and attach it to the quick clip on the lead boom.

- 6** Attach a 3ft Zig Rig hooklink to the swivel on the main line and your adjustable Zig Rig is complete!

Clothing

In recent years the demand for clothing in angling has become greater and greater and as a result our portfolio of angling apparel has also grown. Here at Fox our aim with clothing is very simple – to produce high quality garments at value for money prices and that mix style with functionality. In recent times we have launched a whole host of stylish clothing that have also performed well too.

Within our clothing range you will now find hoodies, jogging bottoms, combat trousers, polo shirts, t-shirts, thermal suits, jackets and headwear.

Whatever you're looking for in the clothing department we are sure you will find it over the coming pages...

“Although I am a carp angler I always like to look good when I’m on the bank. Through their extensive clothing range Fox have ensured that I can go fishing in clothing that is both fashionable but more importantly functional”

MARK PITCHERS

...results confirm just how excellent outfit which has won the Gold Award. Comfortable, well made, generous cut and as proven with the internal temperature and thermal ratings, very warm.”

Martyn Coles: "The Winter Carp Suit keeps me warm and dry even in the harshest of conditions!"

Specialist

Due to the growth in our range of tackle aimed at the specialist angler, we have this year allocated a dedicated section within our catalogue for it. The tackle items that you are about to see have been designed for anglers that are fishing both rivers and stillwaters in search of species such as barbel, chub, tench, bream, pike and even smaller carp. In fact many of the items have been designed in conjunction with our consultant Julian Chidgey who is a former winner of the coveted Drennan Cup and current monthly contributor to *Improve Your Coarse Fishing* magazine such is his talent and knowledge at targeting and catching a wide variety of coarse fish species. So whether you are after rods, reels, nets, chairs or luggage for your next session you are sure to find something that takes your fancy over the coming pages....

Find Us on Facebook!

If you are an angler that fishes for a wide variety of species then be sure to check out the Fox Specialist Facebook page on www.facebook.com/foxspecialist

"Having been heavily involved with the development of the Fox Specialist range in recent years I am very pleased with the outcome so far as all of the products benefit my fishing..."

- ▶ Square design makes them much more barrow-friendly than a more conventional round bucket

CBT003 Square Bucket 12ltr £6.99
CBT004 Square Bucket 16ltr £8.99

WARRIOR® S BARBEL 1.75LB

Representing huge value for money, the Warrior S Barbel 1.75lb is an ideal rod for the modern barbel specialist. The rod has a powerful through action and is available in both a versatile 12ft and slightly more powerful 11ft version. Both models feature a 1.75lb high visibility hollow tip ideal for all conditions and barbel fishing techniques from touch legering and rolling meat to heavy feeder work and bolt rigging. Technical features include double legged Fox SLIK guides, a full cork handle and a secure screw down reel seat.

ARD044	Warrior S Barbel 12ft 1.75lb	£69.99
ARD043	Warrior S Barbel 11ft 1.75lb	£64.99

WARRIOR® S BARBEL 2.25LB

A powerful rod to suit more extreme situations the Warrior S has a 2.25lb test tip section that will cope with all rivers in all but the most extreme conditions. The rod is capable of launching heavy feeders to the far bank of big rivers or anchoring 6oz of lead in a winter flood. The delightfully powerful through action, combined with a steely lower middle to butt section, make it a great big fish and big river rod.

ARD045	Warrior S Barbel 12ft 2.25lb	£79.99
--------	------------------------------	--------

WARRIOR® S 13FT 1.5LB FLOAT

Whether running a big float down a fast-flowing run in search of barbel, targeting tench and bream with the lift method or hauling big carp out from the snaggy marginal cover on your local commercial this is the perfect rod for the job. At 13ft, it offers superior line pick up when fishing at range, whilst its powerful action allows you to control the fight with even the biggest of specimens. This is a true all rounder that no aspiring big fish angler will want to be without!

ARD046	Warrior S Float 13ft 1.5lb	£79.99

DUO-LITE™ FX MULTI TIP BARBEL 1.75LB / QUIVER

The Duo Lite FX Multi Tip is the perfect rod for the modern river specialist, offering a 1.75lb hollow tip, which is ideal for all barbel fishing techniques. The quiver section accepts two push in tips rated at 4oz and 6oz that are suitable for low river conditions or extra sensitivity when chub fishing. A 3K/2K carbon wrap gives real power through the middle section to tame big fish quickly, but with enough sensitivity in the tip to pick up bites when touch legering and to cushion hook holds. 16mm Fuji DPS reel seat.

ARD042 Duo-Lite FX Multi Tip Barbel £144.99

DUO-LITE™ FX TWIN TIP BARBEL 1.75 / 2.25LB

The Duo-Lite FX Twin Tip is available in 11ft and 12ft versions with 1.75lb and 2.25lb hollow tops to cope with the most extreme conditions. The 1.75lb tip is ideal for all methods of barbel fishing whilst the 2.25lb tip is more powerful and is capable of coping with heavy feeders on big rivers and dealing with the biggest barbel. With double legged guides throughout for durability and a delightfully powerful through action, combined with a steely lower middle to butt section, this is the ultimate all round big fish rod. 17mm Fuji DPS reel seat.

ARD039 Duo-Lite FX Twin Tip Barbel 12ft £129.99
ARD040 Duo-Lite FX Twin Tip Barbel 11ft £119.99

DUO-LITE™ FX SPECIMEN 2.75LB

This is a powerful specialist rod designed to tame big barbel in big rivers or floodwater, using heavy leads and big feeders. The powerful blank has a stiff butt to middle section to deliver real power, with flexibility at the very top to cushion leads and feeders in heavy water and to aid bite detection.

Guides are double legged for durability and sized and spaced to prevent clogging with the weed and debris so often associated with extreme river conditions.

FEATURES

- ▶ Solid top sections with 35cm high visibility sight tip
- ▶ Two push in quiver tips: 4oz and 6oz carbon (Duo-Lite FX Multi Tip only)
- ▶ 40-44cm high grade full cork handle
- ▶ Fox double legged SLIK Guides throughout
- ▶ 18mm Fuji DPS reel seat

ARD041 Duo-Lite FX Specimen 12ft 2.75lb £119.99
